Dear Governor Ventura, Senators, Representatives, and Revisor Timmons:

Minnesota Statutes § 14.05, subd. 5, directs state agencies to report to you by December 1 of each year whether any of their rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The Public Utilities Commission has reviewed its rules and found none that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

Please let me know if I can provide further assistance.

Very truly yours,
