RE: CAP Grant/Loan Termination of Obligations Report

Dear Committee Chairs and Ranking Minority Members:

This letter serves as the report required by Minn. Stat. §115A.54, subd. 4. In accordance with the statute, the Minnesota Pollution Control Agency (MPCA) is required to report on the previous year's defaults and terminations of awards made under the bond-funded Solid Waste Processing Facilities Capital Assistance Program (CAP).

No CAP grant recipients have defaulted, nor has the Commissioner acted to terminate the obligations of a grant recipient during calendar years 2010 and 2011.

If you have any questions regarding this report, please contact me at (651) 757-2244.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk Koudelka".
