- Transfers of appropriations between accounts within or between agencies if the cumulative amount is more than \$100,000 in the previous fiscal year.
- Copies of each agreement.

In fiscal year 2019, the Department of Corrections (DOC) had 9 interagency and service level agreements with a cumulative value of more than \$100,000, for a total amount of \$32,413,487. These agreements were made with the MN IT Services, MN Management and Budget, Attorney General, Department of Employment and Economic Development, MN Supreme Court, Department of Human Services. In fiscal year 2019, DOC had 64 transfers with a cumulative value of more than \$100,000, totaling \$45,205,935. The attached spreadsheet entitled, "FY19 DOC Interagency and Transfer Report" also lists the transfers of appropriations between accounts within DOC and with other agencies. In addition, the Department will pay for legal costs and expenses associated with the provision of legal services as provided in paragraph 5 of this Agreement. Invoices from third parties for these costs and expenses will be forwarded by the AGO to the Department for payment. Monthly payments shall be made by the Department to the AGO based on billings for hours of service provided for legal work. The payment(s) shall be made within 30 days of the date of the monthly billing. The first monthly billing to the Department under this Agreement will cover the period of time commencing July 1, 2017.

3. **Provision of Services:** The AGO will provide additional legal services to the Department in accordance with Minnesota Statutes Section 8.06, except those duties, if any, delegated to Department personnel or provided by outside counsel under Section 8.06. The scope of legal services to be provided includes all matters pertaining to the Department's official duties, including representation in litigation or other legal proceedings, provision of legal advice and assistance as requested by the Commissioner of Corrections or his designee, and other legal needs as may be necessary, except no services provided under this agreement will be related to representation in administrative review of sex offender risk-level determinations.

Pursuant to Section 8.06, the Attorney General may authorize outside counsel to be employed to provide legal services to the Department. If the AGO appoints outside counsel to represent the Department in any legal matters, the Department retains the right to be consulted on the choice of counsel. The Department after consultation and agreement to the appointment of outside counsel selected by the AGO, will pay directly for these legal services.

The relationship between the AGO and the Department shall be one of attorney and client governed by the Minnesota Rules of Professional Conduct, including, but not limited to, client confidences, communications and conflicts of interest. If the AGO determines that any of its responsibilities are inconsistent with representation of the Department, the AGO will communicate those concerns to the Department and, if requested by the Department, provide separate representation for the Department by another AGO attorney or outside counsel.

The AGO shall require attorneys assigned Department cases to maximize use of the Department's litigation coordinators, paralegal(s), and other Department staff.

The Department has requested, and the AGO agrees to provide, delegations to an attorney(s) employed by the Department to handle all legal matters relating to all habeas corpus actions brought in the district courts of the State of Minnesota and in the United States district courts, as agreed upon by the parties. The AGO will handle any appellate matters related to habeas cases.

AGO staff will meet with the Department upon request to review priorities for legal services, to discuss strategies for reducing litigation and related costs, to review litigation data to ensure accuracy, and to discuss whether, given reductions or increases to Department programs or other significant unforeseen developments, the percentage allocation for all services to be provided as set forth in paragraph 1 of this Agreement should be amended.

4. **Reporting:** The hours of legal services provided under this agreement will be recorded by AGO staff for use in the AGO billing system. When recording hours of legal services provided, the AGO staff will specify specific information about the services provided, including identifying the appropriate AGO docket number and names of Department staff involved, if applicable. The AGO will provide the Department with a report of all hours of services provided under this agreement on a monthly basis. Each report will include data from either two (2) or three (3) complete pay periods, from the end date of the preceding report through the last full pay period of the month in which the report is produced. The AGO will provide each report to the Department no later than six (6) weeks after the end of the period covered by the report.

5. **Legal Costs and Expenses:** Litigation costs and expenses, including, but not limited to, the cost of filing legal documents, hiring expert witnesses and court reporters will be paid directly by the Department and will not come from the funds identified to be paid to AGO in this agreement. AGO staff will complete a "Notice of Need for Encumbrance" form and forward a copy to the Department before special expenses or obligations are incurred.

6. **Amendments:** This Agreement supersedes any and all prior agreements of the parties relating to the provision of legal services. Any further amendments to this agreement shall be in writing and shall be executed as an amendment.

7. **Authorized Agent:** The authorized agent of the AGO for purposes of this Agreement is Ray Smith, Director of Finance. The Department's authorized agent for purposes of this Agreement is Karen Robinson.

8. The parties acknowledge that the amount set forth in paragraph 1 is simply a good faith estimate of the level of services needed, which estimate may be high or low. However, the parties also acknowledge that each will make decisions and resource allocations based on the estimate. Notwithstanding the foregoing, if there is a substantial change in the circumstances that were the basis for the parties' mutual estimate, e.g., the unexpected initiation or conclusion of a major lawsuit, the parties may meet and then revise this agreement if necessary to reflect that change in circumstances.

**STATE OF MINNESOTA
INTERAGENCY AGREEMENT**

This Interagency Agreement is between the Office of MN.IT Services ("MNIT") and the Minnesota Department of Corrections ("AGENCY").

Recitals

The Legislative Advisory Commission has approved the use of the funds transferred by this agreement for work specified in the underlying Information Technology project described below.

1 Term of Agreement

1.1 Effective date: July 1, 2019, or the date the State obtains all required signatures to execute the interagency agreement authorizing the transfer of funds under Minnesota Statutes § 16C.05, subdivision 2, whichever is later. Use of transferred funds is contingent upon MNIT Enterprise Project Management Office approval of the Project Summary.

1.2 Expiration date: June 30, 2023, or until all obligations have been satisfactorily fulfilled, whichever occurs first.

2 Scope of Work

This project is part of an upgrade plan to address technology obsolescence within the AGENCY'S security management systems. This effort will modernize the technologies that are fundamental to the implementation of security strategies. The AGENCY is expanding its use of access control and video surveillance and this project provides the foundation for next generation capabilities for those systems. Incorporated in the initiative is the replacement of hardware and software that is end of life or outside standard product support that adds significant risk exposure for security and safety from systems failure.

3 Consideration and Payment

The AGENCY agrees to contribute \$3,100,000.00 to the Information and Telecommunications Account (ITA) for this project.

4 Conditions of Payment

4.1 MNIT Financial Management shall provide the AGENCY Chief Financial Officer with the Statewide Integrated Financial Tools ("SWIFT") system appropriation transfer instructions. As required by Minn. Stat. § 16E.0466, the AGENCY shall submit an appropriation transfer in SWIFT for the amount specified in Section 3 of this agreement.

4.2 MNIT shall serve as the fiscal manager for this agreement. Funds will be deposited in the ITA as authorized in Minn. Stat. § 16E.21 and will be budgeted for the project described in Section 2 above for the term of the agreement.

4.3 The AGENCY shall not begin project activity until the MNIT Enterprise Project Management Office approves the required project planning documentation including: 1) Project Summary, 2) Resource Plan, 3) Project Requirements, and 4) Project Quality Plan.

4.4 The AGENCY agrees that allowable direct and indirect costs associated with managing and

supporting the implementation of the scope of work in Section 2 will be charged to the ITA contribution specified in section 3 above.

5 Authorized Representatives

The AGENCY'S Authorized Representative is Chris Dodge, Chief Financial Officer, by phone at 651-361-7264, or by email Chris.dodge@state.mn.us, or their successor.

MNIT's Authorized Representative is Tu Tong, Chief Financial Officer, by phone at 651-556-8028, or by email at tu.tong@state.mn.us, or their successor.

6 Amendments

Any amendment to this agreement must be in writing and will be effective upon approval and execution by the parties.

7 Liability

Each party is responsible for its own acts and behavior and the results thereof.

8 Termination

Either party may terminate this agreement at any time, with or without cause, upon 30 days' written notice to the other party.

**STATE OF MINNESOTA
INTERAGENCY AGREEMENT**

This Interagency Agreement is between the Office of MN.IT Services ("MNIT") and the Minnesota Department of Corrections ("AGENCY").

Recitals

The Legislative Advisory Commission has approved the use of the funds transferred by this agreement for work specified in the underlying Information Technology project described below.

1 Term of Agreement

1.1 Effective date: July 1, 2019, or the date the State obtains all required signatures to execute the interagency agreement authorizing the transfer of funds under Minnesota Statutes § 16C.05, subdivision 2, whichever is later. Use of transferred funds is contingent upon MNIT Enterprise Project Management Office approval of the Project Summary.

1.2 Expiration date: June 30, 2023, or until all obligations have been satisfactorily fulfilled, whichever occurs first.

2 Scope of Work

Due to the increased risk and recent rise in attacks against Correction Officers, leading to the death of one officer and multiple officers hospitalized, the AGENCY is looking for ways to improve security and safety inside each facility. Having consistent wireless capability across all AGENCY locations will provide previously unavailable options for offender security management including personnel movement and location accuracy, strengthened security systems reliability and targeted location use for access and control, essential offender services spanning tele-medicine, education, health records, offender visitation control, and administrative systems and management capabilities currently tied to location.

These new applications and devices require an improved and upgraded network infrastructure and network cabling to support the infrastructure as well as the addition of 2,200+ access points installed both inside and outside of the Minnesota Correctional Facilities (MCF) buildings. This project will deploy a data grade wireless network to support new security solutions and offender educational programs for all 11 of the AGENCY'S MCF.

3 Consideration and Payment

The AGENCY agrees to contribute \$4,718,645.00 to the Information and Telecommunications Account (ITA) for this project.

4 Conditions of Payment

The Legislative Advisory Commission has approved the use of the funds transferred by this agreement for work specified in the underlying Information Technology project described below.

1 Term of Agreement

1.1 Effective date: July 1, 2019, or the date the State obtains all required signatures to execute the interagency agreement authorizing the transfer of funds under Minnesota Statutes § 16C.05, subdivision 2, whichever is later. Use of transferred funds is contingent upon MNIT Enterprise Project Management Office approval of the Project Summary.

1.2 Expiration date: June 30, 2023, or until all obligations have been satisfactorily fulfilled, whichever occurs first.

2 Scope of Work

This project is Phase 2 of the project to replace the AGENCY'S former victim notification system, Minnesota CHOICE. 3 Consideration and Payment

The AGENCY agrees to contribute \$800,000.00 to the Information and Telecommunications Account (ITA) for this project.

4 Conditions of Payment

4.1 MNIT Financial Management shall provide the AGENCY Chief Financial Officer with the Statewide Integrated Financial Tools ("SWIFT") system appropriation transfer instructions. As required by Minn. Stat. § 16E.0466, the AGENCY shall submit an appropriation transfer in SWIFT for the amount specified in Section 3 of this agreement.

4.2 MNIT shall serve as the fiscal manager for this agreement. Funds will be deposited in the ITA as authorized in Minn. Stat. § 16E.21 and will be budgeted for the project described in Section 2 above for the term of the agreement.

4.3 The AGENCY shall not begin project activity until the MNIT Enterprise Project Management Office approves the required project planning documentation including: 1) Project Summary, 2) Resource Plan, 3) Project Requirements, and 4) Project Quality Plan.

4.4 The AGENCY agrees that allowable direct and indirect costs associated with managing and

supporting the implementation of the scope of work in Section 2 will be charged to the ITA contribution specified in section 3 above.

LAW LIBRARY SERVICE TO PRISONERS

Providing Legal Information To Minnesota Department of Corrections Inmates

What is Law Library Service to Prisoners (LLSP)?

LLSP provides Minnesota Department of Corrections prisoners access to legal information and law library materials. Professional law librarians visit the adult correctional facilities on a monthly basis. They will meet with you to discuss your legal information needs and provide materials relevant to your request.

LLSP does the following:

- Helps you use the legal research materials in your facility library.
- Retrieves material for you from the Minnesota State Law Library.
- Provide contact information for legal assistance organizations.

Please Note: LLSP librarians are not attorneys and cannot provide legal advice. Our program provides access to court forms but not assistance in filling them out.

TO CONTACT LLSP, DO ONE OF THE FOLLOWING:

- **Request a reference interview** for when the law librarian visits any one of the following correctional facilities: Faribault, Lino Lakes, Moose Lake, Oak Park Heights, Rush City, St. Cloud, Shakopee and Stillwater.
- **Send a kite** to LLSP via facility librarian or education department.
- **Write** to the program at the following address:

Law Library Service to Prisoners
Minnesota State Law Library,
Minnesota Judicial Center, Room G25
25 Rev. Dr. Martin Luther King Jr. Blvd.
St. Paul, Minnesota 55155-6102

- **Call** (651) 297-4969. LLSP accepts pre-paid phone calls from inmates; be aware, however, that LLSP staff are not always available to answer your phone call.

Attachment B

Materials That LLSP Provides to Inmates

In general, if a requested item contains information concerning case, statutory, or regulatory law, it will be considered legal information and will be provided to inmates. If it contains information about pending legislation or contains information concerning the legal research process, it will be provided. Materials concerning information on social or political issues, however, will not be provided.

LLSP's primary responsibility has always been to provide information related to an inmate's appeal, conditions of confinement, and family law topics. These have priority over other legal issues; all other requests will be filled as time permits.

We provide the same service and materials to all inmates, unless we are directed by the DOC not to provide certain materials to specific inmates.

Examples of Legal Materials Provided to Inmates:

- Constitutions and statutes
- Case law from the United States courts, as well as all states
- Regulations of federal and state agencies
- Court rules
- Ordinances
- Attorney general opinions
- Law treatises
- Law reviews
- Commentary on all the primary law materials
- Forms (when available) for U.S., Minnesota, and other state courts

- Published court briefs housed at MSLL - only the following sections of the MN appellate court briefs:
