RE: **Annual Rules Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by Minnesota Statutes, Section 14.05, Subdivision 5**

Annually each agency is required under Minnesota Statutes, section 14.05 to submit a report describing any rules or portions of rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. After review, we have found no Department of Employee Relations (DOER) rules that are obsolete, unnecessary, or duplicative and that should be repealed.

DOER's rules are contained in three chapters of Minnesota Rules: state employment and personnel issues are in chapter 3900; chapter 3905 addresses affirmative action; and the requirements and compliance for the Local Government Pay Equity Act are in chapter 3920.

If you have any questions regarding this report, please contact Lorna Smith at 651-259-3604.
