## **Programs and Purposes of the Minnesota Humanities Center**

Funds are appropriated for programs and purposes of the Minnesota Humanities Center. The humanities remind us of where we have been, bring knowledge and insights to current life, and help us envision where we are going. We work to articulate and strengthen what connects us, rather than what divides us. The Minnesota Humanities Center collaborates with organizations and individuals to develop programs that facilitate and frame community conversations, deepen connections, and bring into public life the authentic voices of all people, especially those that have often been left out or marginalized.

The Minnesota Humanities Center is committed to programs that are built with the people in communities across the state and connect with our global, diverse population. During the 2017-19 biennium, the Humanities Center's Legacy Funded work will be divided in five priority areas:

1) K-12 Public Education; 2) *Why Treaties Matter: Self-Government in the Dakota and Ojibwe Nations Exhibit*; 3) Veterans' Voices; 4) We Are Water MN; and 5) General Humanities.

### **(1) K-12 Public Education**

**Total: \$0**

The primary goal of the Humanities Center's Education Initiative is to increase student engagement and success; the foundation is strengthening the teacher-student relationship. Drawing upon the multiplicity of experiences and cultures represented in schools, educators gain insight into how to engage every student authentically and respectfully.

### **(2) *Why Treaties Matter: Self-Government in the Dakota and Ojibwe Nations* Exhibition**

**Total: \$82.17**

*Why Treaties Matter: Self-Government in the Dakota and Ojibwe Nations* is a traveling exhibition made in partnership with the Minnesota Indian Affairs Council and the Smithsonian's National Museum of the American Indian. The exhibit explores relationships between Dakota and Ojibwe Indian Nations and the U.S. government in this place we now call Minnesota. Legacy funds will be used to support a new statewide tour, educational resources, and community engagement activities throughout Minnesota in 2018-2019 in partnership with the Minnesota Indian Affairs Council and 11 sovereign nations.

### **(3) Veterans' Voices**

**Total: \$6,724.42**

Drawing on the power of the humanities, Veterans' Voices changes the narrative of Veterans and honors their contributions. It empowers Veterans to speak in their own voices through plays, discussions, literature, and the Veterans' Voices Award. Veterans' Voices will recognize the next great generation and illustrate that the Veteran's voice is essential to the work of building our great democracy.

### **(4) Water/Ways**

**Total: \$0**

We are Water MN is a program and partnership with the Humanities Center, the Minnesota Pollution Control Agency, Minnesota Historical Society, Minnesota Department of Health, Minnesota section of the American Water Works Association, and eight greater Minnesota communities. Bringing *Water/Ways*, a traveling exhibition and community engagement initiative of the Smithsonian Institution's Museum on Main Street program, Legacy funding will support *We Are Water MN* work for relationship building with existing partners and for community engagement events at the eight Minnesota host sites. The 2018-2019 host sites are located in Grand Rapids, Onamia, Cloquet, Minneapolis, Bemidji, Crookston, Austin, and Northfield.
