**RE: Trunk Highway Debt Service Report** 

Dear Commissioner Bauerly,

The Laws of 2008, Chapter 152, Article 2, Section 1, Subdivision 2 stipulate that:

On June 30, 2008, and each March 1 thereafter, the commissioner of finance shall report to the commissioner of revenue on trunk highway debt service. The report must include the annual amount of revenue from the surcharge previously deposited in the trunk highway fund, and a forecast of the total and annual amounts necessary to pay the remaining debt service.

This letter is being sent in satisfaction of this requirement. The amount of revenue from the surcharge deposited into the fund in the current fiscal year is \$66,281,000. The amount transferred from the trunk highway fund to pay the FY 2018 debt service on bonds authorized in Chapter 152 is \$131,878,000. Over the life of the Chapter 152 bonds, the surcharge will under collect the amount needed for debt service by \$352,072,000.

A summary of the projected surcharge revenue and debt service payments is in the attached page.

## Notes:

<sup>(1)(2)</sup>Debt surcharge revenue and DNR transfer estimates from MnDOT: 2009-18 reflect actual revenue, and 2019+ reflects assumptions as of February 2019 forecast

2019-23 directly from Feb 2019 forecast, 2024+ uses blended average of long-term fuel consumption projections from two sources:

-IHS Markit national highway fuel consumption (Feb 2019)

-Energy Information Administration (EIA) motor gasoline consumption for West North Central census region (2019 Annual Energy Outlook)

<sup>(3)</sup>Portion of DNR transfers attributable to debt surcharge estimated at average annual rate for debt surcharge divided by total average annual gasoline tax rate

DNR receives percentage of all gasoline taxes for six accounts, which total ~3.096% per M.S. 296A.18

(4) Trunk Highway portion of debt service surcharge is 62% of 95%, or 58.9%, of surcharge revenues net of DNR transfers, per Minnesota Constitution Article XIV

<sup>(5)</sup>Debt transfer amounts from MMB: 2009-19 reflect actual transfers, and 2020+ reflect projections as of February 2019 forecast (net of premium and interest)

Per M.S. 296A.083, for setting the surcharge rate in FY 2013+, portion of debt surcharge deposited in the Trunk Highway Fund must be compared to Chapter 152 debt transfers for 2009-39
