The Honorable Jennifer Loon

St. Paul, MN 55155

Dear Senator Wiger and Representative Loon:

The Minnesota Association of School Administrators (MASA) has supported the Governor's E-12 target of approximately \$694 million. At this point, MASA supports the Governors requested conference committee target of \$550 million. MASA's top priority continues to be a significant increase in the general education per pupil funding formula. We stand ready to work with all concerned parties to craft a suitable budget solution. We are appreciative of Governor Dayton's strong support of public education!
