III. COLLECTION EFFORTS

1. 1992 MCS

The 1992 MCS currently has a 97 percent collection rate. Of the outstanding overdue accounts, 6 providers are on payment plans and staff are working with other providers that have fallen behind in making payments and need to become current.

2. Intergovernmental Transfer

The collection rate for all IGT's is 100 percent.

A. **IGT 2:** is billed to the Hennepin County Medical Center and the University of Minnesota each month, with payment due by noon on the 15th of the month. The billing and collection of the IGT is done by the MCS system which generates an invoice and account record for each month of the transfer.

- B. IGT 3:** is billed to fifteen counties as identified by statute, with payment due by noon on May 31. The billing and collection of this IGT was done by the MCS system which generates an invoice and account record for each county.
