Dear Chairs and Ranking Members,

Minnesota Statutes, section 5B.12 provides:

Notwithstanding sections [16A.013](#) to [16A.016](#), the secretary of state may accept funds contributed by individuals and may apply for grants from charitable foundations to be used for the address confidentiality program established in section [5B.03](#). In addition, the secretary of state may apply for grants from the federal government for purposes of the address confidentiality program. If the secretary of state accepts federal funds and the terms of the grant do not require the state to maintain its effort, section [3.3005](#) does not apply. If the secretary of state accepts federal funds and the terms of the grant do require the state to maintain its effort, section [3.3005](#) applies. The funds accepted under this section must be deposited in accounts in the special revenue fund and are appropriated to the secretary of state for use in the address confidentiality program. The secretary of state shall report by January 15 each year to the chairs and ranking minority members of the finance committees of the house of representatives and the senate with jurisdiction over the secretary of state the total amounts received in the preceding calendar year, the sources of those funds, and the uses to which those funds were or will be put. Any contributions from program participants must be aggregated, and the names of program participants must not be reported.

This is the report required by this section:

The Office of the Secretary of State accepted and received no funds from individuals and applied for no grants (and accepted and received no grant funds), during calendar year 2013.

Best regards,
