My Dear Governor:-

As required by law am herewith transmitting to you my annual report of the activities of the State Board of Dental Examiners for the year 1935. As the former Secretary had been checked for the time he held over by the Examiners I take it that all I had to report on was the time I had held the office. Should you wish a statement of the time held over by the former secretary I will be glad to furnish you with whatever information you should desire.

I have been intensely interested in your trip to Rochester and it is my sincere wish that you may have as speedy a recovery as is possible. We must have you in ship shape for the campaign this coming fall.

Yours very sincerely,

Paul Hagen  
Secretary-Treasurer.
