Subject: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by Minnesota Statutes, Section 14.05, subdivision 5.

Minnesota Statutes, Section 14.05, Subdivision 5, states:

“By December 1 of each year, an agency must submit to the Governor, the Legislative Coordinating Commission, the policy and funding committees and divisions with jurisdiction over the agency, and the Revisor of Statutes, a list of any rules or portions of rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The list must also include an explanation of why the rule or portion of the rule is obsolete, unnecessary, or duplicative of other state or federal statutes or rules. By December 1, the agency must either report a timetable for repeal of the rule or portion of the rule, or must develop a bill for submission to the appropriate policy committee to repeal the obsolete, unnecessary, or duplicative rule. A report submitted under this subdivision must be signed by the person in the agency who is responsible for identifying and initiating repeal of obsolete rules. The report must also identify the status of any rules identified in the prior year’s report as obsolete, unnecessary, or duplicative. If none of the agency’s rules are obsolete, unnecessary, or duplicative, an agency’s December 1 report must state that that conclusion.”

We have identified the rules on the attached report that are obsolete, unnecessary, or duplicative, and that should be repealed. The reasons that these rules are obsolete, unnecessary, or duplicative are contained within the report.

The Gambling Control Board is currently in the process of reviewing and amending all chapters of its rules. Repeal of these obsolete, unnecessary, or duplicative rules will be accomplished during the course of this rules process. The Board anticipates that this rulemaking project will be concluded by December 1, 2004.

The report being submitted this year is identical to last year’s report. The rulemaking process we have undertaken has lasted longer than anticipated, thus no action was taken during the last year on repealing obsolete, unnecessary, or duplicative rules.
