Subject: Annual Report of Obsolete, Unnecessary, or Duplicative Rules per Minnesota Statutes 14.05(5)

Submitted by the Minnesota Board of Barber Examiners

The Board of Barber Examiners has conducted a review of its Administrative Rules in Minnesota Chapter 2100 and finds the following obsolete, unnecessary, or duplicative rules:

1. Minnesota Rule Part 2100.0100, subpart 3 defines the phrase “has practice as a barber” formerly found under Minn. Stat. §154.11. This definition is not referenced within the current version of Minn. Stat. §154.11 and therefore is obsolete.
2. Minnesota Rule 2100.4500 Instructor Registration Qualifications is duplicative of Minnesota Statute Section 154.056(3).
3. Minnesota Rule 2100.2500 Examination dates states that examinations are held in the second week of February, May, August, and November. Examinations are currently held in the first week of these months.

The Minnesota Board of Barber Examiners reported these rules during the report last year. The Legislative and Rules Committee of the Board has been focused on possible statutory changes. Rulemaking was tabled pending additional rulemaking needs. We will initiate rulemaking within the next year to address these obsolete rules and additional changes that may become necessary due to any enacted legislation.

Respectfully,
