RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules

Dear Governor Dayton, Senators, Representatives, Mr. Hubinger, and Revisor Timmons:

Minnesota Statutes, section 14.05, subdivision 5, directs agencies to report to you December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Gambling Control Board had previously declared its intention to fix an obsolete reference in rule; that process is concluded (see Laws 2015, Ch. 52, Sec. 22, Revisor's Instruction), and the obsolete reference corrected.

The Board has reviewed its rules and found portions of a paragraph in one subpart (7861.0260, subpart 4, paragraph K) that have become unnecessary or obsolete (see page 2 for description). No other rules have become obsolete, unnecessary, or duplicative over the course of the last year.

Please let me know if I can provide further assistance.

Sincerely,

Peggy Mancuso
Executive Assistant

7861.0260 CONDUCT OF LAWFUL GAMBLING.

Subp. 4. **Prizes awarded; records required.**

A-J...

K. When a player presents a valid driver's license, a U.S. military identification card, or another form of government-issued picture identification to participate in electronic gaming, the organization must register the following information:

- (1) the player's name as shown on the identification card;
- (2) the identification card number;
- (3) the date and time when issuing the device to the player;
- (4) the serial number or other unique identifier of the device issued; and
- (5) the time when the device was returned.

The organization must keep the registration information for a minimum of five days.

Portions of paragraph K in subpart 4 were made obsolete or unnecessary by Laws 2015, Chapter 52, Sec. 15, subd. 9, paras. (e) and (f); and Sec. 16, subd. 4, paras. (h) and (j), which deleted a registration requirement.

7861.0260, subpart 4, will be amended in a future rulemaking process to reflect the changes contained in Laws 2015, Chapter 52, Sections 15 and 16.
