SUBJECT: Report on Sudan Required by *Minnesota Statutes*, Section 11A.243

Minnesota Statutes, Section 11A.243 requires the State Board of Investment (SBI) to submit a report to the chairs of the legislative committees and divisions with jurisdiction over the State Board of Investment concerning the SBI's identification of, communication with, and discontinuance of investment in certain companies with operations in Sudan.

Section 11A.243, subdivision 8, specifies that the SBI include in the report a:

1. Summary of correspondence with companies;
2. List of all investments divested;
3. List of prohibited investments;
4. Description of any progress in having investment management firms create investment funds that exclude Sudan companies.

As provided for in Section 11A.243, subdivision 2, the SBI relies on publicly available information provided by the EIRIS Conflict Risk Network regarding companies with business operations in Sudan.

Attachment 1 displays a list of restricted Sudan companies. There were three companies added to the restricted list in 2015 and eight companies removed. One company was added to the divestment list.

The law calls for divestment of securities of companies which do not publicly announce substantial action specific to Sudan within 90 days of the SBI correspondence. In 2015 the SBI divested their ownership in two companies for a total of 122,012 shares of stock.

Attachment 2 displays the current list of restricted stocks sent to SBI equity managers. The managers are explicitly instructed to refrain from purchasing shares in the stocks of companies on this list.
