Re: Annual Report on Obsolete Rules

To Whom It May Concern:

In accordance with Minn. Stat. 14.05 Subd.5, the Minnesota Emergency Medical Services Regulatory Board (EMSRB) has reviewed current rules and determined that no rules or portions of rules would be considered obsolete, unnecessary or duplicative of other state or federal statutes or rules.

The EMSRB will continue to review current rules and request repeals or amendments of rules as allowed by law.

For additional information or questions, please contact Executive Director Tony Spector at 651-201-2806 or e-mail tony.spector@state.mn.us.
