MN SENTENCING GUIDELINES COMMISSION

Legal Basis: M.S. 244.09.
321 GROVE ST., #103
ST. PAUL, MN 55101
Telephone: 651-296-0144

Appointing Authority: Governor and Chief Justice of the Supreme Court
Compensation: \$55 per diem (for citizen members) plus expenses

Powers and Duties include: The legislature established the Sentencing Guidelines Commission for the purpose of developing and maintaining rational and consistent sentencing standards which reduce sentencing disparity, increase proportionality in sanctions, and ensure more equitable and uniform sentencing for convicted felons. The following are the specifically stated goals of the sentencing guidelines system. 1) To promote public safety by recommending the harshest sanctions for violent offenders who pose the greatest danger to public safety and coordinating sentencing practices with correctional resources to assure that prison resources are available for these violent offenders. 2) To promote uniformity in sentencing so that offenders who are convicted of similar types of crimes and have similar types of criminal records are similarly sentenced. 3) To establish proportionality in sentencing by recommending the most severe sanctions for those offenders who are convicted of serious violent offenses even with no criminal record, those who have repeat violent criminal records, and those who have more extensive nonviolent criminal records. 4) To provide truth and certainty in sentencing by having the judge pronounce a fixed sentence that requires the offender to serve at least two thirds of the pronounced time as opposed to an indeterminate and symbolic sentence of zero to the statutory maximum sentence and a parole board that ultimately decides when to release an offender. 5) To coordinate sentencing practices with correctional resources by informing the legislature of the impact of the existing sentencing policy on correctional resources and the impact of any proposed changes to the sentencing system. To achieve the mission and goals stated above, the agency and commission evaluate sentencing policy and practices, modifies sentencing policy; determines the impact of policy on correctional resources; and provides training, implementation, and information services to the criminal justice community and the public. The criminal justice system is extremely dynamic and the commission must consider whether to make changes to the sentencing guidelines in order to continue to fulfill its mission. The commission presents recommendations to the legislature each year for changes to the sentencing guidelines.

Member Restrictions include: The eleven members include one judge of the Court of Appeals and one district court judge to be appointed by the Chief Justice of the Supreme Court; one public defender; one county attorney; one peace officer; one probation officer; three public members, one of whom must be a victim of a crime defined as a felony; and the Chief Justice of the Supreme Court and the Commissioner of Corrections or their designees. The term of any member appointed or reappointed by the Governor after the first Monday in January 1991 is coterminous with the Governor.

Summary of Activities include: The sentencing guidelines have been in effect since 1980. The guidelines have provided more uniform and proportional sentences for convicted felons. The Commission appropriately modifies the guidelines each year to accommodate new laws, address problems with the guidelines, or address other concerns about sentences. The research and monitoring functions of the agency have provided critical and important information to policy makers, including information on the impact of new laws and policies on correctional resources.

Meetings are held at: No set meeting location, however, the meetings have been routinely held at the Dept. of Corrections, central office.

Appropriations or other Money Available: \$586,000.

In addition to the appointed members, the council will include the state chief geospatial information officer as a non-voting, ex-officio member. The term of office for appointed members will be for a term expiring on June 30, 2013. Meetings will be held four times a year. Please see our website at:
