Governor Dayton's \$1.5 billion public works proposal would make urgently-needed investments to build world-class colleges and universities for Minnesotans, and improve and repair state buildings and other critical infrastructure across the state. The Governor's proposal would invest \$541 million at the University of Minnesota and Minnesota State campuses. An additional \$996 million would be directed to improving state buildings, building affordable housing, repairing clean water infrastructure, and other infrastructure projects across Minnesota.
