Subject: Report of obsolete rules – December 1, 2006

The Board of Examiners for Nursing Home Administrators completes an annual assessment of Minnesota Rules 6400 pertaining to administration of Minnesota nursing homes and finds at this time that current rules are applicable and not deemed obsolete, unnecessary or duplicative for this past year.

The BENHA Rules Committee is currently reviewing all rules and may enter into an extensive rewriting of our current rules in 2007. If you have any questions, feel free to contact this office.
