Hi Chris,

Thank you for your quick response.

The following are attached to satisfy the reporting requirements for FY20:

1. Excel spreadsheet listing all Odyssey (ITA) related interagency agreements. All the Odyssey (ITA) interagency agreements that were created and amended in FY19 are still in effect for FY20. I decided not to resend all those agreements again since you should have them from prior fiscal year.
2. Other MNIT FY20 Interagency Agreements (not Odyssey) – Excel spreadsheet listing the agreements as well as copies of all agreements.
3. MNIT FY20 Transfers schedule
4. MNIT Service Level Agreements – Similar to past reporting I have attached the SLA templates and a schedule of billed amounts to agencies in FY20.

Please let me know if you have any questions or need any further information. This is pretty much everything for FY2020. We will have information about new agreements in FY2021. Every end of the biennium we have new Odyssey agreements so there will be a large number of new agreements next fiscal year. This information was not sent separately to each legislative representative. Please let me know if I need to do that.

Thanks,
