Minnesota Department of Natural Resources

500 Lafayette Road · Saint Paul, Minnesota · 55155-4037 Office of the Commissioner

651-259-5555

January 30, 2014

JoAnne M. Zoff Secretary of the Senate 231 State Capitol 75 Rev. Dr. Martin Luther King Jr. Blvd. St. Paul, MN 55155-1606 Albin A. Mathiowetz Chief Clerk of the House of Representatives 211 State Capitol 75 Rev. Dr. Martin Luther King Jr. Blvd. St. Paul, MN 55155-1606

Dear Secretary Zoff and Chief Clerk Mathiowetz:

Enclosed is the Department of Natural Resource's current dam safety program project priority needs list. A project priority list was submitted on May 30, 2013 in accordance with Minnesota Statutes, section 103G.511, subdivision 12, which requires the DNR to prioritize and report dam project needs to the legislature by June 1 of each odd-numbered year. The enclosed submittal is an updated dam safety program project priority list that adds high priority projects we became aware of after May 30, 2013.

Sincerely.

Tom Landwehr Commissioner

Notes:

- Notes:

 1) Priorities are subject to change based on results of dam safety inspections, readiness of local project sponsors, opportunities for piggybacking projects, etc.

 2) All cost estimates are preliminary; actual costs will depend on final project design and construction bids received.

 3) MS Section 103G.511 authorizes matching grants to local governments and requires legislative approval of projects or grants of \$250,000 or more.

 4) MS Section 103G.515 authorizes the state to pay the full cost of dam removals under certain conditions.

 5) "Remove/modify" means a final decision has not been made on whether the dam will be removed or modified.
