Governor Dayton's Budget for Willmar

The budget signed into law this year by Governor Mark Dayton is fair, responsible, and makes critical investments in Minnesota's future. New school initiatives help provide a world-class education for Minnesota students. The budget also invests in proven job creation strategies.

For the past decade, middle-class Minnesotans have struggled under ever-increasing property taxes. But the Governor's budget will deliver significant property tax relief.

Additionally, this budget delivers tax fairness for Minnesotans by asking the wealthiest two percent of Minnesotans to pay their fair share in taxes. This will allow for essential investments in Minnesota communities like Willmar, including new resources for Willmar schools and students, new support for job creation, and funding for needed middle class property tax relief.
