Cost of Report Preparation

The total cost for the Minnesota Department of Education (MDE) to prepare this report was approximately \$ **180.96**. Most of these costs involved staff time in analyzing data from surveys and preparing the written report. Incidental costs include paper, copying, and other office supplies.

Estimated costs are provided in accordance with Minnesota Statutes 2011, section 3.197, which requires that at the beginning of a report to the Legislature, the cost of preparing the report must be provided.

Report on Minnesota School Districts and Charter Schools in Statutory Operating Debt (SOD) for Fiscal Year (FY) 2014

This report is notification to the legislature of school districts and charter schools in Statutory Operating Debt (SOD), as required by Minnesota Statutes, section 123B.83, Subdivision 3, (2014):

“If a district does not limit its expenditures in accordance with this section, the commissioner may so notify the appropriate committees of the legislature by no later than February 15 of the year following the end of that fiscal year.”

The information in this report has been compiled from FY 2014 Uniform Financial Accounting and Reporting Standards (UFARS) financial data. All Minnesota school districts and charter schools¹ must report their audited financial data for the previous fiscal year to the Minnesota Department of Education (MDE) by November 30 and submit an audited financial statement to MDE by December 31.

Under Minnesota Statutes, section 123B.81, a school district or charter school² is in SOD when it reports a year-end negative Net Unreserved General Fund Balance (NUGFB) which exceeds 2.5 percent of its unreserved/undesignated operating expenditures.

By January 31 of the following fiscal year, a district/school in SOD and its board of education are required to create and implement a special operating plan which is formally approved through a board resolution and submitted to the commissioner of the MDE for approval. SOD plan requirements consist of narratives on the districts/schools current SOD position; budget development and financial management processes; ongoing financial monitoring processes and procedures; special operating plan budget projections and school board resolution. MDE staff members work with school districts and charter schools in preparation of the special operating plan and monitor district/school progress.

Note: Effective for FY 2011 and later years, UFARS fund balance account codes were modified to accommodate the implementation of Government Accounting Standards Board (GASB) Statement 54, Fund Balance Reporting and Governmental Fund Type Definitions. Under these new accounting standards, general fund ending balances formerly reported in 422 Unreserved/Undesignated are now classified into one of five categories: 1) Nonspendable, 2) Restricted, 3) Committed, 4) Assigned or 5) Unassigned. The SOD calculation for FY 2014 includes the following fund balance accounts: 418 Committed for Separation/Retirement Benefits; 460 Nonspendable Fund Balance; 461 Committed Fund Balance; 462 Assigned Fund Balance; 464 Restricted Fund Balance; and 422 Unassigned Fund Balance.

¹ Under Minnesota Statutes, section 124D.10, Subdivision 8 (j), charter schools must comply with Minnesota Statutes, section 123B.77.

² Under Minnesota Statutes, section 124D.10, Subdivision 8 (j), charter schools must comply with Minnesota Statutes, section 123B.81.

There were 11 active³ schools in SOD at the close of FY 2014: seven independent school districts and four charter schools (Table One). Fiscal Year 2013 had a total of seven independent school districts and five charter schools in SOD status.

The following districts/charter schools in SOD in FY 2013 were no longer in SOD at the close of FY 2014: Alden-Conger #242, Hills-Beaver Creek #671, Eagle Valley #2759, Loveworks Academy for Arts #4139, Minneapolis College Preparatory #4203, Nasha Shkola #4208 and Mastery School #4209.

Among the entities in SOD at the close of FY 2014, one school district and two charter schools had been in SOD in prior periods: Kimball Public School #739 in FY 2005, Woodson Institute for Excellence #4086 in FY 2004 and Dakota Area Community Charter in FY 2004.

Woodson Institute for Student Excellence #4086, on the FY 2012 and 2013 SOD list, did not meet their FY 2013 or FY 2014 special operating plan goals. Swanville #486, Kimball #739 and Ivanhoe #403 did not meet their FY 2014 special operating goals. Brooklyn Center #286 did make adequate progress on their special operating plan in FY 2014.

³ Twelve reporting entities had net negative unreserved general fund balances in FY 2014. One Charter School, Arch Academy, #4211, closed. Eleven active SOD schools are listed in Table One.

Table Two illustrates historical data. Since Fiscal Year 2000, Statutory Operating Debt has been calculated using the sum of the Unreserved/Undesignated fund balance accounts of the general fund only. Prior to Fiscal Year 2000, the SOD calculation included food service fund and community service fund balances, as well as statutory reserve accounts in the general fund.
