Legislative Redistricting

SENATE COUNSEL

In making the following changes to boundaries of legislative districts, we have retained the legislative format to facilitate comparison with the original text. Additions to Chapter 246 have been underscored. Annotations are provided after the district descriptions in which corrections or changes have been made. In some districts in which proposed changes were rejected, annotations explain the reason for the rejection.

In interpreting the redistricting statute, various published maps and geographic data sources have been consulted. No particular preferences were given to any sources other than the official state highway map. We used the census bureau's TIGER files and data system to compare the original census block data to the language of Chapter 246, the parties' proposals, and our own changes. Where the boundaries of Chapter 246 split populated census blocks, we modified the districts to the extent necessary to preserve the census blocks.

When required changes affected district populations, we endeavored to minimize the deviations from the ideal. In general, rather than exacerbating the deviation in one district while attempting to minimize the deviation in another, we tried to equalize the districts' deviations while bringing them as close to the ideal as possible. Tables listing house and senate district populations and deviations and minority group populations have been appended as Exhibits A, B, C, and D. A tape of the electronic plan file will be made and placed on file.

Sec. 2. {2.043} FIRST DISTRICT.

Subd. 2. HOUSE DISTRICTS. Senate district 3 is divided into two house districts as follows:

(a) House district 3A consists of that portion of senate district 3 not included in house district 3B.

(b) House district 3B consists of that portion of Aitkin County included in senate district 3, that portion of Itasca County consisting of Blackberry Township, the city of Bovey, the city of Coleraine, Feeley Township, Goodland Township, Grand Rapids Township, Greenway Township, Harris Township, Iron Range Township, the city of Keewatin, the unorganized territory of Little Sand Lake, Lone Pine Township, Nashwauk Township, Sago Township, Splithand Township, Trout Lake Township, the city of Warba, Wawina Township, and Wildwood Township, and that portion of St. Louis County consisting of Fine Lakes Township, the city of Floodwood, Floodwood Township, Halden Township, and Prairie Lake Township.

Sec. 6 {2.083} FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 5 consists of that portion of St. Louis County consisting of Alborn Township, Angora Township, Arrowhead Township, Balkan Township, the city of Biwabik, Biwabik Township, the city of Brookston, the city of Buhl, Cedar Valley Township, Cherry Township, the city of Chisholm, Clinton Township, Colvin Township, Cotton Township, Culver Township, Ellsburg Township, Elmer Township, Embarrass Township, the city of Eveleth, Fayal Township, the city of Franklin, the city of Gilbert, Great Scott Township, the unorganized territory of Hay Lake, the unorganized territory of Heikkila Lake, the city of Hibbing, the city of Iron Junction, the unorganized territory of Janette Lake, Kelsey Township, Kugler Township, that portion of the unorganized territory of Lake Vermilion consisting of Vermilion Lake Precinct (62-17), Lavell Township, the city of Leonidas, McDavitt Township, the city of McKinley, the city of Meadowlands, Meadowlands Township, the city of Mountain Iron, Ness Township, New Independence Township, Northland Township, Payne Township, Pike

Annotation: As with senate district 3, these changes simply clarify unorganized territories and precincts included in senate district 5.

Subd. 2. HOUSE DISTRICTS. Senate district 5 is divided into two house districts as follows:

(a) House district 5A consists of that portion of senate district 5 not included in house district 5B.

(b) House district 5B consists of that portion of St. Louis County consisting of Alborn Township, Arrowhead Township, Balkan Township, the city of Brookston, the city of Buhl, Cedar Valley Township, Cherry Township, the city of Chisholm, Clinton Township, Cotton Township, Culver Township, Ellsburg Township, Elmer Township, Great Scott Township, the city of Hibbing, the city of Iron Junction, the unorganized territory of Janette Lake, Kelsey Township, Lavell Township, McDavitt Township, the city of Meadowlands, Meadowlands Township, Ness Township, New Independence Township, Northland Township, Payne Township, the unorganized territory of Potshot Lake, Stoney Brook Township, Toivola Township, and Van Buren Township.

Sec. 7. {2.093} SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 6 consists of all of Cook and Lake Counties, that portion of Koochiching County consisting of the unorganized territory of Nett Lake, and that portion of St. Louis County not included in senate district 3, 5, 7, or 8.

Subd. 2. HOUSE DISTRICTS. Senate district 6 is divided into two house districts as follows:

(a) House district 6A consists of that portion of senate district 6 not included in house district 6B.

(b) House district 6B consists of that portion of St. Louis County consisting of Alden Township, North Star Township, Normanna Township, Gnesen Township, Rice Lake Township, Lakewood Township, Duluth Township, Canosia Township, and Fredenburg Township, and that portion of the city of Duluth not included in senate district 7.

Sec. 8. {2.103} SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 7 consists of that portion of St. Louis County consisting of that portion of the city of Duluth lying west and south of a line described as follows: commencing at the intersection of the northern boundary of the city of Duluth and Calvary Road, easterly along Calvary Road to Woodland Avenue, southerly along Woodland Avenue to Bruce Street, easterly along Bruce Street to Wallace Avenue, southerly along Wallace Avenue to 5th Street, westerly along 5th Street to 21st Avenue, southerly along 21st Avenue to 4th Street, westerly along 4th Street to 15th Avenue, southeasterly along 15th Avenue to 1st Street, westerly along 1st Street to 12th Avenue East, southeasterly along 12th Avenue East to London Road, northeasterly along London Road to 13th Avenue East, southerly along 13th Avenue East and its extension to Lake Superior.

Annotation: Woodland Avenue does not intersect with Buffalo Street, but three streets do connect Woodland Avenue to Wallace Avenue. Using Arrowhead Road would have increased the population deviation in senate district 6 and pushed the deviation in house district 7B over the adopted, 2% maximum deviation governing all court-modified districts. Because Bruce Street improves deviations in senate district 6 and in districts 7 and 7B, it was chosen over St. Marie Street, which would create adequate but slightly higher deviations.

Subd. 2. HOUSE DISTRICTS. Senate district 7 is divided into two house districts as follows:

(a) House district 7B consists of that portion of senate district 7 lying east of a line described as follows: commencing at the intersection of the northern boundary of the city of Duluth and Rice Lake Road, southerly and southeasterly along Rice Lake Road and Arrowhead Road to Mesaba Avenue, southerly along Mesaba Avenue to 13th Street, easterly along 13th Street to 6th Avenue East, southerly along 6th Avenue East to State Highway 194, southwesterly along State Highway 194 to Mesaba Avenue, southerly along Mesaba Avenue to Lake Avenue, northerly along Lake Avenue to 9th Street, southwesterly along 9th Street to 1st Avenue West, northwesterly along 1st Avenue West to Clark House Creek, northwesterly along Clark House Creek to 13th Street, southwesterly along 13th Street to 5th Avenue West, southerly along 5th Avenue West to 9th Street, southwesterly along 9th Street to the intersection of 11th Avenue West and Observation Road, northerly and westerly along Observation Road to Arlington Avenue, southerly along Arlington Avenue to U.S. Highway 53, southerly along U.S. Highway 53 to 14th Street, southwesterly along 14th Street to Miller Creek, southerly along Miller Creek to an extension of 7th Street, northeasterly along the extension of 7th Street to 25th Avenue West, southeasterly along 25th Avenue West to 6th Street, northeasterly along 6th Street to 22nd Avenue West, southeasterly along 22nd Avenue West to Superior Street, northeasterly along Superior Street to 21st Avenue West, southeasterly along 21st Avenue West to Interstate Highway 35, southwesterly along Interstate Highway 35 to Interstate Highway 535, southeasterly along Interstate Highway 535 and its extension to St. Louis Bay.

(b) House district 7A consists of that portion of senate district 7 not included in house district 7B.

Annotation: Four corrections in the house boundary description clarify ambiguities. Before intersecting with Mesaba

Avenue, Rice Lake Road turns briefly into Arrowhead Road; a reference to the latter was included.

The description of the boundary as it moves from 1st Avenue West to Rudolph Avenue and its extension to Blackman and Orange Avenues is also ambiguous. Because the census blocks follow Clark House Creek in this area, this reference is substituted to clarify the boundary line.

Further along this boundary, Chapter 246 attempted to follow Miller Creek to an extension of 6th Street. To avoid splitting a census block, we have substituted an extension of 7th Street and then followed 25th Avenue West to 6th Street to preserve as much of the original boundary as possible.

Finally, the references to Interstate Highways 35 and 535 conform the boundary with the census block information. These changes are intended to clarify the boundary in Chapter 246 while preserving its basic form and minimizing population deviations in all of the affected districts.

Sec. 9. {2.113} EIGHTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 8 consists of all of Carlton County, that portion of St. Louis County consisting of Brevator Township, the city of Hermantown, Industrial Township, Midway Township, the city of Proctor, and Solway Township, that portion of Aitkin County not included in senate district 3, and that portion of Pine County not included in senate district 18.

Subd. 2 HOUSE DISTRICTS. Senate district 8 is divided into two house districts as follows:

(a) House district 8A consists of that portion of St. Louis County included in senate district 8, and that portion of Carlton County consisting of the city of Carlton, the city of Cloquet, the city of Scanlon, the city of Thomson, Thomson Township, and Twin Lakes Township.

(b) House district 8B consists of that portion of senate district 8 not included in house district 8A.

Sec. 10 {2.123} NINTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 9 consists of all of Wilkin County, that portion of Becker County consisting of the city of Audubon, Audubon Township, Cormorant Township, Lake Eunice Township, the city of Lake Park, and Lake Park Township, that portion of Clay County not included in senate district 2, and that portion of Otter Tail County consisting of Carlisle Township, Dunn Township, the city of Elizabeth, Elizabeth Township, the city of Erhard, Erhards Grove Township, Lida Township, Maplewood Township, Norwegian Grove Township, Orwell Township, Oscar Township, Pelican Township, the city of Pelican Rapids, the city of Rothsay, Scambler Township, Trondhjem Township, and Western Township.

Subd. 2. HOUSE DISTRICTS. Senate district 9 is divided into two house districts as follows:

(a) House district 9A consists of that portion of Clay County consisting of the city of Moorhead, Moorhead Township, and those portions of Oakport Township surrounded by the city of Moorhead.

(b) House district 9B consists of that portion of senate district 9 not included in house district 9A.

Annotation: Including the portions of Oakport Township surrounded by Moorhead in house district 9A was the simplest way to ensure contiguity in house districts 9A and 9B. The state map of Chapter 246 does not reveal a contrary, curative legislative intent. It does suggest an intent to include Moorhead Township in house district 9A. To ensure this corrected district's compliance with the adopted, 2% deviation criterion, we added Moorhead Township to house district 9A. In instances such as these, where substantive modifications were made to eliminate constitutional defects, the modifications were drafted to comply with the adopted criteria.

Sec. 11 {2.133} TENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 10 consists of that portion of Douglas County not included in senate district 11

or 13, that portion of Otter Tail County not included in senate district 9 or 11, that portion of Pope County consisting of the city of Glenwood, Glenwood Township, Grove Lake Township, Leven Township, the city of Long Beach, Minnewaska Township, Reno Township, the city of Villard, the city of Westport, and Westport Township, and that portion of Stearns County consisting of Ashley Township, Getty Township, Raymond Township, the city of Sauk Centre, and Sauk Centre Township.

Subd. 2. HOUSE DISTRICTS. Senate district 10 is divided into two house districts as follows:

(b) House district 10B consists of that portion of Senate district 10 not included in house district 10A.

Sec. 12. {2.143} ELEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 11 consists of all of Todd County, that portion of Becker County consisting of Burlington Township, Detroit Township, the city of Detroit Lakes, Erie Township, the city of Frazee, and Lake View Township, that portion of Douglas County consisting of Belle River Township, the city of Osakis, Osakis Township, and Spruce Hill Township, that portion of Otter Tail County consisting of Blowers Township, the city of Bluffton, Bluffton Township, Butler Township, Candor Township, Compton Township, Corliss Township, the city of Deer Creek, Deer Creek Township, the city of Dent, Dora Township, Eastern Township, Edna Township, Gorman Township, Hobart Township, Homestead Township, Newton Township, the city of New York Mills, Oak Valley Township, Otto Township, Paddock Township, the city of Perham, Perham Township, Pine Lake Township, the city of Vergas, the city of Wadena, and Woodside Township, that portion of Stearns County consisting of the portion of Melrose Township not surrounded by the city of Melrose, Millwood Township, and the city of St.

Rosa, and that portion of Wadena County consisting of the city of Aldrich, Aldrich Township, Bullard Township, Leaf River Township, Red Eye Township, Rockwood Township, the city of Sebeka, the city of Staples, Thomastown Township, the city of Verndale, the city of Wadena, Wadena Township, and Wing River Township.

Annotation: To correct this otherwise noncontiguous district, we qualified the portion of Melrose Township to be included, explicitly excluding the portion of Melrose Township that is surrounded by the city of Melrose. This section of Melrose Township falls with the city of Melrose and other portions of Stearns County not assigned to senate districts 10, 11, 16, or 20 into senate district 14.

Subd. 2 HOUSE DISTRICTS. Senate district 11 is divided into two house districts as follows:

(a) House district 11A consists of that portion of Becker County included in senate district 11, that portion of Otter Tail County included in senate district 11, excluding Eastern Township, Oak Valley Township, and Woodside Township, and that portion of Wadena County consisting of Leaf River Township, Red Eye Township, Rockwood Township, the city of Sebeka, and the city of Wadena.

(b) House district 11B consists of that portion of senate district 11 not included in house district 11A.

Sec. 13. {2.153} TWELFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 12 consists of all of Crow Wing County, that portion of Cass County consisting of the cities of Motley and Pillager, and that portion of Morrison County not included in senate district 14 or 17.

Subd. 2. HOUSE DISTRICTS. Senate district 12 is divided into two house districts as follows:

(a) House district 12A consists of that portion of Crow Wing County consisting of the city of Brainerd, the city of Breezy Point, Center Township, the city of Crosby, the city of Crosslake, the city of Cuyuna, Dean Lake Township, the city of Emily,

Fairfield Township, the city of Fifty Lakes, Gail Lake Township, Ideal Township, Irondale Township, the city of Ironton, the city of Jenkins, Jenkins Township, Lake Edwards Township, Little Pine Township, the city of Manhattan Beach, Mission Township, the city of Nisswa, Oak Lawn Township, Pelican Township, the city of Pequot Lakes, Perry Lake Township, Rabbit Lake Township, Ross Lake Township, Sibley Township, Timothy Township, the city of Trommald, the unorganized territory of West Crow Wing, and Wolford Township.

(b) House district 12B consists of that portion of senate district 12 not included in house district 12A.

Sec. 14. {2.163} THIRTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 13 consists of all of Big Stone, Grant, Lac qui Parle, Stevens, Swift, and Traverse Counties, that portion of Chippewa County not included in senate district 15, that portion of Douglas County consisting of Holmes City Township, the city of Kensington, Solem Township, and Urness Township, and that portion of Pope County not included in senate district 10 or 14.

Subd. 2. HOUSE DISTRICTS. Senate district 13 is divided into two house districts as follows:

(a) House district 13A consists of all of Grant, Stevens, and Traverse Counties, that portion of Big Stone County consisting of the city of Barry, Browns Valley Township, the city of Graceville, Graceville Township, Malta Township, Moonshine Township, and Toqua Township, that portion of Douglas County contained in senate district 13, that portion of Pope County contained in senate district 13, and that portion of Swift County consisting of the city of Appleton, Appleton Township, the city of Danvers, Edison Township, Fairfield Township, Hegbert Township, the city of Holloway, Marysland Township, Moyer Township, Shible Township, Tara Township, and West Bank Township.

(b) House district 13B consists of that portion of senate district 13 not included in house district 13A.

Sec. 15. {2.173} FOURTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 14 consists of that portion of Benton County consisting of the cities of Rice and Sartell, that portion of Morrison County consisting of Bellevue Township, the city of Bowlus, the city of Elmdale, Elmdale Township, the city of Royalton, Swan River Township, Two Rivers Township, and the city of Upsala, that portion of Pope County consisting of Bangor Township, the city of Brooten, Lake Johanna Township, and the city of Sedan, and that portion of Stearns County not included in senate district 10, 11, 16, or 20.

Annotation: Chapter 246 assigned the Stearns County portion of Eden Valley to senate districts 14 and 20. Examination of the state map of Chapter 246, used in committee and during presentation of the bill in the house and senate, indicates an intent to place this area in senate district 20. Adding a reference to the portion of Stearns County in senate district 20 to the list of excluded areas in senate district 14 eliminates the double assignment and effectuates legislative intent.

Subd. 2. HOUSE DISTRICTS. Senate district 14 is divided into two house districts as follows:

(a) House district 14A consists of that portion of senate district 14 not included in house district 14B.

(b) House district 14B consists of that portion of Pope County contained in senate district 14, and that portion of Stearns County consisting of the city of Belgrade, the city of Brooten, the city of Cold Spring, Collegeville Township, Crow Lake Township, Crow River Township, Eden Lake Township, the city of Elrosa, Fair Haven Township, Farming Township, the city of Freeport, the city of Greenwald, Grove Township, the city of Kimball Prairie, Lake George Township, the city of Lake Henry, Lake Henry Township, Luxemburg Township, Lynden Township, Maine Prairie Township, the city of Meire Grove, the city of Melrose, the portion of Melrose Township surrounded by the city of Melrose, Munson Township, the city of New Munich, North Fork Township, Oak Township, the city of Paynesville,

Paynesville Township, the city of Richmond, the city of Rockville, Rockville Township, the city of Roscoe, the city of St. Martin, St. Martin Township, the city of Spring Hill, Spring Hill Township, Wakefield Township, and Zion Township.

Annotation: To ensure contiguity, the portions of Melrose Township surrounded by the city of Melrose had to be assigned to this district.

Sec. 16. {2.183} FIFTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 15 consists of all of Kandiyohi and Renville Counties, that portion of Chippewa County consisting of the city of Granite Falls, and Granite Falls Township, that portion of McLeod County consisting of Collins Township, Lynn Township, and the city of Stewart, that portion of Meeker County consisting of Acton Township, the city of Cedar Mills, Cedar Mills Township, the city of Cosmos, Cosmos Township, Danielson Township, Greenleaf Township, and the city of Grove City, and that portion of Yellow Medicine County consisting of the city of Granite Falls.

Subd. 2 HOUSE DISTRICTS. Senate district 15 is divided into two house districts as follows:

(a) House district 15A consists of that portion of Kandiyohi County consisting of Arctander Township, Burbank Township, Colfax Township, Dovre Township, Green Lake Township, Harrison Township, Irving Township, the city of Kandiyohi, Kandiyohi Township, Lake Andrew Township, Mamre Township, the city of New London, New London Township, Norway Lake Township, the city of Pennock, the city of Regal, Roseville Township, St. Johns Township, the city of Spicer, the city of Sunburg, the city of Willmar, and Willmar Township.

(b) House district 15B consists of that portion of senate district 15 not included in house district 15A.

Sec. 17. {2.193} SIXTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 16 consists of that portion of Stearns County consisting of St. Augusta Township,

the city of St. Cloud, St. Cloud Township, and the city of Waite Park, and that portion of Benton County consisting of the city of Sauk Rapids, except that portion of the city of Sauk Rapids surrounded by Sauk Rapids Township, the portions of Sauk Rapids Township surrounded by the city of Sauk Rapids, and the city of St. Cloud, except that portion of the city of St. Cloud lying east of a line described as follows: commencing at the intersection of the eastern boundary of the city of St. Cloud and State Highway 23, southwesterly along State Highway 23 to 14th Avenue Southeast, southerly along 14th Avenue Southeast to County Road 47, easterly along County Road 47 to the eastern boundary of the city of St. Cloud.

Annotation: To resolve any confusion over the eastern boundary of this senate district, County Road 47 replaces 2nd Street Southeast. This clarification does not alter the physical location of the district boundary.

Subd. 2. HOUSE DISTRICTS. Senate district 16 is divided into two house districts as follows:

(a) House district 16A consists of that portion of Benton County in senate district 16, and that portion of Stearns County consisting of that portion of the city of St. Cloud lying east and north of a line described as follows: commencing at the intersection of the northern boundary of the city of St. Cloud and the extension of 25th Avenue North, southerly along the extension of 25th Avenue North to the Sauk River, southerly and westerly along the Sauk River to an extension of 33rd Avenue North, southerly along the extension and 33rd Avenue North to 5th Street North, easterly along 5th Street North to 30th Avenue North, southerly along 30th Avenue North and 30th Avenue South to 1st Street South, easterly along 1st Street South to 25th Avenue South, northerly along 25th Avenue South and 25th Avenue North to 2nd Street North, easterly along 2nd Street North to Cooper Avenue North, southerly along Cooper Avenue North to West St. Germain

Street, northeasterly along West St. Germain Street to 15th Avenue South, southeasterly along 15th Avenue South to 7th Street South, easterly along 7th Street South to East Lake Boulevard South, northerly along East Lake Boulevard South to 5th Street South, easterly along 5th Street South to 4th Avenue South, southerly along 4th Avenue South to 10th Street South, easterly along 10th Street south to the Mississippi River.

(b) House district 16B consists of that portion of senate district 16 not included in house district 16A.

Annotation: Because 33rd Avenue North does not cross the Sauk River, an "extension" of 33rd Avenue North was needed to bridge the gap. This extension preserves the intent of Chapter 246 while conforming to the census boundaries.

We also clarified and altered slightly the house districts' boundary between West St. Germain Street and 5th Street South. The description in Chapter 246 did not conform to the census boundaries. The new description follows both the census and the Minnesota Department of Transportation (Mn/DOT) annotations and distributes population in compliance with the 2% deviation criterion.

Sec. 18. {2.203} SEVENTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 17 consists of Mille Lacs County, that portion of Benton County not included in senate district 14 or 16, that portion of Kanabec County not included in senate district 18, that portion of Sherburne County not included in senate district 19, and that portion of Morrison County consisting of: the city of Buckman, Buckman Township, the city of Genola, Granite Township, the city of Harding, the city of Hillman, Hillman Township, Lakin Township, the city of Lastrup, Leigh Township, Morrill Township, Mount Morris Township, Pierz Township, Pulaski Township, and Richardson Township.

Subd. 2. HOUSE DISTRICTS. Senate district 17 is divided into two house districts as follows:

(a) House district 17A consists of that portion of senate district 17 not included in house district 17B.

(b) House district 17B consists of those portions of Benton and Sherburne Counties located in senate district 17.

Sec. 19. {2.213} EIGHTEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 18 consists of all of Chisago County, all of Isanti County, that portion of Kanabec County consisting of the city of Braham, Brunswick Township, Grass Lake township, the city of Grasston, and South Fork Township, and that portion of Pine County consisting of the city of Pine City, Pine City Township, the city of Rock Creek, and Royalton Township.

Annotation: By failing to include the small, unpopulated portion of the city of Braham in Kanabec County in senate district 18, Chapter 246 left this in senate district 17, with which it is not contiguous. The only reasonable correction of this defect is assigning this portion of Braham to senate district 18, which contains the rest of the city.

Subd. 2. HOUSE DISTRICTS. Senate district 18 is divided into two house districts as follows:

(a) House district 18A consists of all of Isanti County, that portion of Chisago County consisting of Lent Township and the city of Stacy, that portion of Kanabec County contained in senate district 18, and that portion of Pine County consisting of Royalton Township.

(b) House district 18B consists of that portion of senate district 18 not included in house district 18A.

Sec. 20. {2.223} NINETEENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 19 consists of that portion of Sherburne County consisting of the city of Becker, Becker Township, the city of Big Lake, Big Lake Township, the city of Clear Lake, Clear Lake Township, and the city of Elk River, and that portion of Wright County consisting of the city of

Albertville, the city of Annandale, the city of Buffalo, Buffalo Township, Chatham Township, the city of Clearwater, Clearwater Township, Corinna Township, Frankfort Township, the city of Maple Lake, Maple Lake Township, the city of Monticello, Monticello Township, Otsego Township, the city of St. Michael, and Silver Creek Township.

Subd. 2. HOUSE DISTRICTS. Senate district 19 is divided into two house districts as follows:

(a) House district 19A consists of that portion of senate district 19 not included in house district 19B.

(b) House district 19B consists of that portion of Sherburne County consisting of the city of Elk River, and that portion of Wright County consisting of the city of Albertville, the city of Buffalo, Buffalo Township, Frankfort Township, Otsego Township, and the city of St. Michael.

Annotation: The legislature's proposed plan moved Chatham Township from house district 19A to house district 19B. Although such a change would improve the population deviation of 19B from 2.00% to -1.43%, the district as constructed in Chapter 246 is unambiguous and constitutionally sound. No change is warranted.

Sec. 21. {2.233} TWENTIETH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 20 consists of that portion of Carver County consisting of the city of Hamburg, Hollywood Township, the city of Norwood, the city of Watertown, Watertown Township, the city of Young America, and Young America Township, that portion of McLeod County not included in senate district 15 or 23, that portion of Meeker County not included in senate district 15, that portion of Stearns County consisting of the city of Eden Valley, and that portion of Wright County not included in senate district 19, 33, or 34.

Annotation: Chapter 246 included in senate district 20 the portion of Wright County not included in senate districts 19 or 34.

This placed a small segment of the city of Dayton in senate district 20, with which it is not contiguous. The contiguity problem is eliminated by placing this portion of Dayton in senate district 33, which contains the rest of the city, and limiting the portion of Wright County to be included in senate district 20 to that not contained in senate district 19, 33, or 34.

Subd. 2. HOUSE DISTRICTS. Senate district 20 is divided into two house districts as follows:

(a) House district 20A consists of that portion of senate district 20 not included in house district 20B.

(b) House district 20B consists of that portion of Carver County included in senate district 20, that portion of McLeod County consisting of Bergen Township, Hale Township, Helen Township, the city of Lester Prairie, the city of Plato, Rich Valley Township, the city of Silver Lake, the city of Winsted, and Winsted Township, and that portion of Wright County consisting of Albion Township, the city of Cokato, Cokato Township, French Lake Township, the city of Howard Lake, Marysville Township, Middleville Township, the city of Montrose, the city of South Haven, Southside Township, Victor Township, the city of Waverly, and Woodland Township.

Sec. 22. {2.243} TWENTY-FIRST DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 21 consists of all of Lincoln, Pipestone, and Rock Counties, all of Lyon County except that included in senate district 22, all of Yellow Medicine County excluding the city of Granite Falls, that portion of Murray County consisting of Cameron Township, Chanarambie Township, the city of Chandler, Ellsborough Township, the city of Lake Wilson, and Moulton Township, that portion of Nobles County consisting of the city of Adrian, the city of Ellsworth, Grand Prairie Township, Leota Township, the city of Lismore, Lismore Township, and Westside Township, and that portion of Redwood County consisting of Gales Township, Granite Rock Township, Johnsonville Township, the city of Lucan, the city of Milroy, the city of Seaforth, Sheridan Township,

Underwood Township, Vail Township, the city of Vesta, Vesta Township, the city of Wabasso, Waterbury Township, and Westline Township.

Subd. 2. HOUSE DISTRICTS. Senate district 21 is divided into two house districts as follows:

(a) House district 21A consists of that portion of senate district 21 not included in house district 21B.

(b) House district 21B consists of all of Lincoln, Pipestone, and Rock Counties, that portion of Lyon County consisting of Coon Creek Township, the city of Florence, Island Lake Township, Nordland Township, and Shelburne Township, and those portions of Murray and Nobles Counties contained in senate district 21.

Sec. 23. {2.253} TWENTY-SECOND DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 22 consists of all of Cottonwood and Jackson Counties, that portion of Brown County consisting of Albin Township, Bashaw Township, the city of Comfrey, Mulligan Township, and Stately Township, that portion of Lyon County consisting of the city of Balaton, Custer Township, the city of Garvin, Monroe Township, Rock Lake Township, and the city of Tracy, that portion of Martin County consisting of Cedar Township, the city of Ceylon, the city of Dunnell, Elm Creek Township, Fox Lake Township, Galena Township, Jay Township, Lake Belt Township, Lake Fremont Township, Manyaska Township, the city of Ormsby, the city of Sherburn, the city of Trimont, and the city of Welcome, that portion of Murray County not included in senate district 21, that portion of Nobles County not included in senate district 21, that portion of Redwood County consisting of the city of Lamberton, Lamberton Township, North Hero Township, the city of Revere, Springdale Township, and the city of Walnut Grove, and that portion of Watonwan County consisting of Adrian Township, the city of Butterfield, Butterfield Township, the city of Darfur, Long Lake Township, Nelson Township, the city of Odin, Odin Township, the city of Ormsby, and St. James Township.

Subd. 2. HOUSE DISTRICTS. Senate district 22 is divided into two house districts as follows:

(a) House district 22A consists of that portion of Cottonwood County consisting of Ann Township, Rose Hill Township, Southbrook Township, the city of Westbrook, and Westbrook Township, that portion of Jackson County consisting of Alba Township, Ewington Township, and La Crosse Township, that portion of Lyon County included in senate district 22, that portion of Murray County included in senate district 22, that portion of Nobles County included in senate district 22, and that portion of Redwood County consisting of North Hero Township, the city of Revere, Springdale Township, and the city of Walnut Grove.

(b) House district 22B consists of that portion of senate district 22 not included in house district 22A.

Sec. 24. {2.263} TWENTY-THIRD DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 23 consists of that portion of Blue Earth County consisting of Butternut Valley Township, Cambria Township, and Judson Township, that portion of Brown County consisting of Burnstown Township, the city of Cobden, Cottonwood Township, Eden Township, the city of Evan, the city of Hanska, Home Township, Lake Hanska Township, Leavenworth Township, Linden Township, Milford Township, the city of New Ulm, North Star Township, Prairieville Township, Sigel Township, the city of Sleepy Eye, the city of Springfield, and Stark Township, that portion of McLeod County consisting of the city of Brownton, the city of Glencoe, Glencoe Township, Penn Township, Round Grove Township, and Sumter Township, that portion of Nicollet County not included in senate district 24, that portion of Redwood County not included in senate district 21 or 22, and all of Sibley County except for Faxon Township.

Subd. 2. HOUSE DISTRICTS. Senate district 23 is divided into two house districts as follows:

(a) House district 23A consists of that portion of Brown County consisting of Burnstown Township, the city of Cobden, Eden Township, the city of Evan, Home Township, Milford Township, the city of New Ulm, North Star Township, Prairieville Township, the

city of Sleepy Eye, and the city of Springfield, and that portion of Redwood County included in senate district 23.

(b) House district 23B consists of that portion of senate district 23 not included in house district 23A.

Sec. 25. {2.273} TWENTY-FOURTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 24 consists of that portion of Blue Earth County consisting of Lime Township, the city of Mankato, Mankato Township, the city of North Mankato, the city of Skyline, and South Bend Township, that portion of Le_Sueur County consisting of the city of Cleveland, Cleveland Township, the city of Kasota, Kasota Township, the city of Le_Sueur, Ottawa Township, and Washington Township, that portion of Nicollet County consisting of Belgrade Township, the city of Mankato, the city of North Mankato, Oshawa Township, the city of St. Peter, and Traverse Township.

Annotation: Although Chapter 246 placed the Nicollet County portion of the city of North Mankato in senate district 24, it failed to include the small portion of the city located in Blue Earth County in this district, leaving the area instead in senate district 26, with which it is not contiguous. We corrected the noncontiguity problem in senate district 26 by placing the entire city of North Mankato in senate district 24.

Subd. 2. HOUSE DISTRICTS. Senate district 24 is divided into two house districts as follows:

(a) House district 24A consists of that portion of Nicollet County consisting of the city of Mankato, and that portion of Blue Earth County consisting of that portion of the city of Mankato south of U.S. Highway 14, less those portions of the city of Mankato surrounded by Mankato Township, plus those portions of Mankato Township surrounded by the city of Mankato, the city of Skyline, and South Bend Township.

(b) House district 24B consists of that portion of senate district 24 not included in house district 24A.

Annotation : Chapter 246 did not account for the portions of Mankato that are surrounded by Mankato Township and the portions of Mankato Township that are surrounded by Mankato; consequently, house districts 24A and 24B both contained noncontiguous portions. To correct these defects, we excluded from house district 24A the surrounded portions of Mankato and included the surrounded portions of Mankato Township. To offset the resulting population increase and minimize the population deviation in house district 24A, we excluded the portion of Mankato north of Highway 12 from the district, which brought both house districts within the population criterion.

Sec. 26. {2.283} TWENTY-FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 25 consists of all of Rice County, that portion of Dakota County consisting of the city of Northfield, that portion of Scott County consisting of the city of New Prague, that portion of Le_Sueur County not included in senate district 24 or 35, and that portion of Waseca County consisting of the city of Elysian.

Annotation: Chapter 246 includes most of the city of Elysian, the portion located in Le Sueur County, in senate district 25. However, a tiny segment of the city located in Waseca County was not included in senate district 25, but instead fell into senate district 26 and, in particular, into house district 26A, with which it is not contiguous. To correct the noncontiguity problem and to avoid splitting the city of Elysian unnecessarily, this portion of Waseca County is included in senate district 25.

Subd. 2. HOUSE DISTRICTS. Senate district 25 is divided into two house districts as follows:

(a) House district 25A consists of those portions of Dakota and Scott Counties included in senate district 25, that portion of Le_Sueur County consisting of the city of Heidelberg, Lanesburgh Township, the city of Le Center, Lexington Township, the city of

Montgomery, Montgomery Township, and the city of New Prague, and that portion of Rice County consisting of Bridgewater Township, the city of Dundas, Forest Township, the city of Lonsdale, the city of Northfield, Webster Township, and Wheatland Township.

(b) House district 25B consists of that portion of senate district 25 not included in house district 25A.

Sec. 27. {2.293} TWENTY-SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 26 consists of all of Faribault County, that portion of Blue Earth County not included in senate district 23 or 24, that portion of Martin County not included in senate district 22, that portion of Waseca County not included in senate district 25 or 28, and that portion of Watonwan County not included in senate district 22.

Annotation: Including the reference to senate district 25 prevents a double assignment of the city of Elysian, and places the entire city in that district.

Subd. 2. HOUSE DISTRICTS. Senate district 26 is divided into two house districts as follows:

(a) House district 26A consists of that portion of senate district 26 not included in house district 26B.

(b) House district 26B consists of all of Faribault County, that portion of Blue Earth County consisting of Beauford Township, Danville Township, Decoria Township, the city of Eagle Lake, the city of Good Thunder, Jamestown Township, Le Ray Township, Lyra Township, McPherson Township, the city of Madison Lake, the city of Mapleton, Mapleton Township, Medo Township, the city of Pemberton, the city of St. Clair, and Sterling Township, and that portion of Waseca County consisting of Alton Township, Byron Township, Freedom Township, the city of Janesville, Janesville Township, the city of New Richland, New Richland Township, Vivian Township, the city of Waldorf, and Wilton Township.

Sec. 28. {2.303} TWENTY-SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 27 consists of all of Freeborn County, and that portion of Mower County not included in senate district 31.

Subd. 2. HOUSE DISTRICTS. Senate district 27 is divided into two house districts as follows:

(a) House district 27A consists of all of Freeborn County.

(b) House district 27B consists of that portion of senate district 27 not included in house district 27A.

Sec. 29. {2.313} TWENTY-EIGHTH DISTRICT.

Subd. 1. SENATE DISTRICT. Senate district 28 consists of all of Steele County, all of Dodge County except Vernon Township, that portion of Goodhue County consisting of Cherry Grove Township, Holden Township, Kenyon Township, the city of Kenyon, Roscoe Township, Wanamingo Township, and the city of Wanamingo, that portion of Olmsted County consisting of the city of Byron and Kalmar Township, and that portion of Waseca County consisting of Blooming Grove Township, Iosco Township, Otisco Township, St. Mary Township, the city of Waseca, and Woodville Township.

Subd. 2 HOUSE DISTRICTS. Senate district 28 is divided into two house districts as follows:

(a) House district 28A consists of that portion of Steele County consisting of Clinton Falls Township, Deerfield Township, Meriden Township, Owatonna Township, and the city of Owatonna, and that portion of Waseca County consisting of Blooming Grove Township, Iosco Township, St. Mary Township, the city of Waseca, and Woodville Township.

(b) House district 28B consists of that portion of senate district 28 not included in house district 28A.

Sec. 30. {2.323} TWENTY-NINTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 29 consists of all of Wabasha County, that portion of Dakota County consisting of the city of Hastings, the portion of Marshan Township surrounded by the city of Hastings, and Ravenna Township, and that portion of Goodhue County not included in senate district 28 or 37.

Annotation: Hastings surrounds a portion of Marshan Township, but Chapter 246 did not include the surrounded area with Hastings in senate district 29. Instead, the area fell with the remaining, leftover portions of Dakota County into senate district 37, with which it is not contiguous. This noncontiguity is eliminated by adding the surrounded portion of the township to senate district 29.

Subd. 2. HOUSE DISTRICTS. Senate district 29 is divided into two house districts as follows:

(a) House district 29A consists of that portion of Dakota County consisting of the city of Hastings, the portion of Marshan Township surrounded by the city of Hastings, and Ravenna Township, and that portion of Goodhue County consisting of the city of Red Wing, and Welch Township.

Annotation: Adding the section of Marshan Township into house district 29A preserves the house districts' contiguity.

(b) House district 29B consists of that portion of senate district 29 not included in house district 29A.

Sec. 31. {2.333} THIRTIETH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 30 includes that portion of Olmsted County consisting of Cascade Township, Marion Township, Rochester Township, and the city of Rochester lying within a line described as follows: commencing at the intersection of Country Club Road Northwest with the Rochester Township boundary and the boundary of the city of Rochester, easterly along Country Club Road Northwest to County Road 122, southerly along County Road 122 to Historic Drive Southwest, southeasterly along Historic Drive Southwest to County Road 122, southerly along County Road 122 to Salem Road Southwest, southeasterly and northeasterly along Salem Road Southwest to 17th Avenue Southwest, southerly along 17th Avenue Southwest to 16th Street Southwest, easterly along 16th Street Southwest to 11th

Avenue Southeast, southerly along 11th Avenue Southeast to Pinewood Road Southeast, easterly along Pinewood Road Southeast to the eastern boundary of the city of Rochester, northerly and easterly along the boundary of the city of Rochester to the intersection of the boundary of the city of Rochester and Marion Street, southeasterly along Marion Street to the boundary of the city of Rochester, southeasterly, northerly, easterly, northerly, and westerly along the boundary of the city of Rochester to the intersection of the boundary of the city of Rochester and Sunrise Avenue Southeast, northerly along Sunrise Avenue Southeast to Rose Drive Southeast, northeasterly along Rose Drive Southeast to Harbor Drive Southeast, southeasterly, easterly, and northerly along Harbor Drive Southeast to the boundary of the city of Rochester, easterly along the boundary of the city of Rochester and Eastwood Road Southeast to 40th Avenue Southeast, northerly along 40th Avenue Southeast to the boundary of the city of Rochester, easterly, northerly, westerly, northerly, westerly, southerly, westerly, northerly, westerly, northerly along the boundary of the city of Rochester to the intersection of West River Road, northerly along West River Road to the boundary of the city of Rochester, northerly and westerly along the boundary of the city of Rochester to 55th Street Northwest, westerly along 55th Street Northwest to the boundary of the city of Rochester, northerly, westerly, southerly, and westerly along the boundary of the city of Rochester to 55th Street Northwest, westerly along 55th Street Northwest to the boundary of the city of Rochester, northerly, westerly, and southerly along the boundary of the city of Rochester to 55th Avenue Northwest, westerly along 55th Avenue Northwest to the boundary of the city of Rochester, northwesterly along the boundary to 50th Avenue Northwest, southerly along 50th Avenue Northwest to Valley High Road Northwest, easterly along Valley High Road Northwest to the western boundary of the city of Rochester, southeasterly, westerly, and southerly to 19th Street Northwest, westerly along 19th Street Northwest to the boundary of the city of

Rochester, southerly, westerly, southerly, easterly, and southerly along the boundary to the point of origin.

Annotation: As constructed in Chapter 246, senate district 30 contained the entire city of Rochester and nothing else. The population of Rochester exceeds the ideal by 5,445 people or 8.34%. If left uncorrected, the district would contribute to a total maximum deviation in excess of the 10% margin typically tolerated in legislatively drawn redistricting plans. Rochester also surrounds portions of the neighboring townships. By failing to include these portions in the same district as the city, Chapter 246 also created two noncontiguous districts, senate district 31 and house district 31A.

Both plans submitted adequately resolved the problems in senate districts 30 and 31 and house districts 30A, 30B, 31A, and 31B. With slight modification, the plaintiff-intervenors' proposed districts 30, 30A, and 30B combined with the defendant-intervenors' proposed districts 31 and 31A provide the most compact districts and create the lowest overall population deviations. The revised senate district 30 incorporates these changes.

Subd. 2. HOUSE DISTRICTS. Senate district 30 is divided into two house districts as follows:

(a) House district 30A consists of that portion of senate district 30 not included in house district 30B.

(b) House district 30B consists of that portion of senate district 30 lying south and east of a line described as follows: commencing at the intersection of County Road 122 and Country Club Road Northwest, easterly along Country Club Road Northwest to 2nd Street Southwest, easterly along 2nd Street Southwest to the boundary of the city of Rochester, northerly, easterly, and southerly along the boundary of the city of Rochester to 2nd Street Southwest, easterly to the extension of 20th Avenue Southwest, northerly along the extension of 20th Avenue Southwest and 20th Avenue Southwest to the boundary of the city of Rochester, then

easterly, southerly, and easterly along the boundary of the city of Rochester to 2nd Street Northwest, easterly along 2nd Street Northwest to 18th Avenue Northwest, northerly along 18th Avenue Northwest and its extension to U.S. Highway 52, northerly along U.S. Highway 52 to 7th Street Northwest, easterly along 7th Street Northwest to 1st Avenue Northeast, northerly along 1st Avenue Northeast to West Silver Lake Road, northwesterly along West Silver Lake Road to North Broadway Avenue, northeasterly along North Broadway Avenue to 14th Street Northeast, southeasterly along 14th Street Northeast to 3rd Avenue Northeast, northerly along 3rd Avenue Northeast to North Broadway Avenue, northeasterly along North Broadway Avenue to Northern Heights Drive Northeast, southeasterly along Northern Heights Drive Northeast to 13th Avenue Northeast, northerly along 13th Avenue Northeast and its extension to the northern boundary of Cascade Township within senate district 30, easterly along the northern boundary of Cascade Township to the eastern boundary of senate district 30.

Annotation: The changes required in senate district 30 also necessitated the drawing of a new boundary between house districts 30A and 30B. The boundary proposed by the plaintiff-intervenors creates districts containing comparably low, population deviations and was, therefore, adopted.

Sec. 32. {2.343} THIRTY-FIRST DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 31 consists of that portion of Dodge County consisting of Vernon Township, that portion of Fillmore County not included in senate district 32, that portion of Mower County consisting of Bennington Township, Clayton Township, Frankford Township, the city of Grand Meadow, Grand Meadow Township, the city of Le Roy, Le Roy Township, Lodi Township, Pleasant Valley Township, the city of Racine, Racine Township, the city of Sargeant, Sargeant Township, and the city of Taopi, that portion of Olmsted County not included in senate district 28 or 30, and that portion of Winona County consisting of

the city of St. Charles, St. Charles Township, and Saratoga Township.

Subd. 2. HOUSE DISTRICTS. Senate district 31 is divided into two house districts as follows:

(a) House district 31A consists of that portion of senate district 31 not included in house district 31B.

(b) House district 31B consists of those portions of Fillmore, Mower, and Winona Counties in senate district 31, and that portion of Olmsted County consisting of the city of Chatfield, the city of Dover, Dover Township, Elmira Township, the city of Eyota, Eyota Township, Orion Township, Quincy Township, and Viola Township.

Sec. 33. {2.353} THIRTY-SECOND DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 32 consists of all of Houston County, that portion of Fillmore County consisting of Norway Township, the city of Peterson, the city of Rushford, and the city of Rushford Village, and that portion of Winona County not included in senate district 31.

Subd. 2. HOUSE DISTRICTS. Senate district 32 is divided into two house districts as follows:

(a) House district 32A consists of that portion of Winona County consisting of the city of Elba, Elba Township, the city of Goodview, the city of Minneiska City, the city of Minnesota City, Mount Vernon Township, the city of Rollingstone, Rollingstone Township, Whitewater Township, the city of Winona, and Winona Township.

(b) House district 32B consists of that portion of senate district 32 not included in house district 32A.

Sec. 34. {2.363} THIRTY-THIRD DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 33 consists of that portion of Hennepin County consisting of Rogers, Corcoran, Hassan, Dayton, and Maple Grove, that portion of the city of Champlin not included in senate district 48, and that portion of the city of Plymouth lying east and north of the line described as follows: commencing at the intersection of the northern boundary

of the city of Plymouth and Interstate Highway 494, southerly along Interstate Highway 494 to County Road 47 easterly along County Road 47 to Pineview Lane North, southerly along Pineview Lane North to the Soo Line railroad tracks, easterly along the Soo Line railroad tracks to Larch Lane North, southerly along Larch Lane North to Rockford Road, easterly along Rockford Road to Zachary Lane North, southerly along Zachary Lane North to 36th Avenue North, easterly along 36th Avenue North to the eastern boundary of the city of Plymouth, and that portion of Wright County consisting of the city of Dayton.

Annotation: To avoid possible confusion and to incorporate the nomenclature currently used to denote the various types of highways, County Road 47 replaces Highway 47. The Wright County portion of Dayton that would otherwise be a noncontiguous part of senate district 20 is specifically included in this district.

Subd. 2. HOUSE DISTRICTS. Senate district 33 is divided into two house districts as follows:

(a) House district 33A consists of that portion of senate district 33 not included in house district 33B.

(b) House district 33B consists of that portion of the city of Plymouth in senate district 33 and that portion of the city of Maple Grove lying south and east of a line described as follows: commencing at the intersection of the eastern boundary of the city of Maple Grove with 101st Avenue North, westerly along 101st Avenue North to Zachary Lane, southerly along Zachary Lane to the NSP power line south of 97th Avenue North, westerly along the NSP power line to the extension of Xenium Lane, southerly along the extension of Xenium Lane and Xenium Lane to County Road 30, westerly along County Road 30 to Interstate Highway 94, southerly along Interstate Highway 94 to 85th Avenue North, westerly along 85th Avenue North to the creek north of Fish Lake, southerly along the creek to Fish Lake, southerly along the western shore of Fish Lake to Sunnyslope Lane, southerly along Sunnyslope Lane to Timbercrest Drive,

easterly along Timbercrest Drive to Zinnia, northerly along Zinnia to 73rd Avenue North, easterly along 73rd Avenue North and its extension to Interstate Highway 494, southerly along Interstate Highway 494 to the southern boundary of the city of Maple Grove.

Annotation: The portion of Maple Grove to be included in house district 33B should begin at the boundary of Maple Grove not Plymouth, as Chapter 246 mistakenly provides. Along the same boundary, Chapter 246 refers to 97th Street North and its extension; to conform with the census block data, the line must follow the NSP power line easterly to the Xenium Lane extension. Finally, the extensions near Fish Lake and Interstate Highway 494 are required to conform the boundary to Mn/DOT and census maps. These extensions do not alter the basic contour of the Chapter 246 boundary.

Sec. 35. {2.373} THIRTY-FOURTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 34 consists of that portion of Hennepin County not included in any other senate district, and that portion of Wright County consisting of the city of Delano, Franklin Township, the city of Hanover, the city of Rockford, and Rockford Township.

Annotation: Chapter 246 placed the Hennepin County portion of Hanover in senate district 34. It did not so include the Wright County portion of the city, leaving this section of Hanover with all remaining, leftover portions of Wright County in senate district 20, with which it is not contiguous. Because half of the city was already contained in senate district 34, and the entire city is surrounded by area assigned to this district, we modified Chapter 246 to include this portion of Wright County in senate district 34.

Subd. 2. HOUSE DISTRICTS. Senate district 34 is divided into two house districts as follows:

(a) House district 34A consists of the portion of Wright County included in senate district 34 and that portion of Hennepin County consisting of the city of Hanover, the city of Greenfield, the city of Independence, the city of Minnetrista, the city of Mound, the city of Rockford, the city of Spring Park, and the city of St. Bonifacius.

(b) House district 34B consists of that portion of senate district 34 not included in house district 34A.

Annotation: Chapter 246 did not include the city of Rockford or the portions of Wright County contained in senate district 34 in house district 34A, leaving these areas as noncontiguous portions of house district 34B and creating large population deviations. The corrections resolve these constitutional defects and create districts that mirror those illustrated in the legislature's metro area map of Chapter 246.

Sec. 36. {2.383} THIRTY-FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 35 consists of that portion of Carver County not included in senate district 20 or 43, that portion of Le_Sueur County consisting of Derrynane Township, Sharon Township, and Tyrone Township, that portion of Scott County not included in senate district 25, 37, or 41, and that portion of Sibley County consisting of Faxon Township.

Annotation: A reference to senate district 25 was added to eliminate the double assignment of the Scott County portion of New Prague. Placing this section of the city in senate district 25 not only prevents an unnecessary splitting of the city but also minimizes population deviations that would otherwise exceed constitutional limits.

Subd. 2. HOUSE DISTRICTS. Senate district 35 is divided into two house districts as follows:

(a) House district 35A consists of that portion of senate district 35 not included in house district 35B.

(b) House District 35B consists of that portion of Scott County consisting of Jackson Township, the city of Jordan, Louisville Township, the city of Prior Lake Sandcreek Township, the city of Shakopee, and Spring Lake Township.

Sec. 37. {2.393} THIRTY-SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 36 consists of that portion of Dakota County consisting of that portion of the city of Burnsville lying south of a line described as follows: commencing at the intersection of the western boundary of Dakota County and County Road 42, easterly along County Road 42 to Burnsville Parkway, northeasterly along Burnsville Parkway to West 136th Street, easterly along West 136th Street to County Road 5, southerly along County Road 5 to West 138th Street, southeasterly along West 138th Street and James Avenue to 140th Street, easterly along 140th Street to McAndrews Road, easterly along McAndrews Road to Nicollet Avenue, northerly along Nicollet Avenue to State Highway 13, northeasterly along State Highway 13 to Cliff Road, easterly along Cliff Road to the eastern boundary of the city of Burnsville, that portion of the city of Apple Valley lying south of a line described as follows: commencing at the intersection of the northern boundary of the city of Apple Valley with State Highway 77, southerly and then easterly along State Highway 77 to Johnny Cake Ridge Road, northerly along Johnny Cake Ridge Road to the extension of Eveleth Path, easterly and northeasterly along Eveleth Path and its extension to 126th Street West, easterly and southeasterly along 126th Street West and Diamond Path to the eastern boundary of the city of Apple Valley, and that portion of the city of Lakeville north and east of a line described as follows: commencing at the intersection of the northern boundary of the city of Lakeville and Flagstaff Avenue, southerly along Flagstaff Avenue to Dodd Boulevard, northeasterly along Dodd Boulevard to the northern boundary of the city of Lakeville.

Annotation: Chapter 246 omitted a reference to James Avenue, into which West 138th Street turns before intersecting with 140th Street. The law also erroneously described the direction to be taken along 140th Street to McAndrews Road as "southwesterly." The necessary changes have been made.

Subd. 2. HOUSE DISTRICTS. Senate district 36 is divided into two house districts as follows:

(a) House district 36A consists of those portions of the cities of Apple Valley and Lakeville contained in senate district 36.

(b) House district 36B consists of that portion of senate district 36 not included in house district 36A.

Sec. 38. {2.403} THIRTY-SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 37 consists of that portion of Scott County consisting of Credit River Township, Cedar Lake Township, New Market Township, the city of New Market, and the city of Elko, that portion of Dakota County not included in senate district 25, 29, 36, 38, 39, or 41, and that portion of Goodhue County consisting of Cannon Falls Township, Leon Township, Stanton Township, and Warsaw Township, and the cities of Cannon Falls and Dennison.

Annotation: Chapter 246 assigned to senate district 37 the portions of Dakota County not included in senate districts 25, 29, 36, 38, or 39. However, because senate district 41 was assigned a portion of Burnsville, which is also in Dakota County, this part of the city ends up in both districts. The legislature's intent to divide Burnsville among senate districts 36, 38, and 41 appears clear from a reading of the description of those districts. The double assignment problem is corrected simply by adding the reference to senate district 41.

Subd. 2. HOUSE DISTRICTS. Senate district 37 is divided into two house districts as follows:

(a) House district 37A consists of that portion of house district 37 not included in house district 37B.

(b) House district 37B consists of that portion of senate district 37 consisting of that portion of Scott County located in senate district 37 and that portion of Dakota County consisting of that portion of the city of Lakeville included in senate district 37 and that portion of the city of Farmington lying north of a line described as follows: commencing at the intersection of the eastern boundary of the city of Farmington and the north branch of the Vermillion River, southwesterly along the north branch of the Vermillion River to Akin Road, northwesterly along Akin Road to 195th Street West, westerly along 195th Street West to Flagstaff Avenue, southerly along Flagstaff Avenue to 200th Street West, westerly along 200th Street West to the western boundary of the city of Farmington.

Annotation: Although unambiguous, the house district boundary drawn in Chapter 246 splits a populated census block by taking an extension of the boundary of Farmington westerly to Akin Road. To conform the boundary with the census information, it has been shifted slightly to the Vermillion River. The relatively minor change permits accurate calculation of each district's population.

Sec. 39. {2.413} THIRTY-EIGHTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 38 consists of that portion of Dakota County consisting of the cities of Eagan, Lilydale, and Mendota, that portion of the city of Apple Valley not included in senate district 36, that portion of the city of Burnsville north and east of a line described as follows: commencing at the intersection of the northern boundary of Dakota County and Interstate Highway 35W, southerly along Interstate Highway 35W to the Chicago Northwestern Transportation Company railroad tracks, easterly along the Chicago and Northwestern Transportation Company railroad tracks to Cliff Road, southerly and easterly along Cliff Road to Nicollet Avenue, southerly along

Nicollet Avenue to State Highway 13, northeasterly along State Highway 13 to Cliff Road, easterly along Cliff Road to the eastern boundary of the city of Burnsville, and that portion of the city of Mendota Heights lying west and south of a line described as follows: commencing at the intersection of the northern boundary of the city of Mendota Heights and State Highway 13, southwesterly along State Highway 13 to Wachtler Avenue, southerly along Wachtler Avenue to Wentworth Avenue, easterly along Wentworth Avenue to Dodd Road, southwesterly along Dodd Road to Marie Avenue, easterly along Marie Avenue to the eastern boundary of the city of Mendota Heights.

Subd. 2. HOUSE DISTRICTS. Senate district 38 is divided into two house districts as follows:

(a) House district 38A consists of that portion of senate district 38 not included in house district 38B.

(b) House district 38B consists of that portion of the city of Apple Valley in senate district 38, that portion of the city of Burnsville east of a line described as follows: Commencing at the intersection of State Highway 13 and the eastern boundary of the city of Burnsville, southwesterly along State Highway 13 to Cliff Road, easterly along Cliff Road to the eastern boundary of the city of Burnsville, and that portion of the city of Eagan lying south of a line described as follows: commencing at the intersection of the western boundary of the city of Eagan and Diffley Road, easterly along Diffley Road to Lexington Avenue, northerly along Lexington Avenue to Yankee Doodle Road, easterly along Yankee Doodle Road to Dodd Road, southeasterly along Dodd Road to the eastern boundary of the city of Eagan.

Annotation: The Soo Line railroad tracks are parallel to Dodd Road. Because the census information uses only Dodd Road as a block boundary, however, substituting Dodd Road enables accurate calculation of the district populations.

Sec. 40. {2.423} THIRTY-NINTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 39 consists of that portion of Dakota County consisting of the cities of Inver Grove Heights, South St. Paul, Sunfish Lake, West St. Paul, and that portion of the city of Mendota Heights not included in senate district 38.

Subd. 2. HOUSE DISTRICTS. Senate district 39 is divided into two house districts as follows:

(a) House district 39A consists of that portion of senate district 39 consisting of the cities of West St. Paul and Sunfish Lake, that portion of the city of Mendota Heights included in senate district 39, that portion of the city of South St. Paul lying north and west of a line described as follows: commencing at the intersection of the southern boundary of the city of South St. Paul and 18th Avenue South, northerly along 18th Avenue South to Southview Boulevard, easterly along Southview Boulevard to 17th Avenue South, northerly along 17th Avenue South to 4th Street North, easterly along 4th Street North to 14th Avenue North, northerly along 14th Avenue North to Wentworth Avenue, easterly along Wentworth Avenue and its extension to the Mississippi River, and that portion of the city of Inver Grove Heights lying west and north of a line described as follows: commencing at the intersection of the northern boundary of the city of Inver Grove Heights and Babcock Trail, southerly along Babcock Trail to Upper 55th Street, westerly along Upper 55th Street to the western boundary of the city of Inver Grove Heights.

(b) House district 39B consists of that portion of Senate district 39 not included in house district 39A.

Sec. 41. {2.433} FORTIETH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 40 consists of that portion of the city of Bloomington not included in senate district 41, and that portion of the city of Richfield not included in senate district 63.

Subd. 2. HOUSE DISTRICTS. Senate district 40 is divided into two house districts as follows:

(a) House district 40A consists of that portion of senate district 40 lying north and east of a line described as follows: commencing at the intersection of the northern boundary of the city of Bloomington and Xerxes Avenue, easterly along the northern boundary of the city of Bloomington to Interstate Highway 35W, southerly along Interstate Highway 35W to the Soo Line railroad tracks, northeasterly along the Soo Line railroad tracks to Lyndale Avenue South, southerly along Lyndale Avenue South to 95th Street, easterly along 95th Street to 3rd Avenue South, northerly along 3rd Avenue South to East 95th Street, easterly along East 95th Street to Clinton Avenue South, southerly along Clinton Avenue South to East 96th Street, easterly along 96th Street to Chicago Avenue South, northerly along Chicago Avenue South to 94th Street, easterly along 94th Street to Riverview Avenue, southerly along Riverview Avenue to Old Shakopee Road, northeasterly along Old Shakopee Road to Old Cedar Avenue, southeasterly along Old Cedar Avenue to the Minnesota River.

(b) House district 40B consists of that portion of senate district 40 not included in house district 40A.

Annotation: The house districts' boundary in Chapter 246 contained a few ambiguous gaps which needed to be filled. The reference to Lyndale Avenue South connects the Soo Line railroad tracks with 95th Street. A slight shift was also necessary because 95th Street does not intersect with Chicago Avenue South. Because both house districts contain fewer people than an ideal district, too large a change could have caused one or the other to exceed the 2% maximum deviation adopted for court-modified districts. The least obtrusive shift possible, is moving the boundary south along Clinton Avenue South to 96th Street. The modified line equalizes the population deviations of the districts, both of which are approximately 1% below the ideal.

To clarify that the senate district 40 portion of Richfield is contained in house district 40A, the starting point of the boundary was also moved to the western corner of Richfield and assigned the

portion of senate district 40 lying north of the boundary in house district 40A.

Sec. 42. {2.443} FORTY-FIRST DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 41 consists of that portion of Dakota County consisting of that portion of the city of Burnsville not included in senate district 36 or 38, that portion of Scott County consisting of the city of Savage and the area lying within a line described as follows: commencing at the intersection of County Road 18 and the eastern boundary of the city of Shakopee, southwesterly along County Road 18 to State Highway 101, southeasterly along State Highway 101 to the eastern boundary of the city of Shakopee, and that portion of Hennepin County consisting of that portion of the city of Bloomington lying west of a line described as follows: commencing at the intersection of the southern boundary of the city of Bloomington with an extension of Irwin Avenue, northerly along the extension and Irwin Avenue to Overlook Drive, west on Overlook Drive to Normandale Boulevard, north on Normandale Boulevard to Old Shakopee Road, easterly along Old Shakopee Road to Kell Avenue, southerly along Kell Avenue to 108th Street, easterly along 108th Street to Xerxes Avenue South, northerly along Xerxes Avenue South to Old Shakopee Road, northeasterly along Old Shakopee Road to Nine Mile Creek, northerly and westerly along Nine Mile Creek to West 90th Street, southwesterly along West 90th Street to Poplar Bridge Road, easterly along Poplar Bridge Road to Kingsdale Drive, southwesterly along Kingsdale Drive to Poplar Bridge Road, southwesterly along Poplar Bridge Road to Normandale Boulevard, northerly along Normandale Boulevard to the northern boundary of the city of Bloomington, and that portion of the city of Eden Prairie not included in senate district 42 or 43.

Annotation: Senate district 41 is divided by the Minnesota River, and the only connection between the north and south halves of the district is the Bloomington Ferry Bridge. Although this

bridge crosses the river within the senate district, Bloomington Ferry Road proceeds beyond the district boundary. No intersecting road exists that permits a resident of the district to remain in the district after crossing the bridge; a motorist must travel outside the district to reach another road enabling access back within the district. Because the district as constructed did not satisfy the contiguity requirement of reasonably unrestricted access, slight modification of the boundary was necessary to allow contiguous travel within the district.

We also substituted Irwin Avenue and its extension for France Avenue because France Avenue does not intersect with Bloomington's southern boundary and extending France to the boundary would split a large, populated census block. The boundary line's "northerly" direction is also clarified.

Subd. 2 HOUSE DISTRICTS. Senate district 41 is divided into two house districts as follows:

(a) House district 41A consists of that portion of senate district 41 lying north of a line described as follows: commencing with the intersection of Purgatory Creek and the western boundary of senate district 41, southeasterly along Purgatory Creek to Pioneer Trail, southeasterly along Pioneer Trail to the Bloomington Ferry Road, southerly along the Bloomington Ferry Road to Old Shakopee Road, easterly along Old Shakopee Road to the eastern boundary of senate district 41.

(b) House district 41B consists of that portion of senate district 41 not included in house district 41A.

Annotation: Pioneer Trail must be taken southeasterly to intersect with the Bloomington Ferry Road. The change simply effectuates the intent apparent from the text read as a whole.

Sec. 43. {2.453} FORTY-SECOND DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 42 consists of that portion of Hennepin County consisting of the city of Edina,

the city of Chanhassen, and that portion of the city of Eden Prairie not included in senate district 43 and lying west and north of a line described as follows: commencing at the intersection of the southern boundary of Hennepin County with the NSP power line that extends beyond the end of Concord Drive, northerly along the NSP power line to Riverview Road, westerly along Riverview Road to Mooer Lane, northerly along Mooer Lane to Silverwood Drive, easterly along Silverwood Drive to Homeward Hills Road, northerly along Homeward Hills Road to Anderson Lakes Parkway, easterly along Anderson Lakes Parkway to Hidden Oaks Drive, northeasterly along Hidden Oaks Drive and its extension to the southern shore of Anderson Lake, southerly southeasterly and northeasterly along the southern shore of Anderson Lake to the eastern boundary of the city of Eden Prairie.

Annotation: The senate district boundary in Eden Prairie starts ambiguously; there is no clear extension of Concord Drive to the city's boundary. The reference to the nearby NSP power line conforms the district boundary with the census data. We also corrected the ambiguities arising from obvious typographical errors in the boundary description, substituting Mooer for Noder and Hills for Mills. Other typographical errors that do not affect the clarity of the text were not corrected. Finally, the unpopulated, Hennepin County portion of Chanhassen was added to this district. This change effectuates the intent evident in the legislature's metro area map of Chapter 246 and eliminates the contiguity problem that arises by leaving this district in senate district 34.

Subd. 2. HOUSE DISTRICTS. Senate district 42 is divided into two house districts as follows:

(a) House district 42A consists of that portion of the city of Edina lying north and east of a line described as follows: commencing at the intersection of the western boundary of the city of Edina with State Highway 62, easterly along State Highway 62 to State Highway 100, southerly along State Highway 100 to West 66th

Street, easterly along West 66th Street to West Shore Drive, southeasterly along West Shore Drive to Laguna Drive, easterly along Laguna Drive to Wooddale Avenue, southerly along Wooddale Avenue to Dunberry Lane, easterly along Dunberry Lane to Cornelia Drive, southerly along Cornelia Drive to West 70th Street, easterly along West 70th Street to France Avenue, southerly along France Avenue to the southern boundary of the city of Edina.

(b) House district 42B consists of that portion of senate district 42 not contained in house district 42A.

Sec. 44. {2.463} FORTY-THIRD DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 43 consists of that portion of Carver County consisting of the cities of Chanhassen and Victoria, and that portion of Hennepin County consisting of the city of Deephaven, that portion of the city of Eden Prairie lying north and west of a line described as follows: commencing at the intersection of the western boundary of the city of Eden Prairie and the Soo Line railroad tracks, northeasterly along the Soo Line railroad tracks to Valley View Road, easterly along Valley View Road to Baker Road, northerly along Baker Road to the northern boundary of the city of Eden Prairie, the city of Excelsior, the city of Greenwood, that portion of the city of Minnetonka lying south and west of a line described as follows: commencing at the intersection of the southern boundary of the city of Woodland and State Highway 101, southerly along State Highway 101 to Minnetonka Boulevard, easterly along Minnetonka Boulevard to Williston Road, southerly along Williston Road to Lake Street, easterly along Lake Street to Maple Lane, southerly along Maple Lane to State Highway 7, easterly along State Highway 7 to Interstate Highway 494, southerly along Interstate Highway 494 to the southern boundary of the city of Minnetonka, the city of Minnetonka Beach, that portion of the city of Orono lying south of the northern boundary of Spring Park and its extension to the shore of Lake Minnetonka, the city of Shorewood, the city of Tonka Bay, and the city of Woodland.

Annotation: Chapter 246 divided Eden Prairie among senate districts 41, 42, and 43; however, only senate district 42 described the portion of the city that it contained. The remaining area was intended to be split between senate districts 41 and 43, but no boundary was described. The adopted line, proposed by the legislature, follows the basic contours of the metro area map of Chapter 246 and produces population deviations within the court-adopted, 2% limit.

Chapter 246 erroneously referred to Christy Lane, which does not intersect with State Highway 7. Maple Lane is the nearest through street. As clarification, we also modified the description of the line bordering the portion of Orono to be included in senate district 43. Finally, we deleted a reference to Wayzata, which Chapter 246 had included in senate districts 43 and 45. Placing the city in senate district 45 minimizes the population deviations of the affected house and senate districts, all of which fall within the 2%, outer limit.

Subd. 2. HOUSE DISTRICTS. Senate district 43 is divided into two house districts as follows:

(a) House district 43A consists of that portion of senate district 43 lying in Carver County, and that portion of senate district 43 lying in Hennepin County consisting of the cities of Eden Prairie, Minnetonka Beach, Orono, and Tonka Bay, and that portion of the city of Shorewood lying west of a line described as follows: commencing at the intersection of the southern boundary of Hennepin County and First Avenue, northerly along First Avenue to Smithtown Road, westerly along Smithtown Road to Eureka Road, northerly along Eureka Road to Birch Bluff Road, easterly along Birch Bluff Road to the western boundary of the city of Tonka Bay.

(b) House district 43B consists of that portion of senate district 43 not included in house district 43A.

Annotation: By assigning only the Hennepin County cities contained in senate district 43 to house district 43A, Chapter 246

isolated the Eden Prairie portion of the house district from the rest of the district and created population deviations of over 40%. The metro area map of Chapter 246 indicates an intent to include the Carver County portions of senate district 43 in house district 43A. This change eliminates the districts' geographic and population problems. We also clarified that the portion of Shorewood contained in district 43A lies west of a line already described in the text.

Sec. 45. {2.473} FORTY-FOURTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 44 consists of that portion of Hennepin County consisting of the cities of Hopkins and St. Louis Park, and that portion of the city of Minnetonka lying south and east of a line described as follows: commencing at the intersection of Interstate Highway 494 and the southern boundary of the city of Minnetonka, northerly along Interstate Highway 494 to Excelsior Boulevard, northeasterly and easterly along Excelsior Boulevard to the eastern boundary of the city of Minnetonka.

Subd. 2. HOUSE DISTRICTS. Senate district 44 is divided into two house districts as follows:

(a) House district 44B consists of that portion of senate district 44 in the city of St. Louis Park lying east of a line described as follows: commencing at the intersection of the northern boundary of the city of St. Louis Park and Flag Avenue, southerly along Flag Avenue to Westmoreland Lane, easterly along Westmoreland Lane and Franklin Avenue and its extension to Louisiana Avenue, southerly along Louisiana Avenue to the Burlington Northern railroad tracks, southwesterly along the Burlington Northern railroad tracks to Virginia Avenue, southerly along Virginia Avenue to West 28th Street, easterly along West 28th Street to Texas Avenue, southerly along Texas Avenue to the southern boundary of the city of St. Louis Park.

Annotation: The minor change clarifies that the extension to Louisiana Avenue is an extension of Franklin Avenue.

(b) House district 44A consists of that portion of senate district 44 not included in house district 44B.

Sec. 46. {2.483} FORTY-FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 45 consists of that portion of Hennepin County consisting of the city of Wayzata, that portion of the city of Golden Valley not included in senate district 46, the city of Medicine Lake, that portion of the city of Minnetonka not included in senate district 43 or 44, and that portion of the city of Plymouth lying south and east of a line described as follows: commencing at the intersection of the western boundary of the city of Plymouth with County Road 6, easterly along County Road 6 to Interstate Highway 494, northerly along Interstate Highway 494 to Rockford Road, easterly along Rockford Road to Zachary Lane, southerly along Zachary Lane to 36th Avenue North, easterly along 36th Avenue North to the eastern boundary of the city of Plymouth.

Subd. 2. HOUSE DISTRICTS. Senate district 45 is divided into two house districts as follows:

(a) House district 45A consists of that portion of senate district 45 consisting of the city of Wayzata, that portion of the city of Minnetonka located in senate district 45 and that portion of the city of Plymouth located in senate district 45 lying west of Interstate Highway 494.

(b) House district 45B consists of that portion of senate district 45 not included in house district 45A.

Annotation: Although Chapter 246 placed Wayzata in senate district 45, it did not include the city in house district 45A. The reference added is necessary to preserve the districts' contiguity and to minimize their population deviations.

Sec. 47. {2.493} FORTY-SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 46 consists of that portion of Hennepin County consisting of the cities of Crystal, New Hope, and Robbinsdale, that portion of the city of Golden Valley lying north and west of a line described as follows: commencing at the intersection of the western border of the city of Golden Valley and the extension of Earl Street, easterly along the extension and Earl Street to Independence Avenue North, northerly along Independence Avenue North to Duluth Street, easterly along Duluth Street to Winnetka Avenue, and northerly along Winnetka Avenue to the northern boundary of the city of Golden Valley, and that portion of the city of Brooklyn Center lying south of a line described as follows: commencing at the intersection of the western boundary of the city of Brooklyn Center and 58th Avenue North, easterly along 58th Avenue North to Shingle Creek, southerly along Shingle Creek to the southern boundary of the city of Brooklyn Center.

Annotation: Chapter 246 erroneously described the portion of Golden Valley to be included in senate district 46 as the area lying north and "east" of the boundary drawn. Because the boundary forms the southern and eastern borders of a rectangular area, however, the description must read north and "west." The boundary must also travel along the extension of Earl Street already referred to in Chapter 246 before reaching Earl Street itself and Independence Avenue.

Subd. 2. HOUSE DISTRICTS. Senate district 46 is divided into two house districts as follows:

(a) House district 46A consists of that portion of senate district 46 lying west of a line described as follows: commencing at the intersection of the northern boundary of the city of Crystal with County Road 81, southeasterly along County Road 81 to the northern boundary of the city of Robbinsdale, westerly, southerly, and westerly along the northern and western boundaries of the city of Robbinsdale to 42nd Avenue North, westerly along 42nd Avenue

North to the Soo Line Railroad Company tracks, southerly along the Soo Line Railroad Company tracks to the western boundary of the city of Crystal, westerly, southerly, westerly, northerly, westerly, southerly, westerly, southerly, easterly, northerly, easterly, and southerly along the western boundary of the city of Crystal to the southern boundary of senate district 46.

(b) House district 46B consists of that portion of senate district 46 not included in house district 46A.

Annotation: The legislature proposed a specific and substantial change in the house districts' boundary to include all of New Hope in house district 46A. Although this change would prevent a city split, it would slightly increase the districts' population deviations. Moreover, the text of Chapter 246 is clear. Because court-modification is justified only to clarify ambiguous language or to correct statutory or constitutional defects, we rejected this proposal. We did change U.S. Highway 52 to its new name, County Road 81, and, as requested, clarified the directions to be taken to the southern boundary of the senate district.

Sec. 48. {2.503} FORTY-SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 47 consists of that portion of Hennepin County consisting of that portion of the city of Brooklyn Center not included in senate district 46 and that portion of the city of Brooklyn Park lying south and west of a line described as follows: commencing at the intersection of the western boundary of the city of Brooklyn Park and the southern boundary of the city of Osseo, easterly along the southern boundary of the city of Osseo to the Burlington Northern railroad tracks, southeasterly along the Burlington Northern railroad tracks to 85th Avenue North, easterly along 85th Avenue North to Xerxes Avenue, southerly along Xerxes Avenue to Pearson Parkway, southeasterly along Pearson Parkway to Newton Avenue, southerly along Newton Avenue to the southern boundary of the city of Brooklyn Park.

Annotation: By following 81st Avenue North and its extension from Xerxes Avenue to Pearson Parkway, Chapter 246 unnecessarily split four populated census blocks. Eliminating the references to 81st Avenue and its extension closely approximates the line in Chapter 246 while following census block boundaries.

Subd. 2. HOUSE DISTRICTS. Senate district 47 is divided into two house districts as follows:

(a) House district 47A consists of that portion of senate district 47 lying west of a line described as follows: commencing at the intersection of the northern boundary of senate district 47 and Noble Avenue, southerly along Noble Avenue to 83rd Avenue North, easterly along 83rd Avenue North to 82nd Avenue North, southerly and westerly along 82nd Avenue North to June Avenue, southerly along June Avenue and Brookdale Drive to 75th Avenue North, westerly along 75th Avenue North to Lee Avenue, southerly and westerly along Lee Avenue to Major Avenue, southerly and westerly along Major Avenue to Noble Avenue, southerly along Noble Avenue to the southern boundary of senate district 47.

(b) House district 47B consists of that portion of senate district 47 not located in house district 47A.

Annotation: June Avenue is interrupted by Brookdale Drive for approximately one block before continuing on to 75th Avenue North. The addition merely clarifies the boundary.

Sec. 49. {2.513} FORTY-EIGHTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 48 consists of that portion of Anoka County consisting of that portion of the city of Coon Rapids not included in senate district 49, the city of Spring Lake Park, that portion of the city of Blaine south and west of a line described as follows: commencing at the intersection of the western boundary of the city of Blaine with the right-of-way of State Highway 610, southeasterly along the right-of-way of State Highway 610 to Central Avenue Northeast, southerly along Central

Avenue Northeast to 89th Avenue, easterly along 89th Avenue Northeast to State Highway 65, northerly along State Highway 65 to an extension of 91st Avenue Northeast, easterly along the extension and 91st Avenue Northeast to Isanti Street Northeast, southerly along Isanti Street Northeast to Radisson Road Northeast, southwesterly along Radisson Road Northeast to Hastings Street Northeast, southerly along Hastings Street Northeast and its extension to the southern boundary of the city of Blaine, and that portion of the city of Fridley lying north of a line described as follows: commencing at the intersection of the Mississippi River with Rice Creek, easterly along Rice Creek to East River Road, southeasterly along East River Road to Mississippi Street, easterly along Mississippi Street to Seventh Street Northeast, southerly along Seventh Street Northeast to 61st Avenue Northeast, easterly along 61st Avenue Northeast to West Moore Lake Drive, southeasterly along West Moore Lake Drive to State Highway 65, southerly along State Highway 65 to an extension of Lynde Drive, easterly along the extension of Lynde Drive and Lynde Drive to Regis Street, northerly along Regis Street to Hathaway Lane, easterly along Hathaway Lane and its extension to Matterhorn Drive, northerly along Matterhorn Drive to Gardena Avenue, easterly along Gardena Avenue to the eastern boundary of the city of Fridley, that portion of Ramsey County consisting of the city of Spring Lake Park, and that portion of Hennepin County consisting of that portion of the city of Brooklyn Park not included in senate district 47, the city of Osseo, and that portion of the city of Champlin lying east of a line described as follows: commencing at the intersection of the southern boundary of the city of Champlin with U.S. Highway 169, northerly along U.S. Highway 169 to Hayden Lake Road, westerly along Hayden Lake Road to the north-south NSP power line west of Vera Street, northerly along the north-south NSP power line to French Lake Road, northeasterly along French Lake Road to Dayton Road, southeasterly along Dayton Road and its extension to U.S. Highway 169, northerly along U.S. Highway 169 to the Mississippi River.

Annotation: The Chapter 246 boundary in Blaine follows census boundaries, but those boundaries conflict with Mn/DOT annotations. We altered the line slightly to conform it with both Mn/DOT and census data. Although we did not add the directional portion of street names where Chapter 246 failed to do so, recognizable errors in street names were corrected. As an example, the misnamed 61st Avenue "East" was changed to "Northeast" to avoid possible confusion. We also added an extension to Hathaway Lane to bridge the gap in Chapter 246 between Hathaway and Matterhorn Drive, in conformity with the census block boundary. "United States" Highway 169 was abbreviated to the more accurate "U.S." Highway 169 designation. Dayton River Road changes to Dayton Road inside the city of Champlin and also requires an extension to U.S. Highway 169, filling a gap in the boundary drawn by Chapter 246.

Subd. 2. HOUSE DISTRICTS. Senate district 48 is divided into two house districts as follows:

(a) House district 48A consists of that portion of senate district 48 not included in house district 48B.

(b) House district 48B consists of that portion of senate district 48 located in Anoka and Ramsey Counties.

Sec. 50. {2.523} FORTY-NINTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 49 consists of that portion of Anoka County consisting of the city of Anoka and that portion of the city of Coon Rapids lying north of a line described as follows: commencing at the intersection of the Mississippi River with Coon Creek, northerly along Coon Creek to the Burlington Northern railroad tracks, southeasterly along the Burlington Northern railroad tracks to Coon Rapids Boulevard Extension, easterly along Coon Rapids Boulevard Extension to the north-south Burlington Northern railroad tracks, northerly along the north-south Burlington Northern railroad tracks to Egret Boulevard, easterly along Egret Boulevard to U.S. Highway 10, southeasterly along U.S. Highway 10 to Pleasure Creek, and

northerly along Pleasure Creek to the eastern boundary of the city of Coon Rapids.

Annotation: Coon Rapids Boulevard does not intersect with the north-south Burlington Northern railroad tracks but Coon Rapids Boulevard "Extension" does. We also added "U.S." to Highway 10 and substituted Pleasure Creek, which follows census lines, for the extension of 94th Avenue, which cut through a populated census block.

Subd. 2. HOUSE DISTRICTS. Senate district 49 is divided into two house districts as follows:

(a) House district 49A consists of that portion of senate district 49 lying north and west of a line described as follows: commencing at the intersection of the Mississippi River with the southern boundary of the campus of Anoka Ramsey State Community College, easterly along the southern boundary of the campus of Anoka Ramsey State Community College to Mississippi Boulevard, northerly along Mississippi Boulevard to Coon Rapids Boulevard, northwesterly along Coon Rapids Boulevard to Round Lake Boulevard, northerly along Round Lake Boulevard to 119th Avenue Northwest, easterly along 119th Avenue Northwest to an extension of Lily Street Northwest, northerly along the extension of Lily Street Northwest to the Burlington Northern railroad tracks, northwesterly along the Burlington Northern railroad tracks to Main Street, easterly along Main Street to U.S. Highway 10, southeasterly along U.S. Highway 10 to Hanson Boulevard, northeasterly along Hanson Boulevard to North Dale Boulevard, easterly along North Dale Boulevard to Coon Creek, northeasterly and southeasterly along Coon Creek and Sand Creek to the eastern boundary of the city of Coon Rapids.

(b) House district 49B consists of that portion of senate district 49 not located in house district 49A.

Annotation: There is no Magnolia Street in the area of Coon Rapids described in Chapter 246. There is a Marigold Street, but the census line follows an extension of Lily Street Northwest to the railroad tracks. We followed the census line. We also used the official annotation for "U.S." Highway 10 and, because Mn/DOT maps indicate that North Dale Boulevard crosses Coon Creek just before Coon Creek runs into Sand Creek, added a reference to the former.

Sec. 51. {2.533} FIFTIETH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 50 consists of that portion of Anoka County north of a line described as follows: commencing at the intersection of the Mississippi River with the northwestern boundary of the city of Anoka, northerly and easterly along the northern boundary of the city of Anoka to the northern boundary of the city of Coon Rapids, easterly along the northern boundary of the city of Coon Rapids to University Avenue Northeast, southerly along University Avenue Northeast to Main Street, easterly along Main Street to Jefferson Street Northeast, northerly along Jefferson Street Northeast to 128th Avenue Northeast, easterly along 128th Avenue Northeast to Monroe Street Northeast, southerly along Monroe Street Southeast to 128th Avenue Northeast, easterly along 128th Avenue Northeast to Van Buren Street Northeast, southerly along Van Buren Street Northeast to 127th Lane Northeast, easterly along 127th Lane Northeast to Polk Street Northeast, northerly along Polk Street Northeast to 128th Avenue Northeast, easterly along 128th Avenue Northeast to Taylor Street Northeast, southerly along Taylor Street Northeast to 127th Avenue Northeast, easterly along 127th Avenue Northeast to Buchanan Street Northeast, northerly along Buchanan Street Northeast to 127th Lane Northeast, easterly along 127th Lane Northeast to Central Avenue Service Road, northerly along Central Avenue Service Road to 129th Avenue Northeast, easterly along 129th Avenue Northeast to Central Avenue Northeast, northerly along Central Avenue Northeast to the northern boundary of the city of Blaine,

easterly along the northern boundary of the city of Blaine and the northern boundary of the city of Lino Lakes to the eastern boundary of Anoka County.

Annotation: The boundary of senate district 50 in Chapter 246 is impossible to follow after turning onto Madison Street, its ambiguities resulting in part from the census bureau's loose transcription of this area's geography, which is dominated by cul-de-sacs and dead-end streets. The substituted description begins at Jefferson Street Northeast and picks up the Chapter 246 boundary again at Central Avenue Northeast. The line deviates somewhat from the original but does follow streets that are easily recognizable in both Mn/DOT and census maps, while minimizing the population deviations of senate districts 50 and 51 and house districts 50A and 51A.

Subd. 2. HOUSE DISTRICTS. Senate district 50 is divided into two house districts as follows:

(a) House district 50A consists of that portion of senate district 50 lying north of a line described as follows: commencing at the intersection of the western boundary of Anoka County with the northern boundary of the city of Ramsey, easterly along the northern boundary of the city of Ramsey and the northern boundaries of the cities of Andover and Ham Lake to Central Avenue Northeast, southerly along Central Avenue Northeast to the northern boundary of the city of Blaine, easterly along the northern boundary of the city of Blaine and the northern boundary of the city of Lino Lakes to the eastern boundary of Anoka County.

(b) House district 50B consists of that portion of senate district 50 not included in house district 50A.

Annotation: The Chapter 246 boundary for these districts contains two mistakes. First, it starts at the "eastern" boundary of Anoka County; however, because the line purports to travel along the northern boundaries of Andover and Ham Lake, and these cities

lie west of the county's eastern boundary, the description should begin at the western boundary of Anoka County. Second, while the line should travel easterly along the boundary of Andover, it cannot begin there because Andover lies in the middle of Anoka county. The boundary line should begin at the intersection of the northern boundary of the city of Ramsey and the western boundary of Anoka County. The metro area map of Chapter 246 supports these changes.

Sec. 52. {2.543} FIFTY-FIRST DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 51 consists of that portion of Anoka County consisting of all of the cities of Centerville, Lexington, and Lino Lakes, and that portion of the city of Blaine not included in senate district 48, 50, or 53, and that portion of Washington County north of a line described as follows: commencing at the intersection of the western boundary of the city of Hugo with the southern boundary of the city of Hugo, easterly along the southern boundary of the city of Hugo to Goodview Avenue, northeasterly and northerly along Goodview Avenue to 137th Street North, easterly along 137th Street North to Homestead Avenue North, northerly along Homestead Avenue North to 140th Street North, easterly along 140th Street North to the eastern boundary of the city of Hugo, southerly along the eastern boundary of the city of Hugo to the southern boundary of May Township, easterly along the southern boundary of May Township to the eastern boundary of Washington County.

Annotation: The addition of "northeasterly" accounts for the short distance for which Goodview Avenue travels in that direction after intersecting with the Hugo boundary and before the street turns due north.

Subd. 2. HOUSE DISTRICTS. Senate district 51 is divided into two house districts as follows:

(a) House district 51A consists of the city of Lexington and that portion of the city of Blaine included in senate district 51.

(b) House district 51B consists of that portion of senate district 51 not included in house district 51A.

Sec. 53. {2.553} FIFTY-SECOND DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 52 consists of that portion of Anoka County consisting of the cities of Columbia Heights and Hilltop and that portion of the city of Fridley not included in senate district 48, and that portion of Ramsey County consisting of the cities of Blaine, Mounds View, and New Brighton.

Annotation: The unpopulated, Ramsey County portion of Blaine was not assigned by Chapter 246 to any district. Although this area could be assigned to any of three districts without affecting contiguity or population distribution, placing it in senate district 52 creates the most compact district and complies with the legislature's intent evident in the metro area map of Chapter 246.

Subd. 2. HOUSE DISTRICTS. Senate district 52 is divided into two house districts as follows:

(a) House district 52A consists of that portion of senate district 52 not included in house district 52B.

(b) House district 52B consists of that portion of Ramsey County consisting of the cities of Blaine and Mounds View and that portion of the city of New Brighton located north and east of a line described as follows: commencing at the intersection of 16th Street Northwest with the western boundary of the city of New Brighton, easterly along 16th Street Northwest to Silver Lake Road, southerly along Silver Lake Road to the southern boundary of the city of New Brighton.

Annotation: The Ramsey County portion of Blaine added to senate district 52 is also added to house district 52B, for the same reasons. The description of the boundary dividing New

Brighton between the two house districts has been changed. Chapter 246 attempted to run the districts' boundary easterly along the western boundary of New Brighton, which cannot be done. A more significant defect arises from assigning the relatively small segment of the city surrounded by the line described to house district 52B; both districts are left with population deviations exceeding 50%. However, simply exchanging the two portions of New Brighton for one another greatly reduces both house districts' population deviations to under 1%. Reference to the metro area map of Chapter 246 indicates a legislative intent in consonance with this change.

Sec. 54. {2.563} FIFTY-THIRD DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 53 consists of that portion of Ramsey County consisting of the cities of Arden Hills, Shoreview, North Oaks, Gem Lake, and Vadnais Heights; that portion of White Bear Township bordered by boundaries of Anoka County and the cities of Shoreview and North Oaks; those portions of the city of White Bear Lake and White Bear Township lying westerly of a line described as follows: commencing at the intersection of Otter Lake Road and the northern boundary of the city of Gem Lake, northerly along Otter Lake Road to County Road H-2, easterly along County Road H-2 to Bald Eagle Boulevard, southeasterly along Bald Eagle Boulevard and an extension of Bald Eagle Boulevard to the southeastern shoreline of Bald Eagle Lake, northerly, easterly, and northerly along the shoreline of Bald Eagle Lake to the northern boundary of Ramsey County; and that portion of the city of Little Canada not included in senate district 54; that portion of the city of Maplewood lying within a line described as follows: commencing at the intersection of the northern boundary of the city of Maplewood and White Bear Avenue, southerly along White Bear Avenue to County Road C, westerly along County Road C to Keller Parkway, northerly along Keller Parkway to the western boundary of the city of Maplewood, northerly and easterly along the boundary of the city of Maplewood to the point

of origin; and that portion of Anoka County consisting of the city of Circle Pines and that portion of the city of Blaine lying within a line described as follows: commencing at the intersection of Interstate Highway 35W and the northern boundary of Ramsey County, northerly along Interstate Highway 35W to an extension of 92nd Avenue Northeast, easterly along the extension of 92nd Avenue Northeast to Leyte Street Northeast, southerly along Leyte Street Northeast to 89th Avenue Northeast, easterly along 89th Avenue Northeast to Naples Street Northeast, northerly along Naples Street to Flowerfield Road, easterly along the extension and Flowerfield Road to Lexington Avenue, and northerly, easterly, southerly, easterly, southerly, and westerly along the boundaries of the city of Blaine to the point of origin.

Annotation: Chapter 246 contained an unnecessary and confusing reference to a railroad right-of-way, which has been deleted. The law referred to Otter Lake Road but also to Otter "Tail" Road; Otter Lake Road is correct. Chapter 246 also attempted to run the district line from Bald Eagle Boulevard to the shoreline of Bald Eagle Lake, but an extension is required. Such an extension is difficult to draw because Bald Eagle Boulevard parallels the shoreline. Moreover, the long, populated census block that borders the lake in this area prevents a simple extension to the lake of one of the nearby streets. However, the change made does preserve the basic boundary of Chapter 246, while following the census block boundaries.

To clarify the boundaries of senate districts 53 and 54, near Gervais Lake, we specifically described the portion of Maplewood to be included in this district. Finally, we rejected the legislature's proposal to add a section of Blaine lying north of Circle Pines to senate district 53 and house district 53A. Without the proposed change, house districts 53A and 51A both exceed the 2% deviation criterion. However, the districts as originally constructed by the legislature are within constitutional limits. Absent a constitutional defect or an ambiguity in this portion of

the boundary, the change proposed, although desirable, cannot be adopted.

Subd. 2. HOUSE DISTRICTS. Senate district 53 is divided into two house districts as follows:

(a) House district 53A consists of that portion of senate district 53 not included in house district 53B.

(b) House district 53B consists of that portion of senate district 53 consisting of the cities of North Oaks, Gem Lake, and Vadnais Heights; those portions of the cities of Little Canada and Maplewood, White Bear Township, and the city of White Bear Lake described in subdivision 1; and that portion of the city of Shoreview lying east of a line described as follows: commencing at the intersection of Hodgson Road and State Highway 96, southeasterly along Hodgson Road to Snail Lake Boulevard, westerly, southerly, and westerly along Snail Lake Boulevard to County Road F, westerly along County Road F to Lexington Avenue and the western boundary of the city, and southerly, easterly, northerly, and westerly along the boundaries of the city of Shoreview to the point of origin.

Annotation: As constructed in Chapter 246, house district 53A is not contiguous and, although their precise contents are difficult to discern, house districts 53A and 53B both far exceed the constitutional limit for population deviation. Because the two portions of Shoreview to be included in house district 53B overlap south of Snail Lake Boulevard, we consulted the black and white and the color metro area maps of Chapter 246 to resolve the ambiguity. The maps, although lacking detailed annotations, illustrate the portions of Shoreview to be included in each house district. They also reveal that house district 53B was intended to contain the senate district portions of Little Canada and Maplewood. The changes reflect the legislature's apparent intent and create contiguous districts that satisfy constitutional population requirements and the adopted, 2% limit.

Sec. 55. {2.573} FIFTY-FOURTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 54 consists of that portion of Ramsey County consisting of the cities of Roseville, St. Anthony, Lauderdale, and Falcon Heights, that portion of the city of Maplewood lying within a line described as follows: commencing at the intersection of Rice Street and Larpenteur Avenue, easterly along Larpenteur Avenue to DeSoto Street and a railroad right-of-way, northeasterly along the railroad right-of-way and an extension of it to Parkway Drive, northeasterly along Parkway Drive to Frost Avenue, easterly along Frost Avenue to Chamber Street, northerly along Chamber Street and its extension to an extension of the railroad right-of-way, northeasterly along the extension and the railroad right-of-way to Hazelwood Street, northerly along Hazelwood Street to State Highway 36, easterly along State Highway 36 to White Bear Avenue, northerly along White Bear Avenue to County Road C, westerly along County Road C to Keller Parkway, northerly along Keller Parkway to the western boundary of the city of Maplewood, southerly and westerly along the western boundary of the city of Maplewood to the point of origin; that portion of the city of Little Canada lying within a line described as follows: commencing at the intersection of the northern boundary of the city of Little Canada and Rice Street, southerly, easterly, and northerly along the boundary of the city of Little Canada to the intersection of Keller Parkway and the southern boundary of senate district 53, northerly and westerly along Keller Parkway to Little Canada Road, westerly along Little Canada Road to Interstate Highway 35E, northerly along Interstate Highway 35E to Interstate Highway 694, northwesterly along Interstate Highway 694 to the northern boundary of the city of Little Canada, and westerly along the northern boundary of the city of Little Canada to the point of origin, and that portion of Hennepin County consisting of the city of St. Anthony.

Annotation: To avoid any confusion, DeSoto "Avenue" was corrected to DeSoto "Street." We also changed Atlantic Street to Chamber Street. Chapter 246 erroneously refers to both streets in its two descriptions of this boundary between senate districts 54 and 55. The metro area maps do not resolve the ambiguity. The choice of Chamber results, however, in smaller population deviations for senate districts 54 and 55 and house districts 54B and 55B. Whether Atlantic or Chamber Street is used, extensions are necessary to connect the street with the railroad right-of-way.

To finish the boundary description around Gervais Lake, we also clarified the portions of Maplewood and Little Canada to be included in this district. Although the descriptions are lengthier than those contained in Chapter 246, the modifications have not altered the content of the affected districts in this area.

Subd. 2. HOUSE DISTRICTS. Senate district 54 is divided into two house districts as follows:

(a) House district 54A consists of that portion of senate district 54 not included in house district 54B.

(b) House district 54B consists of those portions of the cities of Little Canada and Maplewood contained in senate district 54, and that portion of the city of Roseville lying within a line described as follows: commencing at the intersection of Snelling Avenue with the northern boundary of the city, southerly along Snelling Avenue to County Road C, easterly along County Road C to Hamline Avenue, southerly along Hamline Avenue to State Highway 36, easterly along State Highway 36 to Lexington Avenue, southerly along Lexington Avenue to County Road B, easterly along County Road B to the eastern boundary of the city of Roseville, and northerly and westerly along the boundaries of the city of Roseville to the point of origin.

Annotation: The current annotation for State Highway 36 is used. Westerly was substituted for "easterly" as required to return the boundary line to the point of origin.

Sec. 56. {2.583} FIFTY-FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 55 consists of that portion of Ramsey County consisting of the city of North St. Paul; that portion of the city of White Bear Lake not included in senate district 53; that portion of White Bear Township not included in senate district 53; that portion of Maplewood lying within a line described as follows: commencing at the intersection of Century Avenue and Interstate Highway 694, westerly along Interstate Highway 694 to White Bear Avenue, southerly along White Bear Avenue to State Highway 36, westerly along State Highway 36 to Hazelwood Street, southerly along Hazelwood Street to a railroad right-of-way, westerly along the railroad right-of-way to an extension of Chamber Street, southerly along the extension and Chamber Street to Frost Avenue, westerly and southwesterly along Frost Avenue to the extension of said railroad right-of-way, southwesterly along the extension and the railroad right-of-way to Larpenteur Avenue, easterly along Larpenteur Avenue to Century Avenue, northerly along Century Avenue to Holloway Avenue and the southern boundary of the city of North St. Paul, westerly, northerly, and easterly along the boundaries of the city of North St. Paul to Century Avenue, and northerly along Century Avenue to the point of origin; and, that part of the city of St. Paul lying within a line described as follows: commencing at the intersection of Larpenteur Avenue and Interstate Highway 35E, southerly along Interstate Highway 35E to Arlington Avenue, easterly along Arlington Avenue to Wheelock Parkway, easterly along Wheelock Parkway to Johnson Parkway, southerly along Johnson Parkway to Maryland Avenue, easterly along Maryland Avenue to Kennard Street, northerly along Kennard Street to Sherwood Avenue, easterly along Sherwood Avenue to White Bear Avenue, northerly along White Bear Avenue to Larpenteur Avenue, and westerly along Larpenteur Avenue to the point of origin; and, that portion of Washington County lying within a line described as follows: the intersection of the southerly shoreline of White Bear Lake with the boundary between Ramsey and Washington counties, easterly and southerly along the

shoreline, its extension, and the eastern boundary of the city of Birchwood Village to County Road 29, easterly along County Road 29 to State Highway 244, northeasterly along State Highway 244 to County Road 12, northeasterly and easterly along County Road 12 to Ideal Avenue North, southerly along Ideal Avenue North to the boundaries of the city of Pine Springs, westerly, southerly, westerly, southerly, westerly, and southerly along the boundaries of the city of Pine Springs to Interstate Highway 694, westerly to the eastern boundary of Washington County, and northerly along the boundary to the point of origin.

Annotation: We again updated the annotation for State Highway 36 and, as done in senate district 54, used Chamber Street and its extension in the district boundary. Near Lake Phalen, extensions of Wheelock Parkway and of the lake's shoreline were deleted to eliminate the ambiguity arising from the lack of definite points of extension and to avoid the unnecessary splitting of a census block.

The description in Chapter 246 of the Washington County boundary was incomplete and inaccurate, although the direction of the boundary was clear from the text, and its location was discernible from the large metro area map of Chapter 246. The new description merely clarifies the boundary as originally drawn. Changing the directions around Pine Springs from "easterly" and southerly to "westerly" and southerly similarly clarifies the otherwise ambiguous district boundary, which cannot move easterly along the boundary of Pine Springs when starting at Ideal Avenue North.

Subd. 2. HOUSE DISTRICTS. Senate district 55 is divided into two house districts as follows:

(a) House district 55A consists of that portion of senate district 55 not included in house district 55B.

(b) House district 55B consists of that portion of Ramsey County consisting of the city of North St. Paul and those portions

of the cities of Maplewood and St. Paul included in senate district 55.

Annotation: By including the senate district 55 portion of Washington County in house district 55B, Chapter 246 created two house districts with population deviations exceeding 10% each. Shifting this area to house district 54A brings both districts well within constitutional limits and conforms to the districts as depicted in the metro area maps of Chapter 246.

Sec. 57. {2.593} FIFTY-SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 56 consists of that portion of Washington County not included in senate district 51, 55, or 57.

Subd. 2. HOUSE DISTRICTS. Senate district 56 is divided into two house districts as follows:

(a) House district 56A consists of that portion of senate district 56 north of a line described as follows: commencing at the intersection of the western boundary of Washington County with the southern boundary of the city of Mahtomedi easterly and northeasterly along the southern boundary of the city of Mahtomedi to the western boundary of Grant Township, southerly along the western boundary of Grant Township to the southern boundary of Grant Township, easterly along the southern boundary of Grant Township to the western boundary of Baytown Township southerly along the western boundary of Baytown Township to the southern boundary of Baytown Township, easterly along the southern boundary of Baytown Township to the eastern boundary of senate district 56.

(b) House district 56B consists of that portion of senate district 56 not included in house district 56A.

Sec. 58. {2.603} FIFTY-SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 57 consists of that portion of Ramsey County consisting of that portion of the city of Maplewood lying south of Larpenteur Avenue, and that

portion of Washington County south and west of a line described as follows: commencing at the intersection of the western boundary of Washington County and the Chicago and Northwestern Transportation Company railroad tracks in the city of Oakdale, easterly along the Chicago and Northwestern Transportation Company railroad tracks to Interstate Highway 694, southerly along Interstate Highway 694 to Valley Creek Road, easterly along Valley Creek Road to Queens Drive, southerly along Queens Drive to Afton Road, southeasterly along Afton Road to Tower Drive, northerly along Tower Drive to Valley Creek Road, easterly along Valley Creek Road to Pioneer Drive, southerly along Pioneer Drive to Bailey Road, easterly along Bailey Road to Woodbury Drive, southerly along Woodbury Drive to the southern boundary of the city of Woodbury, easterly along the southern boundary of Woodbury to the eastern boundary of the city of Cottage Grove southerly and westerly along the eastern and southern boundaries of Cottage Grove to the Mississippi River.

Subd. 2. HOUSE DISTRICTS. Senate district 57 is divided into two house districts as follows:

(a) House district 57A consists of that portion of Ramsey County consisting of the portion of the city of Maplewood included in senate district 57 and that portion of Washington County consisting of the city of Landfall and those portions of the cities of Oakdale and Woodbury included in senate district 57.

(b) House district 57B consists of that portion of senate district 57 not included in house district 57A.

Annotation: Chapter 246 included the Ramsey County portion of Maplewood contained in senate district 57 in house district 57A, with which it is not contiguous. Moving the Maplewood section to house district 57B corrects this constitutional defect and conforms the district composition to that illustrated in the metro area map of Chapter 246.

Sec. 59. {2.613} FIFTY-EIGHTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 58 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis located within an area described as follows: commencing at the intersection of the western boundary of the city of Minneapolis and Glenwood Avenue, easterly along Glenwood Avenue to the Burlington Northern railroad tracks, southeasterly and northeasterly along the Burlington Northern railroad tracks to Interstate Highway 94, southerly along Interstate Highway 94 to Interstate Highway 394, easterly along Interstate Highway 394 to Hawthorne Avenue, northeasterly along Hawthorne Avenue to 9th Street North, southerly along 9th Street North to Hennepin Avenue, northeasterly along Hennepin Avenue to Washington Avenue North, northwesterly along Washington Avenue North to Plymouth Avenue North, easterly and northeasterly along Plymouth Avenue North to the Mississippi River, northwesterly along the Mississippi River to the northern boundary of the city of Minneapolis, westerly along the northern boundary of the city of Minneapolis to the western boundary of the city of Minneapolis, southerly along the western boundary of the city of Minneapolis to the point of origin.

Subd. 2. HOUSE DISTRICTS. Senate district 58 is divided into two house districts as follows:

(a) House district 58A consists of that portion of senate district 58 lying north of a line described as follows: commencing at the intersection of the western boundary of the city of Minneapolis and 21st Avenue North, easterly along 21st Avenue North to Upton Avenue North, northerly along Upton Avenue North to 24th Avenue North, easterly on 24th Avenue North to Sheridan Avenue North, northerly along Sheridan Avenue North to 26th Avenue North, easterly along 26th Avenue North to Penn Avenue North, northerly along Penn Avenue North to 29th Avenue North, easterly along 29th Avenue North to Humboldt Avenue North, northerly along Humboldt Avenue North to 30th Avenue North, easterly along 30th Avenue North to Dupont Avenue North, northerly along Dupont Avenue North to

Lowry Avenue North, easterly along Lowry Avenue North to the eastern boundary of senate district 58.

(b) House district 58B consists of that portion of senate district 58 not included in house district 58A.

Annotation: Taking Lowry Avenue North easterly to the eastern boundary of senate district 58 splits a census block, but because this is an unpopulated water block, the Chapter 246 boundary has been preserved.

Sec. 60. {2.623} FIFTY-NINTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 59 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis located within an area described as follows: commencing at the intersection of the Mississippi River and the northern boundary of the city of Minneapolis, easterly along the northern boundary of the city of Minneapolis to the eastern boundary of the city of Minneapolis, southerly along the eastern boundary of the city of Minneapolis to the Mississippi River, northwesterly along the Mississippi River to State Highway 122, southwestly along State Highway 122 to Interstate Highway 35W, southwestly along Interstate Highway 35W to 7th Street South, northwesterly along 7th Street South to 5th Avenue South, southwestly along 5th Avenue South to 9th Street South, northwesterly along 9th Street South to the eastern boundary of senate district 58, northerly along the eastern boundary of senate district 58 to the point of origin.

Annotation: For clarification and accuracy, we substituted "State Highway 122," the road's new name, for "U.S. Highway 12."

Subd. 2 HOUSE DISTRICTS. Senate district 59 is divided into two house districts as follows:

(a) House district 59A consists of that portion of senate district 59 lying north of a line described as follows: commencing

at the intersection of the Mississippi River and 8th Avenue Northeast, northeasterly along 8th Avenue Northeast to the east bank of the Mississippi River, southeasterly along the east bank of the Mississippi River to Hennepin Avenue, northeasterly along Hennepin Avenue to Main Street Northeast, northwesterly along Main Street Northeast to 3rd Avenue Northeast, northeasterly along 3rd Avenue Northeast to 5th Street Northeast, northwesterly along 5th Street Northeast to Broadway Street Northeast, easterly along Broadway Street Northeast to Central Avenue Northeast, northerly along Central Avenue Northeast to the Burlington Northern railroad tracks, southeasterly along the Burlington Northern railroad tracks to Fillmore Street Northeast, northerly along Fillmore Street Northeast to 14th Avenue Northeast, easterly along 14th Avenue Northeast to Johnson Street Northeast, southerly along Johnson Street Northeast to Interstate Highway 35W, northeasterly and easterly along Interstate Highway 35W to the eastern boundary of the city of Minneapolis.

(b) House district 59B consists of that portion of senate district 59 not included in house district 59A.

Annotation: 3rd Avenue Northeast does not cross the Mississippi River and cannot be extended without splitting a populated census block. Slightly moving the boundary prevents any split and permits accurate calculation of the districts' populations. The change conforms to the metro area map of Chapter 246.

Sec. 61. {2.633} SIXTIETH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 60 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis located within an area described as follows: commencing at the intersection of the western boundary of the city of Minneapolis and West 50th Street, easterly along West 50th Street to Penn Avenue South, northerly along Penn Avenue South to Lake Harriet Parkway, easterly and northeasterly along Lake

Harriet Parkway to West 46th Street, easterly along West 46th Street to Nicollet Avenue South, northerly along Nicollet Avenue South to West 36th Street, westerly along West 36th Street to Blaisdell Avenue South, northerly along Blaisdell Avenue South to West 34th Street, westerly along West 34th Street to Grand Avenue South, northerly along Grand Avenue South to West 32nd Street, westerly along West 32nd Street to Harriet Avenue South, northerly along Harriet Avenue South to West 31st Street, westerly along West 31st Street to Garfield Avenue South, northerly along Garfield Avenue South to West Lake Street, westerly along West Lake Street to Lyndale Avenue South, northerly along Lyndale Avenue South to Interstate Highway 94, easterly along Interstate Highway 94 and Interstate Highway 35W to the southern boundary of senate district 59, northwesterly along the southern boundary of senate district 59 to the southern boundary of senate district 58, westerly along the southern boundary of senate district 58 to the western boundary of the city of Minneapolis, southerly along the western boundary of the city of Minneapolis to the point of origin.

Subd. 2. HOUSE DISTRICTS. Senate district 60 is divided into two house districts as follows:

(a) House district 60A consists of that portion of senate district 60 lying north of a line described as follows: commencing at the intersection of the western boundary of the city of Minneapolis and West Lake Street, easterly along West Lake Street to the eastern boundary of senate district 60.

(b) House district 60B consists of that portion of senate district 60 not included in house district 60A.

Sec. 62. {2.643} SIXTY-FIRST DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 61 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis located within an area described as follows: commencing at the intersection of Lyndale Avenue South and Interstate Highway 94, easterly and northeasterly along Interstate Highway 94 and Interstate Highway 35W to State Highway 122, easterly along State Highway 122 to Cedar Avenue South,

southerly along Cedar Avenue South to Minnehaha Avenue,
southeasterly along Minnehaha Avenue to Cedar Avenue South,
southwesterly and southerly along Cedar Avenue South to Hiawatha Avenue, southerly along Hiawatha Avenue to East 28th Street, westerly along East 28th Street to 21st Avenue South, southerly along 21st Avenue South to East 32nd Street, westerly along East 32nd Street to 19th Avenue South, southerly along 19th Avenue South to East 34th Street, westerly along East 34th Street to Bloomington Avenue South, southerly along Bloomington Avenue South to East 36th Street, westerly along East 36th Street to 10th Avenue South, southerly along 10th Avenue South to East 38th Street, westerly along East 38th Street to Elliot Avenue South, southerly along Elliot Avenue South to East 44th Street, westerly along East 44th Street to Chicago Avenue South, southerly along Chicago Avenue South to East 50th Street, westerly along East 50th Street to Park Avenue South, southerly along Park Avenue South to East Minnehaha Parkway, westerly along East Minnehaha Parkway to East 50th Street, westerly along East 50th Street to Stevens Avenue South, northerly along Stevens Avenue South to East 46th Street, westerly along East 46th Street to the eastern boundary of senate district 60, northerly along the eastern boundary of senate district 60, to the point of origin.

Annotation: As in senate district 59, U.S. Highway 12 has been changed to State Highway 122. Cedar Avenue South turns into Minnehaha Avenue for about a block just south of Interstate Highway 94, before turning southwesterly and eventually passing under Hiawatha Avenue. We added the necessary reference.

Subd. 2. HOUSE DISTRICTS. Senate district 61 is divided into two house districts as follows:

(a) House district 61A consists of that portion of senate district 61 lying north of a line described as follows: commencing at the intersection of the western boundary of senate district 61 and West 25th Street, easterly along West 25th Street to Pillsbury

Avenue South, southerly along Pillsbury Avenue South to West 26th Street, easterly along West 26th Street to 1st Avenue South, southerly along 1st Avenue South to West Lake Street, easterly along West Lake Street and East Lake Street to the eastern boundary of senate district 61.

(b) House district 61B consists of that portion of senate district 61 not included in house district 61A.

Annotation: Lake Street changes from "West" to "East" before reaching the eastern boundary of the senate district.

Sec. 63. {2.653} SIXTY-SECOND DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 62 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis located within an area described as follows: commencing at the intersection of State Highway 122 and Cedar Avenue South, northeasterly along State Highway 122 to the Mississippi River, southeasterly and southerly along the Mississippi River to the extension of East 54th Street, westerly along the extension of East 54th Street and East 54th Street to 40th Avenue South, southerly along 40th Avenue South to East 55th Street, easterly along East 55th Street to 41st Avenue South, southerly along 41st Avenue South to East 56th Street, westerly along East 56th Street to 28th Avenue South, southerly along 28th Avenue South to East 58th Street, westerly along East 58th Street to Longfellow Avenue South, northerly along Longfellow Avenue South to an extension of East 57th Street, westerly along the extension of East 57th Street to Cedar Avenue South, southerly along Cedar Avenue South to East 58th Street, westerly along East 58th Street to 14th Avenue South, northerly along 14th Avenue South to East 54th Street, easterly along East 54th Street to Bloomington Avenue South, northerly along Bloomington Avenue South to East 48th Street, westerly along East 48th Street to the eastern boundary of senate district 61, northerly along the eastern boundary of senate district 61 to the point of origin.

Annotation: We again changed U.S. Highway 12 to State Highway 122. Because Chapter 246 unnecessarily split a populated census block with the extension of East 58th Street to 14th Avenue South, we altered the boundary slightly to conform it with Mn/DOT maps and census data.

Subd. 2. HOUSE DISTRICTS. Senate district 62 is divided into two house districts as follows:

(a) House district 62A consists of that portion of senate district 62 lying north of a line described as follows: commencing at the intersection of the western boundary of senate district 62 and East 36th Street, easterly along East 36th Street to Cedar Avenue South, southerly along Cedar Avenue South to East 38th Street, easterly along East 38th Street to Hiawatha Avenue, southeasterly along Hiawatha Avenue to East 42nd Street, easterly along East 42nd Street and its extension to the Mississippi River.

(b) House district 62B consists of that portion of senate district 62 not included in house district 62A.

Sec. 64. {2.663} SIXTY-THIRD DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 63 consists of that portion of Hennepin County consisting of that portion of the city of Minneapolis not contained in senate district 58, 59, 60, 61, or 62; that portion of the city of Richfield lying north of a line described as follows: commencing at the intersection of the western boundary of the city of Richfield and West 67th Street, easterly along West 67th Street and its extensions to Interstate Highway 35W, southerly along Interstate Highway 35W to West 73rd Street, easterly along West 73rd Street to 2nd Avenue South, southerly along 2nd Avenue South to the southern boundary of the city of Richfield, easterly along the southern boundary of the city of Richfield to the eastern boundary of the city of Richfield; the unorganized territory of Fort Snelling; and the Minneapolis-Saint Paul International Airport.

Annotation: Chapter 246 placed the portion of Minneapolis not contained in senate districts 57, 58, 59, 60, and 61 in senate district 63. Because senate district 57 does not contain any portion of the city, this superfluous reference was deleted. Senate district 62 was also added to the list to prevent a double assignment. This addition creates minimal population deviations and effectuates the legislature's apparent intent to make senate district 63 the residual district for Minneapolis. In the Richfield segment of the district boundary, references to the extensions of West 67th Street are required to complete the boundary line as it passes through a park near James and Irving Avenues and as it approaches Interstate Highway 35W.

Subd. 2. HOUSE DISTRICTS. Senate district 63 is divided into two house districts as follows:

(a) House district 63A consists of that portion of senate district 63 north of a line described as follows: commencing at the intersection of the western boundary of the city of Minneapolis and State Highway 62, easterly along State Highway 62 to Lyndale Avenue South, northerly along Lyndale Avenue South to West 58th Street, easterly along West 58th Street and East 58th Street and its extension to Interstate Highway 35W, southerly along Interstate Highway 35W to East 60th Street, easterly along East 60th Street to Portland Avenue South, northerly along Portland Avenue South to East 57th Street, southeasterly along East 57th Street to Chicago Avenue South, southerly along Chicago Avenue South to East 58th Street, easterly along East 58th Street to the western boundary of senate district 62.

(b) House district 63B consists of that portion of senate district 63 not included in house district 63A.

Annotation: The only change in the house districts clarifies the boundary West 58th Street and Interstate Highway 35W.

Sec. 65. {2.673} SIXTY-FOURTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 64 consists of that portion of Ramsey County consisting of that portion of the city of St. Paul located within an area described as follows: commencing at the intersection of the western boundary of the city of St. Paul and the southern boundary of senate district 66, easterly along the southern boundary of senate district 66 to Hamline Avenue, southerly along Hamline Avenue to Ayd Mill Road southeasterly along Ayd Mill Road to Summit Avenue, easterly along Summit Avenue to Griggs Street, northerly along Griggs Street to Portland Avenue, easterly along Portland Avenue to Victoria Street, southerly along Victoria Street to Portland Avenue, easterly along Portland Avenue to Dale Street, southerly along Dale Street to Summit Avenue, easterly and northeasterly along Summit Avenue to Western Avenue, southerly along Western Avenue and its extension to Ramsey Street, easterly along Ramsey Street and Grand Avenue to Interstate Highway 35E, southwesterly along Interstate Highway 35E to St. Clair Avenue, westerly along St. Clair Avenue to an extension of Victoria Street, southerly along the extension and Victoria Street to Jefferson Avenue, westerly along Jefferson Avenue to Interstate Highway 35E, southerly along Interstate Highway 35E to the southern boundary of the city of St. Paul, southwesterly, northerly, westerly, and northwesterly along the southern boundary of the city of St. Paul to the western boundary of the city of St. Paul, northerly along the western boundary of the city of St. Paul to the point of origin.

Annotation: A park lying south of St. Clair Avenue prevents the boundary line from turning south on Victoria "Street;" we added an extension of Victoria and clarified the street name. Because Victoria Street interrupts Portland Avenue, we also inserted a reference to Victoria to preserve the boundary's continuity. No other changes in this otherwise unambiguous boundary are justified.

Subd. 2. HOUSE DISTRICTS. Senate district 64 is divided into two house districts as follows:

(a) House district 64A consists of that portion of senate district 64 lying north of a line described as follows: commencing at the intersection of the western boundary of the city of St. Paul and the extension of St. Clair Avenue, easterly along the extension of St. Clair Avenue and St. Clair Avenue to Snelling Avenue, southerly along Snelling Avenue to Jefferson Avenue, easterly along Jefferson Avenue to Lexington Parkway, northerly along Lexington Parkway to the Soo Line railroad tracks, easterly along the Soo Line railroad tracks to the eastern boundary of senate district 64.

(b) House district 64B consists of that portion of senate district 64 not included in house district 64A.

Annotation: Chapter 246 mistakenly refers to senate district "64B," which does not exist. The deletion corrects the error.

Sec. 66. {2.683} SIXTY-FIFTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 65 consists of that portion of Ramsey County consisting of that portion of the city of St. Paul located within an area described as follows: commencing at the intersection of the southern boundary of the city of St. Paul and the eastern boundary of senate district 64, northerly, easterly, northerly, and northeasterly along the eastern boundary of senate district 64 to Grand Avenue, westerly along Grand Avenue and Ramsey Street to the extension of Western Avenue, northerly along the extension of Western Avenue and Western Avenue to Summit Avenue, southwesterly and westerly along Summit Avenue to Dale Street, northerly along Dale Street to Portland Avenue, westerly along Portland Avenue to Victoria Street, northerly along Victoria Street to Portland Avenue, westerly along Portland Avenue to Griggs Street, southerly along Griggs Street to Summit Avenue, westerly along Summit Avenue to Ayd Mill Road, northwesterly along Ayd Mill Road to Hamline Avenue, northerly along Hamline Avenue to Charles Avenue, easterly along Charles Avenue to Lexington Parkway, northerly along Lexington Parkway to Minnehaha Avenue, easterly along Minnehaha Avenue to Dale Street, northerly along Dale Street

to the Burlington Northern railroad tracks, easterly along the Burlington Northern railroad tracks past Interstate Highway 35E to the north-south Burlington Northern railroad tracks, southeasterly along the north-south Burlington Northern railroad tracks to an extension of Clermont Street, southwesterly along the extension of Clermont Street to the Mississippi River, southerly along the Mississippi River to the southern boundary of the city of St. Paul, westerly and southwesterly along the southern boundary of the city of St. Paul to the point of origin.

Annotation: The reference to Victoria Street in senate district 64 is also added in this district, which shares the same boundary.

Subd. 2. HOUSE DISTRICTS. Senate district 65 is divided into two house districts as follows:

(a) House district 65A consists of that portion of senate district 65 lying west of a line described as follows: commencing at the intersection of the northern boundary of senate district 65 and Rice Street, southerly along Rice Street to John Ireland Boulevard, southwesterly along John Ireland Boulevard to Summit Avenue, southwesterly along Summit Avenue to the southern boundary of senate district 65.

(b) House district 65B consists of that portion of senate district 65 not included in house district 65A.

Sec. 67. {2.693} SIXTY-SIXTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 66 consists of that portion of Ramsey County consisting of that portion of the city of St. Paul located within an area described as follows: commencing at the intersection of the western boundary of the city of St. Paul with the northern boundary of the city of St. Paul, easterly along the northern boundary of the city of St. Paul to Interstate Highway 35E, southerly along Interstate Highway 35E to Arlington Avenue, easterly and southeasterly along Arlington Avenue and Wheelock Parkway to Johnson Parkway, southeasterly along

Johnson Parkway to Maryland Avenue, westerly along Maryland Avenue to Edgerton Street, southerly along Edgerton Street to Cook Avenue, westerly along Cook Avenue to DeSoto Street, southerly along DeSoto Street to Case Avenue, westerly along Case Avenue and its extension to Interstate Highway 35E, southerly along Interstate Highway 35E to the east-west Burlington Northern railroad tracks, westerly along the east-west Burlington Northern railroad tracks to Dale Street, southerly along Dale Street to Minnehaha Avenue, westerly along Minnehaha Avenue to Lexington Parkway, southerly along Lexington Parkway to Charles Avenue, westerly along Charles Avenue to Hamline Avenue, southerly along Hamline Avenue to Interstate Highway 94, westerly along Interstate Highway 94 to the western boundary of the city of St. Paul, northerly along the western boundary of the city of St. Paul to the point of origin.

Annotation: Because Wheelock Parkway does not intersect with Maryland Avenue, the Johnson Parkway connection was required to continue the boundary line and to conform this description with that of the same boundary in senate district 55. The "east-west" description clarifies which of the two Burlington Northern tracks in the area is to be followed westerly to Dale Street.

Subd. 2. HOUSE DISTRICTS. Senate district 66 is divided into two house districts as follows:

(a) House district 66A consists of that portion of senate district 66 lying east of a line described as follows: commencing at the intersection of the northern boundary of the city of St. Paul with Grotto Street, southerly along Grotto Street to Arlington Avenue, westerly along Arlington Avenue to Lexington Parkway, southerly along Lexington Parkway to East Como Lake Drive, southerly along East Como Lake Drive to East Como Boulevard, southerly along East Como Boulevard and Como Avenue to the Burlington Northern railroad tracks, westerly along the Burlington Northern railroad tracks to Chatsworth Street, southerly along Chatsworth Street to Front Avenue, easterly along Front Avenue to

Western Avenue, southerly along Western Avenue to the southern boundary of senate district 66.

(b) House district 66B consists of that portion of senate district 66 not included in house district 66A.

Annotation: "District" replaces "portion," a typographical error. The boundary near Lake Como is also clarified in conformity with Mn/DOT and census annotations.

Sec. 68. {2.703} SIXTY-SEVENTH DISTRICT.

Subdivision 1. SENATE DISTRICT. Senate district 67 consists of that portion of Ramsey County consisting of that portion of the city of St. Paul located within an area described as follows: commencing at the intersection of the southern boundary of the city of St. Paul with the eastern boundary of senate district 65, northerly and northwesterly along the eastern boundary of senate district 65 to the northern boundary of senate district 65, westerly along the northern boundary of senate district 65 to the eastern boundary of senate district 66, northerly and easterly along the eastern boundary of senate district 66 to Maryland Avenue, easterly along Maryland Avenue to Kennard Street, northerly along Kennard Street to Sherwood Avenue, easterly along Sherwood Avenue to White Bear Avenue, northerly along White Bear Avenue to the northern boundary of the city of St. Paul, easterly along the northern boundary of the city of St. Paul to the eastern boundary of the city of St. Paul, southerly along the eastern boundary of the city of St. Paul to the southern boundary of the city of St. Paul, westerly and northwesterly along the southern boundary of the city of St. Paul to the point of origin.

Subd. 2. HOUSE DISTRICTS. Senate district 67 is divided into two house districts as follows:

(a) House district 67A consists of that portion of senate district 67 lying north of a line described as follows: commencing at the intersection of the eastern boundary of senate district 67 with Old Hudson Road, westerly along Old Hudson Road to Ruth

Street, northerly along Ruth Street to Minnehaha Avenue, westerly along Minnehaha Avenue to Frank Street, northerly along Frank Street to East Seventh Street, westerly along East Seventh Street to Earl Street, northerly along Earl Street to the Burlington Northern railroad tracks, westerly along the Burlington Northern railroad tracks to the western boundary of senate district 67.

(b) House district 67B consists of that portion of senate district 67 not included in house district 67A.

Annotation: In two places, Chapter 246 describes the house districts' boundary as moving westerly where it must move easterly to reach the next referenced street. The original boundary also followed the Burlington Northern tracks easterly to the eastern boundary of the senate district. Although this is possible, the area described was not a horizontal line. The area "north" of this line that was intended to comprise house district 67A was, therefore, not clearly ascertainable. Substituting "westerly" and "western," clarifies the boundary and the contents of the districts, which possess adequate population deviations and which mirror the districts illustrated in the metro area maps of Chapter 246.

Sec. 69. {2.713} CONTROLLING DESCRIPTION.
