SUBJECT: Obsolete Rules Report Pursuant to Minnesota Statutes, section 14.05, subdivision 5

Pursuant to Minnesota Statutes §14.05, subdivision 5, the Campaign Finance and Public Disclosure Board has identified the following rule as being obsolete:

Rule 4512.0100 defining "individual services" as it relates to the gift of a plaque to an official. This rule is obsolete because the statutory reference to plaques given for "individual services" was amended to eliminate that reference.

The Board intends to complete a rulemaking procedure during calendar year 2009 and repeal this rule as a part of that procedure. This rule establishes a definition for a phrase formerly used in a statute. The rule does not impose any requirements on any individual or entity. Therefore, its remaining in place has no legal effect and its repeal can be handled in the ordinary course of rulemaking during 2009.
