**Subject: Annual Report on Obsolete, Unnecessary, or Duplicative Rules as Required by
Minnesota Statutes, section 14.05, subdivision 5**

Dear Governor Walz, Senators, Representatives, Revisor Inman, Director Hubinger, Director Lincoln:

Minnesota Statutes, section 14.05, subdivision 5, directs state agencies to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The POST Board has reviewed its rules and, with the completion of a rulemaking process in September of 2019, found that Board rules that are or have become obsolete, unnecessary, or duplicative have been addressed.

On September 9, 2019, rules and repeal of rules regarding standards of conduct, licensing examinations, licensing of peace officers, continuing education, license renewal and part-time peace officers went into effect. The adoption of these new rules complete a lengthy rulemaking process the board began in January of 2018 when it approved changes to the standards of conduct. A link to the new rules can be found here:
