

## **FINAL** Environmental Impact Statement - Chippewa and Superior National Forests

---

Documents are in .pdf format. The software to view these documents is available free from Adobe, and can be downloaded at [www.adobe.com](http://www.adobe.com).

The document has been separated into sections for quicker download time.

### [Table of Contents, Abstract and Preface](#)

### [List of Tables and Figures](#)

### [Abbreviations](#)

[Chapter 1](#) - Describes why the Forest Service proposed to revise the Forest Plans, why change is needed, and what issues are addressed

### [Chapter 2](#) -

Describes alternative ways of managing the Chippewa and Superior National Forests. Chapter 2 briefly compares the potential environmental and social effects of each alternative.

### [Chapter 2 Tables 8-11](#)

### [Chapter 3 - Contents](#)

Describes the current condition of resources that could be affected by the alternatives. It discusses in more detail the environmental and social effects of implementing each alternative.

### [3.1 - Introduction](#) (Biological and Social Setting, chapter organization)

### [3.2 Forest Vegetation](#)

### [3.3 Wildlife Habitat:](#)

- [3.3.0 Introduction](#)
- [3.3.1 Forest Type & Age Management Indicator Habitats \(MIH\) text,](#)
- [3.3.1 Figures](#)
- [3.3.2 Spatial Patterns Management Indicator Habitats](#)
- [3.3.3 Aquatic Management Indicator Habits](#)
- [3.3.4 Threatened and Endangered Species](#)
- [3.3.5 Regional Forester Sensitive Species](#)
- [3.3.6 Other Species of Management Concern](#)
- [3.3.7 Non-native Invasive Species](#)
- [3.3.8 Recreation Impacts and Wildlife](#)

[back to top](#)

### [3.4 - Timber](#)

### [3.5 - Fire](#)

### [3.6 - Watershed Health](#)

### [3.7 - Special Designations](#)

### [3.8 - Recreation](#)

[3.9 - Social and Economic Sustainability](#)[3.10 - Other Considerations](#)

[Chapter 4](#) - Lists the people who prepared the EIS

[Chapter 5](#) - Lists the people and governmental agencies that were consulted during the revision process.

[Glossary](#) - Provides definitions for key terms

[References](#) - Lists the references used in the analysis.

[FEIS Index](#)

**FEIS Appendices:**

[Appendix A](#) - Public Involvement

[Appendix B](#) - Analysis Processes

[Appendix C](#) - Roadless Areas Management

[Appendix D](#) - Management Indicator Habitat

[Appendix E](#) - Wild and Scenic Rivers Process

[Appendix F](#) - Transportation Systems

[Appendix G](#) - Range of Natural Variability and Landscape Ecosystems

[Appendix H](#) - Cumulative Effects Overview

[Appendix I](#) - Relevant Statutes, Regulations, Policies and Agreements

[Appendix J](#) - Response to Comments

[Appendix J - Agency - City](#)

[Appendix J - Agency - County](#)

[Appendix J - Agency - Federal](#)

[Appendix J - Agency - State](#)

[Appendix J - Tribal](#)

**[FEIS Summary](#), [Summary Tables](#)**

**FEIS Alternative Maps:**

[Chippewa National Forest](#), [Superior National Forest](#)
