ABOUT US

Mission

The Minnesota State Council on Disability is an agency that advises, provides technical assistance, collaborates and advocates to expand opportunities, improve the quality of life, and empower all persons with disabilities.

Values

We operate with a specific set of values:

- **Inherent Respect For All.** We assume all individuals are entitled to live productive, independent, healthy lives within their community.
- **Integrity.** We examine issues affecting the disability community in Minnesota and disseminate fair and objective information in a timely manner.
- **Independence.** We promote independence and choice for all people with disabilities.

Vision

To be a primary, productive resource for disability-related information providing leadership and promoting innovative policies through:

- Effective administrative operations
- Legislative interaction, and
- Statewide collaboration

Customers

- People with disabilities and their families
- The Governor
- Legislature
- State and local government
- Private agencies
- Employers
- General public

Services

- Review disability issues and advise State government
- Promote coordinated, collaborative interagency efforts
- Provide information and referral
- Collect, conduct, and make disability-related research and statistics available to all customers
- Advocate for policies and programs that promote quality of life for all people living with a disability

COUNCIL BOARD MEMBERSHIP

The Governor appoints all members to three-year terms. The Governor also appoints the board chair. To apply to become a Council member contact the Council office for an application.

David Schwartzkopf, Chair

Rochester, Minnesota - Region 10

David has worked in the disability field as Executive Director of the Southeastern Minnesota Center for Independent Living and as Assistant Commissioner of Jobs and Training. He served as past chair of the Minnesota Council for the Blind and the Governor's Initiative of Technology for People with Disabilities. He has over 30 years of executive experience with for-profit and not-for-profit organizations and groups.

Rev. David Sams, Vice-Chair

Redwood Falls, Minnesota - Region 8

Dave has had a dual career as a Career Rehabilitation Counselor at the Worthington Rehabilitation Services Office and as an Episcopal priest. He has served on the board of the Southwest Center for Independent Living (SWCIL) in Marshall and is now an employee. He is a recipient of the Rose and Jay Phillips Award from Courage Center and the Victory Award as Disabled Minnesotan of the Year in 1994.

Russell Philstrom

Emily, Minnesota - Region 5

Russ is an active volunteer, spokesperson, and Chair of the Brain Injury Association of Minnesota. He is involved in numerous community activities and was previously mayor of Emily, Minnesota. As proprietor of Northwood's Exposure Art Gallery and Custom Framing Company he enjoys working with customers. Russ also sells pieces of art known as "custom fishing rods". His claim to fame is that you always catch a fish with one of his rods. He is currently chairperson of Emily/Fifty Lakes Area Chamber of Commerce.

Mark Hughes

Shoreview, Minnesota - Region 11

Mark has served as co-chair of the St. Paul Mayor's Advisory Committee for People with Disabilities and on the board of the Disability Institute. He is currently employed at Hubbard Broadcasting. He also hosts a weekly cable access talk show on disability issues, titled "Disability Viewpoints".

Joanne Olson

Duluth, Minnesota - Region 3

Joanne received her education as a nurse with a special interest in rehabilitation. She worked as a nursing instructor, as a nursing home educational director, outreach nurse for Planned Parenthood, and in on-call positions in various hospitals in the Duluth area. In addition to work as a certified message therapist, she helped her mother pass this world with dignity knowing she was loved and cherished.

Edward Butterfass

Watkins, Minnesota - Region 6

Ed has been a farmer in rural Minnesota for over 30 years. Ed knows first hand the hardships and joys a family with a child with a severe disability faces. Ed's son, Joshua, has spina bifida. Because of Ed's tireless advocacy in the rural educational system, Joshua and other children have been able to have successful educational experiences. As an advocate for the economically disadvantaged rural farmer, Ed lends his experience and hearty laugh to farmers in the Fenceline program - a program that provides advice and encouragement to farmers who face disability. He also served on the Heartland Community Action Agency Headstart Board for six years.

Sylvia Carty

St. Paul, Minnesota - Region 11

Sylvia is an active community volunteer who has served on numerous public and private boards. Sylvia enjoys a heartwarming reputation in her community and is recognized by many volunteer organizations for her tireless involvement. Currently Sylvia volunteers with the Living at Home Senior Program, Crossroads Elementary School, and the Quality Design Commission of the Minnesota Department of Human Services. Before retiring, Ms. Carty served as Director of the Child Development Center at Hallie Q. Brown Center for 24 years.

Kenneth Rodgers

Minneapolis, MN - Region 11

Ken is originally from California, where he earned his B.S. degree in Human Services/Education and taught junior high school math and science, and high school computer programming. He moved to Minnesota in 1989 and attended the College of St. Catherine, where he received his nursing degree and a certification in Holistic Health Studies. In 1992, Ken began his second career as a Registered Nurse at Abbott Northwestern Hospital and worked as an HIV/STD Education Specialist managing the

Project Positive Program at Clinic 42. Ken is also the President of the American Council of the Blind of Minnesota and sits on the Transportation Accessibility Advisory Committee of the Metropolitan Council. Recently, Ken began his Master's of Public Affairs program at the University of Minnesota's Humphrey Institute for Public Affairs. Ken, along with his guide dog Nan, and his life partner Richard, live in the Riverfront District of Northeast Minneapolis.

Kathleen Peterson

Warren, Minnesota - Region 1

Kathleen, as the parent of a deaf child, brings an advocacy perspective to the Council, as well as the expertise of a professional and volunteer sign language interpreter. Currently, Kathleen is the manager of Interpreter Services for the University of North Dakota. Kathleen is involved in her community and has served on the executive board of the Warren Parent Teacher Association. Ms. Peterson founded "Socialization Day," an annual workshop for deaf/hard of hearing students, their parents, interpreters, and teachers. Kathleen also provides a wealth of previous council experience, having served as a council member of the Minnesota Commission Serving Deaf and Hard of Hearing People and as chairwoman of the Special Education Advisory Council.

Barbara Stensland

Bemidji, Minnesota - Region 2

Ms. Stensland is the current co-chair of the Relocation Committee and is a member of the MSCOD Executive Committee. Since 1993, Barb has worked as Area Director of the Lutheran Social Service (LSS) of MN. Prior to her current position, Barb was co-owner of an intermediate care facility for persons with disabilities for 14 years. She is a licensed social worker and special education and elementary education teacher, and has done substitute teaching for the Bemidji school district in the past. Barb has previously served on a Department of Human Services Advisory Committee for Home and Community Waiver Programs. She also volunteers with the Minnesota chapter of the MS Society as an MS Walk Coordinator and Caregiver Support Facilitator.

Joani Werner

St. Paul, Minnesota - Region 11

Joani is an Area Work Incentive Coordinator for the Social Security Administration in the St. Paul office. She serves as a regional expert on employment supports for Social Security disability programs, and approves and provides technical guidance on work incentives for 22 offices covering Minnesota, Wisconsin and Michigan. She also coordinates and conducts training and outreach seminars on the Ticket-to-Work program and other employment supports. She has over 20 years of experience with work incentives with the Social Security Administration. She was an original member of the award-winning St. Paul Pass Cadre. Her special interest is working with youth with disabilities, advising them on how to use the SSI program employment supports as a bridge to work. She recently contributed to two journals: "SSI Work Incentive Case Studies for Special Ed Youth" and "Meeting the Needs of Youths with Disabilities."

Kathy Wingen

St. Cloud, Minnesota - Region 7

Kathy knows from first-hand experience that working hard to complete an education in challenging circumstances is only half the battle. After graduating college it took six years before Kathy was able to break down cultural barriers so she could begin to realize her dreams of being employed. Since then, Kathy has been a supportive, tireless, and active voice in her community, serving such organizations as: St. Cloud Area Council on Disabilities, United Cerebral Palsy of Central MN, St. Cloud Metropolitan Transit Commission, National Organization of Pro Bono Professionals, and the St. Cloud Church of St. Michael. Currently, Kathy works with St. Cloud Legal Services, Inc. as a public benefits paralegal. Prior to joining Legal Services, she coordinated the Supplemental Security Income Outreach project in St. Cloud, acting as a liaison between persons applying for SSI and the Social Security Administration.

COUNCIL MEETINGS

Photo 1: Left to right; Evelyn Anderson, Stuart Cross, Kathy Wingen and Joan Willshire at a MSCOD Council Meeting.

According to its bylaws, the MSCOD meets at least three times each year. In 2005, legislation was passed allowing the MSCOD to conduct council meetings by electronic means when necessary. Council members who travel from greater Minnesota or who are unable to attend in person can attend via teleconference. Our partners in State government, non-profit agencies, and local businesses provided meeting space for our council board meetings. Everyone is welcome to attend council meetings, which are all open to the public. During fiscal year 2007 the full council and its sub-committees met four times.

Annual Legislative Forum

December 4, 2006: The MSCOD hosted its annual Legislative Forum via video conference. 150 people attended from the seven locations via videoconference site and over 40 disability organizations participated in the event. For the first time ever we also were able to web stream the event too with around 70 people accessing the event. Representative Paul Thissen, Chair of the House Health Care and Human Services Committee, spoke at the event. Organizations were encouraged to share their legislative agenda for the upcoming session. At the event, individuals asked questions of state agencies and disability organizations. In addition, members of the Minnesota Consortium for Citizens with Disabilities (MN-CCD) and other groups presented their proposals for the 2007 legislative session.

Town Hall Meetings

The MSCOD began holding quarterly town hall meetings to focus on specific disability-related issues. The meetings were held via videoconference and were Web streamed

Publications

The MSCOD publishes and disseminates information on a variety of disability issues, including a *Legislative Summary*, *Access Survey*, *Responding to Disability: A Question of Attitude*, and informational brochures. On-line versions are user-friendly and accessible to all individuals. The Council also organized a legislative reference manual for legislators that contained valuable information on disability awareness, the ADA, key disability issues, and other information.

Legislation

Photo 5: MSCOD's Executive Director Joan Willshire testifying in front of the Legislature.

The MSCOD continued to advocate for individuals with disabilities at the Minnesota State Legislature. Members of the Minnesota Consortium for Citizens with Disabilities (MN-CCD) were able to effectively advocate for Minnesotans with disabilities.

The MSCOD also worked with legislators to enact other disability-related legislation including:

- The removal of the MSCOD's sunset provision has now resulted in the MSCOD becoming a permanent fixture in Minnesota's baseline budget.
- Granting preference to people with disabilities and disabled veterans in housing provided by the public housing authority.
- Exploring the possibility of incorporating the adaptability design elements in the State Building Code for single family homes, duplexes, triplexes, and multi-level townhouses.
- Convening a work group to address equipment issues for safe patient handling.

MSCOD 2007 Annual Legislative Report

- Facilitating a statewide review of the assistive technology needs of people with disabling conditions, and seniors. The Council shall present to the chairs of the house and senate committees having jurisdiction over human services, by January 1, 2009, the recommendations.
- The Council on Disability in fiscal year 2008 is to provide \$100,000 financial support to the, Minnesota Regional Assistive Technology Collaborative, and \$200,000 is for a transfer to the commissioner of administration for the purposes of completing the state's remaining share of the local match required to access the federal Technology Related Assistance Act for Persons with Disabilities.

MSCOD Legislative letters of support written on the following issues:

Letter of Support for State Services for the Blind

Letter of Support for the "Freedom to Breathe Act"

Letter of Support for the "Seat Belt Law"

Letter of Support for MCIL for increased funding

Letter of Concern for Met Council bill SF1111

Letter of Support for Newborn Infant Hearing Screening HF1095/SF1206

Surveys and Research

- The Governor's Council on Developmental Disabilities conducted a survey that had been conducted in 1966 and recreated it again to conduct the survey in 2006. MSCOD contributed to this survey. The survey was on employers' attitude regarding disability.
- Conducted Annual Customer Satisfaction Survey using Supersurvey.com, which assists the Council in determining the strategic direction. This year, we received 181 responses, higher than any previous year.
- Over 10 accessibility surveys were conducted to businesses, state agencies and others as requested.
