**RE:** Annual Report on Yearlong Student Teaching Pilot Program

2014 Minnesota Laws Chapter 272. Article 3. Section 56. Subdivision 3 requires the Minnesota Board of Teaching to submit an annual report on the yearlong student teaching pilot program. However, at this time, no organizations have participated in this program option thus the Board of Teaching has no data to report. This annual report is effective for the 2014-2015 through 2018-2019 school years and data will be reported if/when organizations participate.
