St. Paul, Minnesota 55155-1206

Subject: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by  
Minnesota Statutes, Section 14.05, Subdivision 5.

Dear Governor Dayton, Senators, Representatives, Legislative Coordinating Commission Director  
Hubinger and Revisor Timmons:

Minnesota Statutes, section 14.05, subdivision 5, states:

"....., an agency must submit to the governor, the legislative coordinating commission, the policy and  
funding committees and divisions with jurisdiction over the agency, the revisor of statutes, a list of any  
rules or portions of rules that are obsolete, unnecessary, duplicative of other state or federal statutes or

rules. The list must also include an explanation of why the rule or portion of the rule is obsolete, unnecessary, or duplicative of other state or federal statutes or rules. By December 1, the agency must either report a timetable for repeal of the rule or portion of the rule, or must develop a bill for submission to the appropriate policy committee to repeal the obsolete, unnecessary, or duplicative rule. Such a bill must include proposed authorization to use the expedited procedures of section 14.389 to repeal or amend the obsolete, unnecessary, or duplicative rule. A report submitted under this subdivision must be signed by the person in the agency who is responsible for identifying and initiating repeal of obsolete rules. The report also must identify the status of any rules identified in the prior year's report as obsolete, unnecessary, or duplicative. If none of an agency's rules are obsolete, unnecessary, or duplicative, an agency's December 1 report must state that conclusion."

The Board of Optometry has reviewed its rules and found none that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

If you have any questions regarding this report, please call me at 651.201.2731, or write to Minnesota Board of Optometry, Suite 403, 2829 University Avenue SE, Minneapolis, MN 55414.

Sincerely,

MN BOARD OF OPTOMETRY

Randy D. Snyder, LNHA  
Executive Director
