JOINT LEGISLATIVE SERVICES DIRECTORY

About this Directory

The Joint Departments and Commissions of the Legislature created this directory to illustrate the services provided by the legislative commissions and joint offices. These services are available to members of both the Minnesota House of Representatives and Minnesota Senate, and state and local agencies in Minnesota, in addition to the general public.

This directory is intended to provide detailed information about the purpose of each commission and office, the main work each does, and how to access those services. Contact information for each office and commission is included.

The legislature has created a number of commissions to focus attention on specific areas of policy, such as Minnesota's environmental resources, pensions, and review of state agencies and their programs and functions. These commissions carefully examine these issues and recommend changes to existing law governing these areas. They also provide regulatory oversight to a number of state agencies and programs.

The Legislative Coordinating Commission (LCC) provides support to many of the commissions, as well as the joint offices of the Legislative Reference Library, Office of Revisor of Statutes and the Office of the Legislative Auditor. In addition, several offices and task forces benefit from the resources of the LCC.

These offices operate independently, though they work together toward the same goals-to provide coordinated services to both houses of the Legislature. The diagram on the following page illustrates generally how the offices relate to one another.

If you have any questions or suggestions about this directory, contact the Legislative Coordinating Commission at 651-296-0099 or lcc@lcc.leg.mn.

LEGISLATIVE REFERENCE LIBRARY & LIBRARY SUBCOMMITTEE

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Library

Library staff members handle inquiries in person, by phone, email, or instant messaging. Legislators can contact library staff and receive materials while working from their offices, homes, or from the House or Senate Chamber. All requests are confidential, and all staff is non-partisan.

Collection Highlights

Highlights of the print and digital collection include:

- Newspapers-print and electronic. The library purchases access to the full text of many regional newspapers for legislative users, including the *Star Tribune*, *Pioneer Press*, and *Duluth News Tribune*, and many other newspapers.
- Media coverage. News resources on legislators and legislative policy issues include extensive print files from 1970-2009, and an in-house electronic news archive from 2009 - present.
- Mandated reports. Each year the Legislature requires many one-time studies and ongoing reports, both to study issues and provide accountability for state-funded programs. The Library tracks and acquires the reports and ensures availability in electronic format to members and the general public.
- Legislative history materials. The collection, required by the rules of the House and Senate, includes committee minutes and recordings of committee meetings and floor sessions. Staff members are experienced and knowledgeable about the often complicated process of researching legislative history.
- Historical statistics. Biographical information and details about legislative service for every member since territorial times is found in the *Legislators Past and Present* database. The Library publishes historical lists of legislative and state government information. The Time Capsule database integrates a variety of information by legislative session.

Office's Statutory Authority

"The library shall collect, index, and make available in suitable form information relative to governmental and legislative subjects which will aid members of the Legislature to perform their duties in an efficient and economical manner."

-Minnesota Statutes 3.302

Established in 1969

OFFICE OF THE LEGISLATIVE AUDITOR & LEGISLATIVE AUDIT COMMISSION

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Office of the Legislative Auditor

The Office of the Legislative Auditor (OLA) is a nonpartisan audit and evaluation office within the Legislative Branch of Minnesota state government. OLA performs the same function for the Minnesota Legislature that the Government Accountability Office (GAO) performs for the United States Congress.

The principal goal of OLA is to provide the Legislature, agencies, and the public with audit and evaluation reports that are accurate, objective, timely, and useful. Through its reports, the office seeks to strengthen accountability, legislative oversight, and compliance with state laws. OLA focuses primarily on state agencies and programs but also selectively evaluates programs administered at all levels of government in Minnesota.

History

The Legislature created the Office of the Legislative Auditor in 1973, following the recommendation of a private-sector study group called the Loan Executive Action Program (LEAP). Prior to OLA, all state agencies and local governments were audited by the Public Examiner, an appointee of the Governor. In the 1973 legislation, the Legislative Auditor was assigned responsibility to audit state governments, and the State Auditor was assigned responsibility to audit local governments.

Independence

Independence from inappropriate influences is key to the credibility of any audit office. OLA's independence is enhanced by the fact that the Legislative Auditor serves a six-year term. All reports issued by OLA are based solely on the work of its professional, nonpartisan staff. Reports are released publicly without prior review by any legislator, including members of the Legislative Audit Commission.

The Legislative Audit Commission

The Legislative Audit Commission is a bipartisan commission with six members from the House of Representatives and six members from the Senate, equally divided between the majority and minority parties. Membership is governed by *Minnesota Statutes*, Section 3.97, subd. 2.

The commission appoints the Legislative Auditor and selects topics for the Program Evaluation Division to review. It also periodically holds hearings to review audit and evaluation reports. The commission chair rotates every two years between the House and Senate.

OLA's Mission

- Strengthen accountability, legislative oversight, and compliance with state laws.
- Support good financial management and enhance program effectiveness.

OFFICE OF THE LEGISLATIVE AUDITOR & LEGISLATIVE AUDIT COMMISSION

JOINT LEGISLATIVE SERVICES DIRECTORY

Organization

Legislative Auditor Jim Nobles is the head of OLA. First appointed in 1983, Mr. Nobles is currently serving his sixth six-year term as Legislative Auditor; he previously served as Deputy Legislative Auditor for OLA's Program Evaluation Division.

Financial Audit Division. The division has a staff of approximately 36 auditors, many of whom are certified public accountants (CPAs), certified fraud examiners (CFEs), or certified information systems auditors (CISAs). The division annually audits the state's financial statements to determine whether they are presented consistent with generally accepted accounting principles. To fulfill federal law, the division also annually audits whether the state has used federal grant money in compliance with federal requirements. In addition, the division selects 10 to 15 state-funded organizations and financial functions to audit in depth, with a focus on internal controls and compliance with applicable legal requirements. Finally, the division accepts and assesses all allegations involving the possible misuse of state money and resources and conducts investigations (also referred to as "special reviews") on an as-needed basis. Christopher Buse, CPA, is Deputy Legislative Auditor for the Financial Audit Division.

Program Evaluation Division. The division has a staff of 16 evaluators with advanced degrees in fields such as economics, law, policy analysis, public administration, and statistics. The division conducts several evaluations each year on topics selected by the Legislative Audit Commission. The commission annually solicits evaluation requests from all legislators and typically receives more than 100 suggestions. The commission selects evaluation topics using several criteria, including the amount of state resources involved, level of state control, timeliness, and potential impact of an evaluation. Teams of two to three evaluators typically work six to eight months to complete an evaluation report. While evaluation reports contain a substantial amount of background information about topics, their primary focus is on findings and recommendations. Judy Randall is Deputy Legislative Auditor for the Program Evaluation Division.

Jurisdiction

The Office of the Legislative Auditor has broad jurisdiction to conduct its work. Categorized by type of examination or review, the following is an outline of OLA's current jurisdiction:

Financial Audits and Investigations. OLA's jurisdiction to conduct financial audits is extensive. It includes (1) all agencies, boards, commissions, and other organizations in the Executive Branch; (2) courts and other organizations in the Judicial Branch; (3) Minnesota State Colleges and Universities; (4) University of Minnesota; (5) "semi-state" agencies, such as the Minnesota Historical Society and State Fair; (6) Metropolitan Airports Commission; (7) Minnesota Sports Facilities Authority; and (8) Metropolitan Mosquito Control District. In addition, OLA may audit the use of state money provided under a grant or contract to any organization or individual.

OFFICE OF THE LEGISLATIVE AUDITOR & LEGISLATIVE AUDIT COMMISSION

JOINT LEGISLATIVE SERVICES DIRECTORY

Program Evaluations. OLA's jurisdiction to conduct program evaluations is equally extensive and includes any programs or activities created or funded by state government. OLA's evaluation jurisdiction extends to state-funded programs or activities administered by local governments or private organizations.

Authority

State law grants the Office of the Legislative Auditor strong authority. For example, OLA may access and review government data and documents of any classification and, when necessary, may issue subpoenas. In addition, *Minnesota Statutes*, 3.978, subd. 2, requires all individuals and organizations, both public and private, that receive money from the state to cooperate with the Office of the Legislative Auditor.

LEGISLATIVE BUDGET OFFICE & LBO OVERSIGHT COMMISSION

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Legislative Budget Office

The Legislative Budget Office (LBO) is a nonpartisan office within the Legislative Branch of Minnesota state government. Effective September 1, 2019, the LBO will be responsible for working with state agencies to provide the House and Senate with information on the fiscal impact of proposed legislation. The product of this work is known as a fiscal note. The role of the LBO is similar to that of the Congressional Budget Office (CBO), who performs similar analysis for the United States Congress.

The primary goal of the LBO is to provide legislators with the estimated financial impact to the state budget for legislation under consideration.

History

The Legislature created the LBO during the 2017 Legislative Session. Funding for the LBO was first appropriated in fiscal year (FY) 2018. Changes enacted during the 2018 Legislative Session established an effective date for the LBO to assume fiscal note responsibilities on September 1, 2019. Prior to the creation of the LBO, and up to September 1, 2019, Minnesota Management and Budget (MMB), a state agency within the Executive Branch, is responsible for submission of fiscal notes to the legislature.

Independence

The LBO is charged with objectively evaluating proposed legislation to assess the potential impact on the state budget. To effectively perform this work, the LBO must not be inappropriately influenced by any individual or group. The LBO's independence is enhanced by the fact that the Director serves a six-year term. All fiscal notes released by the LBO will be based on data provided by state agencies impacted by the proposed legislation. Non-partisan LBO staff provide an independent review and analysis of this information to assess accuracy, reasonableness and compliance with fiscal note policies and standards prior to submission to the legislature.

The Legislative Budget Office Oversight Commission

The Legislative Budget Office Oversight Commission (LBO Oversight Commission) is a bipartisan commission with four members from the House of Representatives and four members from the Senate, equally divided between the majority and minority caucuses. The LBO Director serves as the executive secretary of the commission. The chief nonpartisan fiscal analyst of the house of representatives, the lead nonpartisan fiscal analyst of the senate, the commissioner of management and budget or a designee, and the legislative auditor are ex-officio, nonvoting members of the commission.

Membership is governed by *Minnesota Statutes* 3.8854.

The commission appoints the Director of the Legislative Budget Office, approves standards and procedures that govern the fiscal note process and evaluates the work of the LBO. The commission chair is elected by the members of the commission and rotates every two years between the House and Senate.

LBO's Mission

Inform the legislative decision-making process through the provision to legislators of all beliefs and parties' objective financial information on the impact of proposed legislation to the state budget.

LEGISLATIVE BUDGET OFFICE & LBO OVERSIGHT COMMISSION

JOINT LEGISLATIVE SERVICES DIRECTORY

Organization

Michelle Weber was appointed on September 4, 2018, by the LBO Oversight Commission to serve as the inaugural Director of the LBO. Prior to serving as the Director of the LBO, Ms. Weber held positions within the Executive Branch at the Departments of Education, Human Services and Minnesota Management and Budget.

Authority

Minnesota Statutes, 3.8853 establishes the LBO, governs the appointment and term of a director, specifies the development of uniform standards and procedures for the fiscal note process under Minnesota Statutes, 3.98, requires agencies to comply with providing data to the LBO for the purposes of completing fiscal notes, establishes parameters related to the LBO's access and use of not public data and requires fiscal notes to be posted to the LBO's website within 24 hours of completion.

OFFICE OF THE REVISOR OF STATUTES

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Office of the Revisor of Statutes

The Office of the Revisor of Statutes is a legislative office that provides services to members of both houses of the Legislature, all constitutional offices, and all state agencies and departments. The services of the office are nonpartisan and confidential. The office consists of attorneys, editors, computer specialists, and support personnel. Services are provided in the following four areas:

Legislative: The office assists members of both the House and Senate and legislative staff at virtually all stages of the legislative process from the preparation of a draft of a bill through to its presentation to the governor. The office drafts bills, amendments, resolutions, and other legislative documents. As required by statute, upon request, the office drafts bills for any member of the House or the Senate, for the governor and other constitutional officers, and for state agencies. Bill drafting services are nonpartisan and confidential. In addition, the Revisor's Office prepares three types of bills to maintain quality: the "Revisor's bill" to correct technical errors in the statutes, the "correction bill" to correct errors in a given session's bills, and bills to improve the style and form of statutory chapters. The session correction bill is customarily one of the final bills passed during a session. Office staff members prepare and publish a bill drafting manual containing styles and forms for drafting bills, resolutions, and amendments known as the *Minnesota Revisor's Manual with Styles and Forms*. The office maintains a bill tracking system for the Legislature, prepares all House committee reports, and prepares conference committee and comparison reports. The Revisor's Office formally engrosses bills – which involves incorporating all changes – and enrolls them – which means they are signed by the proper officers of both houses and formally presented to the governor on behalf of the Legislature.

Office's Statutory Authority

"The Legislative Coordinating Commission shall appoint a qualified person to the position of revisor of statutes. The Revisor shall serve at the pleasure of the commission. The commission shall fix the Revisor's salary. "

- Minnesota Statutes 3C.01

Administrative Rules: The office helps state agencies draft and adopt administrative rules. In addition, staff members are available to answer questions about *Minnesota Rules*, the rulemaking process for state agencies, and can help with a text search of *Minnesota Rules* for specific rule information. Office staff also prepare and publish *Minnesota Rules Drafting Manual with Styles and Forms* and *Rulemaking in Minnesota: A Guide*.

Publications: The office compiles, edits, and publishes *Laws of Minnesota*, *Minnesota Statutes*, and *Minnesota Rules*. *Laws of Minnesota* contains the laws and resolutions passed each legislative session. *Minnesota Statutes* contains the codified general and permanent laws. *Minnesota Rules* contains the compiled administrative rules adopted by state agencies. A compilation of Minnesota court rules is included as a supplement to *Minnesota Statutes*. All of the publications contain user aids and indexes, and are the official text of the law. All publications are also available online.

OFFICE OF THE REVISOR OF STATUTES

JOINT LEGISLATIVE SERVICES DIRECTORY

Legal Assistance and Liaison Duties: The Revisor's Office provides counsel to the Legislative Coordinating Commission Subcommittee on Claims. The Revisor or designee serves as a commissioner to the Uniform Laws Conference, a national group working toward consistency in state statutes. In addition, the office prepares a biennial report on Minnesota court opinions that declare a statute unconstitutional or otherwise identify statutory deficiencies.

Computer: The Revisor's Office maintains hardware and develops software to support the work of the Legislature. In 2006, the office implemented XTEND, a new XML-based bill drafting and publishing system. This system is used by House, Senate and Revisor's office staff. Staff members of the Revisor's Office provide support to legislative users through training and through its helpdesk. Staff also provide network and server support for the Legislature's Internet services and provide Internet information on bills, rules, and laws.

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Legislative Coordinating Commission

The commission serves as the umbrella organization for legislative commissions, joint agencies, and other boards. The president of the Senate and the speaker of the House alternate biennially as chair. The Legislative Coordinating Commission (LCC) establishes the complement and the compensation of employees for joint agencies and commissions. After each census, staff provide GIS services related to redistricting. These staff also provide network and web support services to the legislative commissions.

The LCC arranges for sign language interpreting services and other disability access services for legislative hearings and meetings with members. Additionally, the LCC facilitates arrangements for visiting international and state delegations to the legislature.

Finally, the LCC maintains Minnesota's Legacy website which displays how funds from the Legacy Amendment and the Environment and Natural Resources Trust Fund are being utilized throughout the state.

LCC Members

The membership consists of the majority leader of the Senate, the president of the Senate, two senators appointed by the majority leader, the minority leader of the Senate, and one senator appointed by the minority leader; and the majority leader of the House, the speaker of the House, two representatives appointed by the speaker, the minority leader of the House, and one representative appointed by the minority leader.

LEGISLATIVE COORDINATING COMMISSION— SUBCOMMITTEE ON EMPLOYEE RELATIONS

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Subcommittee on Employee Relations

The Subcommittee on Employee Relations assists the Legislature through its review and recommendations to the Legislature of negotiated agreements, arbitration awards, and compensation plans for employees in the Executive Branch. It also monitors the state civil service system and makes recommendations regarding certain state and local government salaries.

State Employee Negotiations

The Executive Branch of the state of Minnesota employs approximately 50,000 people. About 90 percent of these employees are placed in one of 17 occupationally based bargaining units, which are represented by one of 11 unions. The unions negotiate collective bargaining agreements that establish the terms and conditions of

employment. Traditionally, these agreements are valid for two years and coincide with the state biennium. Minnesota Management and Budget represents management and negotiates on behalf of the state with the exclusive representatives.

Subcommittee's Statutory Authority

"The commissioner (of Minnesota Management and Budget) shall submit to the chair of the commission any negotiated collective bargaining agreements, arbitration awards, compensation plans, or salaries for legislative approval or disapproval."

-Minnesota Statutes 3.855

Other Salaries

The subcommittee also reviews and approves, rejects, or modifies recommendations for salaries submitted by the governor or other appointing authority under section 43A.18, subdivision 5, covering agency head positions listed in section 15A.0815.

Salaries of individuals employed by political subdivisions (excluding school district employees, medical doctors and doctors of osteopathy) are limited to 110 percent of the salary of the governor. The commissioner of Management and Budget may increase the salary for a position that the commissioner determines requires special expertise. Before granting such a waiver to the salary cap, the commissioner must seek advice from the subcommittee (Minn. Stat. § 43A.17, subd. 9).

Members

The subcommittee has 10 members: five members of the Senate, appointed by the Subcommittee on Committees of the Committee on Rules and Administration, at least two of whom must be a member of the minority; and five members of the House, three appointed by the speaker, and two appointed by the minority leader.

LEGISLATIVE—CITIZEN COMMISSION ON MINNESOTA RESOURCES

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Legislative-Citizen Commission on Minnesota Resources

The Legislative-Citizen Commission on Minnesota Resources (LCCMR) makes funding recommendations to the Minnesota Legislature for special environment and natural resource projects, primarily from the Environment and Natural Resources Trust Fund. These recommendations are the product of a competitive, multi-step proposal and selection process open to everyone with innovative ideas for environment and natural resources projects that can provide multiple ecological and other public benefits for Minnesota. The LCCMR also has oversight over all projects funded through its process.

The LCCMR developed from a program initiated in 1963. Since 1963, approximately \$990 million has been appropriated to more than 2,220 projects recommended by the Commission to protect and enhance Minnesota's environment and natural resources.

Formerly known as the Legislative Commission on Minnesota Resources (LCMR), in 2006 the commission was re-organized into the LCCMR, with members of the public added to its membership, in order to include citizen input more directly in the decision-making process.

Membership of the Commission

There are 17 members of the commission – five from the Senate, five from the House of Representatives and seven citizen members.

They are appointed as follows:

7 Citizen Members:

5 appointed by the governor

1 appointed by the Senate

1 appointed by the House

5 Senators:

The chair of the environment finance
committee

2 from the majority caucus

2 from the minority caucus

Constitutional and Statutory Authority for Expenditures

A permanent Environment and Natural Resources Trust Fund is established in the state treasury. Loans may be made of up to 5 percent of the principal of the fund for water system improvements as provided by law. The assets of the fund shall be appropriated by law for the public purpose of protection, conservation, preservation, and enhancement of the state's air, water, land, fish, wildlife, and other natural resources. The amount appropriated each year of a biennium, commencing on July 1 in each odd-numbered year and ending on and including June 30 in the next odd-numbered year, maybe up to 5½ percent of the market value of the fund on June 30 one year before the start of the biennium. Not less than 40 percent of the net proceeds from any state-operated lottery must be credited to the fund until the year 2025.

-- Minnesota Constitution, Article XI, Section 14
(Adopted, Nov. 8, 1988; Amended, Nov. 6, 1990
and Nov. 3, 1998)

Funding Sources

At present LCCMR's recommendations to the Minnesota Legislature are for funding from one of three sources:

- The Minnesota Environment and Natural Resources Trust Fund
- Great Lakes Protection Account
- Oil overcharge funds

General Information about LCCMR Projects

Currently the LCCMR makes funding recommendations on an annual or biennial basis, with recommendations presented to the Minnesota Legislature during the legislative session. The LCCMR process is open to all eligible environment and natural resources projects that protect, conserve, preserve, and enhance Minnesota's air, water, land, fish, wildlife, and other natural resources for the benefit of current citizens and future generations. Past projects have been in the areas of land and habitat protection, parks and trails, environmental education, natural resource information and planning, renewable energy, agriculture and forestry, and water resources. Past recipients include state agencies, private non-profits, academic institutions, local government units, federal government, tribal governments, and private corporations.

Each funding cycle, a Request for Proposal is issued for funding priorities determined by the Commission based on its six-year strategic plan and ongoing information gathering activities, including expert-led issue seminars and visits to natural resource sites around the state.

The LCCMR reviews, evaluates, and ranks all proposals submitted. A selection of the highest ranked proposals is invited to present before the LCCMR. Finally, based on the total dollars available, a subset of those proposals is chosen to be recommended to the Legislature for funding. In addition to review by the Commission, proposals may also be reviewed by peer review committees or technical advisory committees.

The LCCMR's funding recommendations go before the Minnesota House and Senate in the form of a bill, and upon passage the bill goes to the Governor to be signed into law. Funding becomes available to projects beginning July 1 of the next fiscal year.

Projects that are approved for funding are overseen by the LCCMR for the duration of their funding period. Projects must submit a work plan to be approved by the Commission, provide ongoing project updates, and deliver a final report upon project completion.

LESSARD-SAMS OUTDOOR HERITAGE COUNCIL

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Lessard-Sams Outdoor Heritage Council

The Lessard-Sams Outdoor Heritage Council (LSOHC) was established by the Legislature with the responsibility for providing annual Outdoor Heritage Fund appropriation recommendations to the legislature. The Outdoor Heritage Fund is one of four funds created when the Clean Water, Land and Legacy Amendment passed by the voters in the 2008 election. The council recommendations must take into consideration the Minnesota Conservation and Preservation Plan findings directly relating to restoration, protection, and enhancement of wetlands, prairies, forests, and habitat for fish, game, and wildlife, and that prevent forest fragmentation, encourage forest consolidation, and expand restored native prairie.

Article XI, Section 15 of the Minnesota Constitution creates the Outdoor Heritage Fund. The Council and Outdoor Heritage Fund statues are found in MS 2010, Chapter 97A.056. The Council operates under the Minnesota Open Meeting Law, MS 2010, Chapter 13D.

Membership of the Council

There are 12 members of the council appointed as follows:

8 Citizen Members

- 2 appointed by the Senate
- 2 appointed by the House
- 4 appointed by the governor

2 Senators

- 1 from the majority caucus
- 1 from the minority caucus

2 Representatives

- 1 from the majority caucus
- 1 from the minority caucus

LSOHC Projects

The LSOHC annually publically solicits for use of the funds. Based on this process the Council recommends appropriations to the legislature, funding programs consistent with Council visions and priorities. The core of the Council recommendations focuses on funding programs, rather than individual projects. In this manner, the Council seeks to have a measurable long-term impact on the environment and wildlife habitat. The types of programs funded to date include land acquisition additions for WMA, AMA and SNA and state forests; prairie, trout stream and forest restorations and permanent conservation easements. Recipients include state agencies, private non-profits, local government units, and the federal government. In many of the programs multiple government units and non-profits work together for the betterment of the environment and wildlife habitat.

LESSARD-SAMS OUTDOOR HERITAGE COUNCIL

JOINT LEGISLATIVE SERVICES DIRECTORY

Overall an estimated \$100 million will be available annually for appropriation from this fund. In fiscal year 2010 through 2018, the Council has recommended and the Legislature has funded over 303 requests, totaling approximately \$960 million.

As directed by statute the Council also annually recommends an appropriation for a Conservation Partners Program, open to all conservation organizations and local government units working in Minnesota. This appropriation is granted out under an open competitive process operated by the executive branch according to the specifics of appropriations law. Grants from \$5,000 to \$400,000 are awarded to local, regional, state, and national nonprofit organizations, including government entities. The grants are for work to enhance, restore, or protect the forests, wetlands, prairies, and habitat for fish, game, or wildlife in Minnesota. To date, over 550 Conservation Partner Grants have been awarded.

Constitutional Amendment

“Beginning July 1, 2009, until June 30, 2034, the sales and use tax rate increased by three-eighths of one percent on sales and uses taxable under the general state sales and use tax law. Receipts from the increase, plus penalties and interest and reduced by any refunds, are dedicated, for the benefit of Minnesotans, to the following funds: 33 percent of the receipts shall be deposited in the outdoor heritage fund and may be spent only to restore, protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife; 33 percent of the receipts shall be deposited in the clean water fund and may be spent only to protect, enhance, and restore water quality in lakes, rivers, and streams and to protect groundwater from degradation, and at least five percent of the clean water fund must be spent only to protect drinking water sources; 14.25 percent of the receipts shall be deposited in the parks and trails fund and may be spent only to support parks and trails of regional or statewide significance; and 19.75 percent shall be deposited in the arts and cultural heritage fund and may be spent only for arts, arts education, and arts access and to preserve Minnesota’s history and cultural heritage.

An outdoor heritage fund; a parks and trails fund; a clean water fund and a sustainable drinking water account; and an arts and cultural heritage fund are created in the state treasury. The money dedicated under this section shall be appropriated by law. The dedicated money under this section must supplement traditional sources of funding for these purposes and may not be used as a substitute. Land acquired by fee with money deposited in the outdoor heritage fund under this section must be open to the public taking of fish and game during the open season unless otherwise provided by law. If the base of the sales and use tax is changed, the sales and use tax rate in this section may be proportionally adjusted by law to within one-thousandth of one percent in order to provide as close to the same amount of revenue as practicable for each fund as existed before the change to the sales and use tax.”

LEGISLATIVE COMMISSION ON PENSIONS AND RETIREMENT

JOINT LEGISLATIVE SERVICES DIRECTORY

About the Legislative Commission on Pensions and Retirement

The Legislative Commission on Pensions and Retirement (LCPR) is a group of fourteen legislators from the House and Senate who meet during and after the legislative sessions to consider pension and retirement topics and proposed legislation that impacts the retirement of public employees in the State of Minnesota. The LCPR's primary focus is on the state's public defined benefit and defined contribution plans, including volunteer firefighter relief association plans. The LCPR also studies retirement trends, current events, and alternatives for providing retirement benefits.

Commission's Statutory Authority

"The Legislative Commission on Pensions and Retirement is created to study and investigate public retirement systems."

-Minnesota Statutes, Section 3.85

Generally, the standing state government committees in the House and Senate do not deal with retirement-related topics until after they have been considered by the LCPR. Bills that are referred to these committees are sent to the LCPR for consideration. If the LCPR decides to take up the bill, it will take testimony and return the bill to the committees with a recommendation.

The LCPR, which was established as a permanent commission in 1967, consists of seven members of the Senate and seven members of the House, with representation from both parties. Members are appointed at the commencement of each biennium. The chair, who is elected by the members, alternates each biennium between the House and Senate. The chair sets the meeting schedule and agendas. The LCPR typically meets weekly during the legislative session and may meet during the interim (between sessions), as needed.

Functions of the Commission

The LCPR's responsibilities include the following:

- To consider and make recommendations on proposed legislation;
- To study and take testimony on proposed benefit changes and other topics, current events, and changes in federal law related to pensions and retirement;
- To provide oversight of the state's public defined benefit and defined contribution plans, including the approximately 700 firefighter relief association plans;
- To review the annual actuarial valuations and periodic experience studies of the statewide and major local public pension plans; and
- To assess the sufficiency of current public pension plan funding and recommend appropriate adjustments to contributions, funding, or benefits.
