### INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Ms. Kristin Lail, Program Administrator  
Minnesota Department of Public Safety

Hennepin County Violent Offender Task Force  
Oversight Committee

We have performed the procedures enumerated below, which were agreed to by the Minnesota Department of Public Safety and the Hennepin County Violent Offender Task Force, solely to assist you in determining that the Hennepin County Violent Offender Task Force followed policies and procedures regarding accounting for seized funds and property and related forfeitures and the use of confidential/drug buy funds. These procedures were applied to the Hennepin County Violent Offender Task Force records for the 12-month period ending November 30, 2013. The Hennepin County Violent Offender Task Force's management is responsible for the records of the Task Force. This engagement to apply agreed-upon procedures was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Minnesota Department of Public Safety and the Hennepin County Violent Offender Task Force. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

#### 1. Procedure

Determine that seized funds and property and related forfeitures are accounted for in accordance with policies, procedures, and regulations.

#### Findings

We obtained a list of all property seized subject to forfeiture for the 12-month period ending November 30, 2013. The 84 items on the list consisted of cash, vehicles, and firearms. We selected 7 cases for testing which included 6 firearm seizures, 7 cash

seizures, and 2 vehicle seizures. We traced the documentation of the activity for each selected item from the point of seizure to the record of the item being held in forfeiture pending judicial order or to the forfeiture record for closed cases, as applicable. All seized funds and property and related forfeitures were accounted for in accordance with policies, procedures, and regulations.

2. Procedure

Determine that the use of confidential/drug buy funds is accounted for in accordance with policies, procedures, and regulations.

Findings

We obtained a list of all purchases made with buy funds for the 12-month period ending November 30, 2013. Buy funds are kept in two locked safes located in the Task Force Team Lead's offices. The Commander replenishes them by requesting cash from the Task Force's fiscal agent. Buy funds are generally used for payments to confidential informants for information, drug purchases, and flash money. We selected 10 of the 99 items on the list to trace the documentation of activity from the point of request for buy funds to approval. Of the 10 items selected, 5 were payments to confidential informants for information, 3 were for purchases of evidence, and 2 were investigative expenses including 1 trash pull. All confidential/drug buy funds were accounted for in accordance with policies, procedures, and regulations.

\* \* \* \* \*

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Minnesota Department of Public Safety and the Hennepin County Violent Offender Task Force and is not intended to be, and should not be, used by anyone other than those specified parties.
