

CENSUS OF POPULATION AND HOUSING

[Current Publications Page](#) | [Glossary](#)

Census of Population and Housing data present here ranges from our most recent census to the historical decennial census conducted throughout the decades. Some of the data were scanned as an effort to make historical census information available to the public. The display of data will continue as historical census records become available. For access to volumes not available through this project, please call your local [Federal Depository Library](#).
