### **MISSION**

The Minnesota State Lottery exists to raise money for programs that positively impact the lives of Minnesotans.

### **VISION**

The Minnesota State Lottery benefits all Minnesotans by offering fun, secure, innovative entertainment while generating income for the State that is used to preserve, restore, and protect Minnesota's environment.

### Greetings,

In 1988 Minnesotans from across the state went to the polls and voted to create the Minnesota Lottery. The following year, the legislature approved our charter and the Lottery began selling scratch tickets and lotto games in April 1990. Twenty-nine years later more than \$3 billion has been raised to support projects in every county of the great state of Minnesota.

Governor Walz appointed me the Executive Director of the Minnesota Lottery on April 10, 2019. It is a great honor to serve Minnesotans in this capacity and to lead the dedicated and talented team at the Lottery. The state lottery staff manages the Lottery with integrity and intelligence while continuing to deliver record-breaking numbers year after year. Fiscal year 2019 was no exception as we saw sales hit an all-time high of \$636.8 million!

When you break down the Lottery numbers for the year there are many winners:

- •\$ 394.4 million in cash prizes returned to players
- •\$ 41.8 million in commissions to our retail partners
- •\$ 81.6 million to the Minnesota General Fund allocated to support state initiatives
- •\$ 39.8 million to the Environment and Natural Resources Trust Fund
- •\$ 30.0 million to other programs supporting Minnesota's environment
- •\$1.8 million for responsible gambling initiatives

In 2017 we created the slogan I'MN and Minnesotans are definitely in when it comes to supporting their lottery. Thank you, Minnesota Lottery players and stakeholders; your support is appreciated and makes a difference every day for Minnesotans from Ada to Zumbrota!

The team at the Lottery is excited about the future. We remain collectively committed to delivering on our mission – to generate proceeds to support critical projects made stronger because Minnesotans created a state lottery almost thirty years ago.

Sincerely,

Adam Prock

### WHEN EVERYONE PLAYS WE ALL WIN

The Minnesota Lottery announced in April 2019 that proceeds from ticket sales have surpassed \$3 billion for critical state programs, including education, public safety, health and human services, and environmental protection.

The announcement was part of a campaign to educate Minnesotans about where Lottery money goes. The campaign included extensive social media, a green carpet premiere event, and a proclamation from Governor Tim Walz declaring April 15th to be "Minnesota Lottery Playing Our Part Day".

# RESPONSIBLE GAMBLING

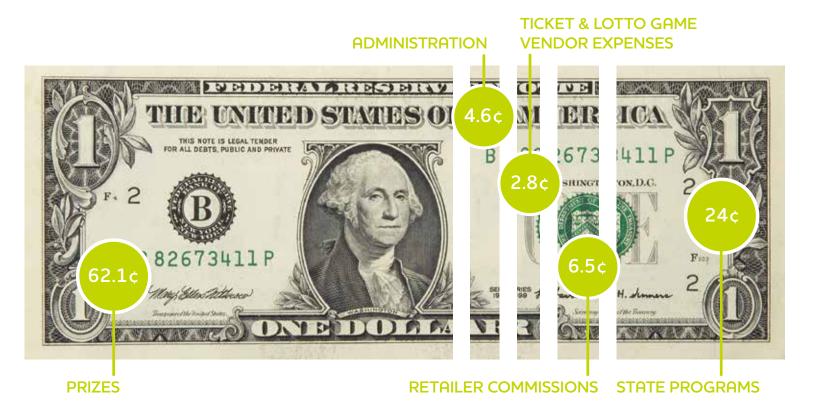

The Minnesota Lottery is committed to actively supporting responsible gambling and the prevention of problem gambling. A percentage of every lottery purchase is earmarked for problem gambling treatment and prevention, administered by the Minnesota Department of Human Services in partnership with other government agencies and nonprofits. In addition, problem gambling treatment and awareness materials are distributed to every lottery retailer in Minnesota and are available at every lottery marketing event.

To help with visibility for services available to Minnesota residents, the Lottery has partnered with the Northstar Problem Gambling Alliance in recent years, notably around the holidays when the two organizations ran ads reminding shoppers not to give lottery tickets as holiday gifts to anyone under the age of 18. During the 2019 NCAA Final Four in Minneapolis, a half-page ad was placed in the official program for the tournament, highlighting warning signs of problem gambling and contact information to request help if needed.

If you are concerned about your gambling, maybe it's time to start the conversation. Call 1-800-333-HOPE, text HOPE to 61222, or go to getgamblinghelp.com. It's free and confidential.

#### 24.0% STATE PROGRAMS

- General Fund 13.1% (Includes Problem Gambling Treatment & Prevention)
- Environment & Natural Resources Trust Fund – 6.2%

- 6.5 cents went toward paying retailers in the form of commissions and incentives

### THE REMAINING MONEY WENT TO THE STATE IN THE FOLLOWING WAYS:

- 13.1 cents went to the state General Fund to support services such as K-12 education, health care, aid to local governments and public safety. Of this amount, \$1.8 million was set aside to help fund resources related to problem gambling prevention and treatment.
- 6.2 cents went to the Environment and Natural Resources Trust Fund to finance projects that preserve, restore and enhance our state's natural resources. The Trust Fund financed 82 projects in the fiscal year 2019 legislative session totaling \$64.5 million.
- 4.7 cents went to other programs supporting Minnesota's environment.
   This money provides nearly \$29 million to fish and game, parks, trails and zoos through the Game and Fish Fund and the Natural Resources Fund each year.

#### **PLAYING OUR PART**

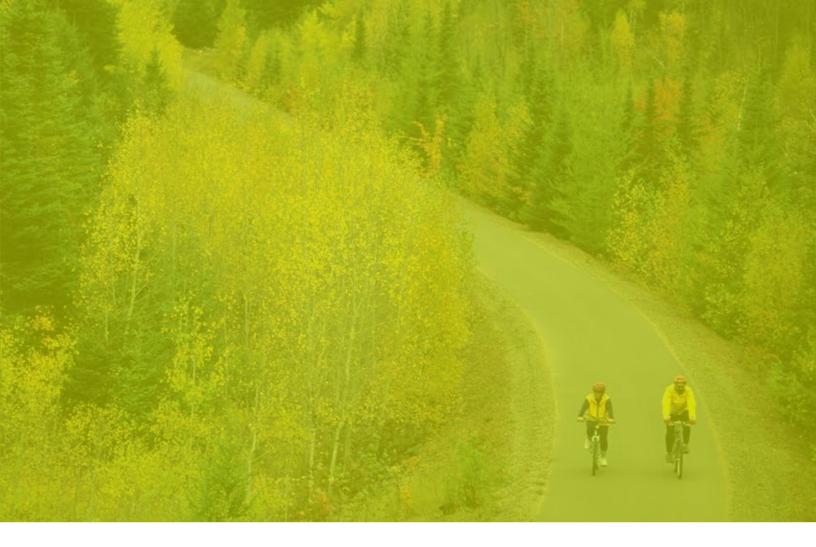

The Lottery takes playing our part in service to Minnesota seriously. More Minnesotans are saying I'MN to the Minnesota Lottery than ever before. Lottery sales had another record-setting year in fiscal year 2019, reaching \$636.8 million, driven by record sales of both scratch (\$435.3 million) and lotto (\$201.5 million) games.

Record sales mean the Minnesota Lottery delivered its biggest win yet for Minnesota, again returning a record amount to the state of \$153.2 million that will support the General Fund, create and invigorate environmental programs, and fund important work to prevent and treat problem gambling.

### ENVIRONMENT AND NATURAL RESOURCES TRUST FUND

The Environment and Natural Resources Trust Fund (ENRTF) is a permanent fund in the state treasury that was established in the Minnesota Constitution (Art. XI, Sec. 14) through voter approval. It holds assets that can be appropriated by law "for the public purpose of protection, conservation, preservation, and enhancement of the state's air, water, land, fish, wildlife, and other natural resources."

The Legislative-Citizen Commission on Minnesota Resources (LCCMR) selected 68 projects totaling \$53.7 million to recommend to the 2019 Minnesota Legislature for funding from the ENRTF. The recommendations were the result of the LCCMR's 2019 Request for Proposal (RFP) process, in which 273 proposals were received and considered through a competitive, multi-stage evaluation process.

### **ENRTF PROJECTS**

Funding provided by the ENRTF contributes to the well-being of Minnesota's natural resources in a variety of ways all over the state. Projects include research into the containment and eradication of aquatic invasive species (AIS) that harm Minnesota waterways, grants to combat Emerald Ash Borers (EAB) that are impacting trees throughout the state, and diagnostic testing for Chronic Wasting Disease (CWD), a major cause for concern regarding Minnesota's deer population.

### **MINNESOTA STATE PARKS**

Our state park system permanently protects some of Minnesota's most unique and beautiful features, including pristine wilderness, beaches, waterfalls, underground mines, fishing piers, water access, caves, and more. The Minnesota State Parks system includes 75 state parks and recreation areas and 13 state trails. More than half have benefited from Lottery proceeds.

Record sales means the Minnesota Lottery delivered its biggest win yet for Minnesota, again returning a record amount to the state of \$153.2 million.

### **LOTTERY WINNERS**

After nearly 30 years in operation and over \$3 billion invested back into Minnesota, we'll never forget the players and winners from all corners of the state and all walks of life that make the Lottery's success possible. During FY19 approximately 92,000 winning tickets were redeemed each day, from up on the Iron Range to small communities in southern Minnesota and everywhere in between.

### **Kodjo Ayewonou of Coon Rapids**

\$1 million, Mega Millions

A Lyft driver from Coon Rapids won \$1 million playing Mega Millions! When asked what he is going to do with the money, Kodjo's off-the-cuff response was, "Buy a Jeep!" However, the immigrant from Togo, West Africa has even bigger plans for his winnings—help a non-profit organization that he started, the Ebenezer Charity Foundation in Coon Rapids, which provides sustainable access to clean water for people living in Africa.

#### **Anthony Lopez of Emmons**

\$100,000, \$100,000 Crossword

Anthony Lopez of Emmons certainly had a case of beginner's luck when he won \$100,000 on the very first lottery ticket he ever purchased! Anthony, who is pictured with his dad, plans to pay off his dad's car and buy a new car for himself.

### Brandon Stevenson of St. Paul

### **Christopher Van Straten of Plymouth**

\$153,253, Northstar Cash

"I always believed I would win someday," said Christopher who is pictured with his wife Alexandra. That "someday" was May 24, 2019 when his Northstar Cash ticket matched all five winning numbers to win a \$153,253 jackpot. The Plymouth couple said they plan to pay off student loans.

### **Deb Meyer of Prior Lake**

\$1 million, Raffle

When Deb Meyer's husband goes deer hunting every year, he always brings her back a Minnesota Millionaire Raffle ticket. While Mr. Meyer didn't come home with a buck in the traditional sense, the Prior Lake couple later found out that the ticket he purchased during his hunting trip was worth 1 million bucks in the New Year's Day drawing.

#### **Dora Jones of Roseville**

\$100,000, Bold North

### **Stephen Braun of Buffalo**

\$1.8 million, Gopher 5

Stephen has been playing Gopher 5 since it began. On October 25, 2018, he was thrilled to finally claim a jackpot. "I'm still waiting to wake up."

### RETAIL PARTNER SPOTLIGHT

The Minnesota Lottery is proud to work with over 3,000 retail partners around the state to build awareness, educate potential players, and provide great customer service that drives sales from Warroad to Rochester.

MN.

### RETAILER TOWN HALL

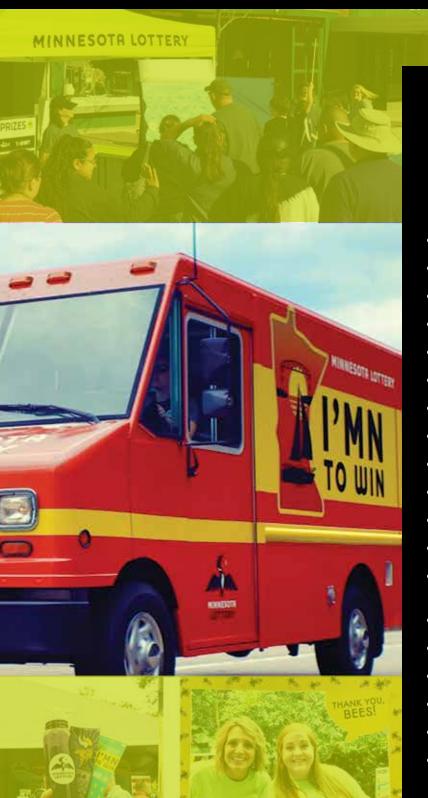

Building a winning partnership takes commitment, hard work, and effective communication. In FY19, the Lottery hosted five retailer town halls around the state with retail partners, Lottery staff, and elected officials to discuss the state of the Lottery in Minnesota and work together to brainstorm improvements that would enhance lottery services with retail partners as well as players. Due to the success of these events, the Lottery will host additional town halls across the state each year, beginning with three more in FY20.

### **LOTTERY AROUND MINNESOTA**

Thanks to the tireless work of the Lottery's marketing team and other dedicated staff (with an assist from the stalwart Lottery marketing truck, known as the Scratch Utility Vehicle or SUV), the Lottery has a presence at a wide variety of recreational, cultural, and sporting events all over Minnesota throughout all four seasons.

By partnering with organizations, institutions, and high-profile events, the Lottery can support a variety of important causes, demonstrate commitment to Minnesota communities, and amplify brand visibility and customer outreach. Each of these individually is important to the Minnesota Lottery. All of these collectively are what has made it possible for the Minnesota Lottery to have record-breaking sales in recent years.

## MANAGEMENT & DISCUSSION ANALYSIS

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis includes an overview of financial activities regarding the financial performance of the Minnesota State Lottery for the fiscal year ended June 30, 2019 and comparisons for the two previous fiscal years ended June 30, 2018 and June 30, 2017. The management discussion and analysis should be read in conjunction with the transmittal letter and supplementary information included in this report. This report consists of three parts: management's discussion and analysis, the basic financial statements and the notes to the financial statements. Included below and on the following pages are the financial highlights, summary of contributions to the State, summary results of operations and a condensed statement of net position for the years ended June 30, 2019, 2018 and 2017.

#### **FINANCIAL HIGHLIGHTS**

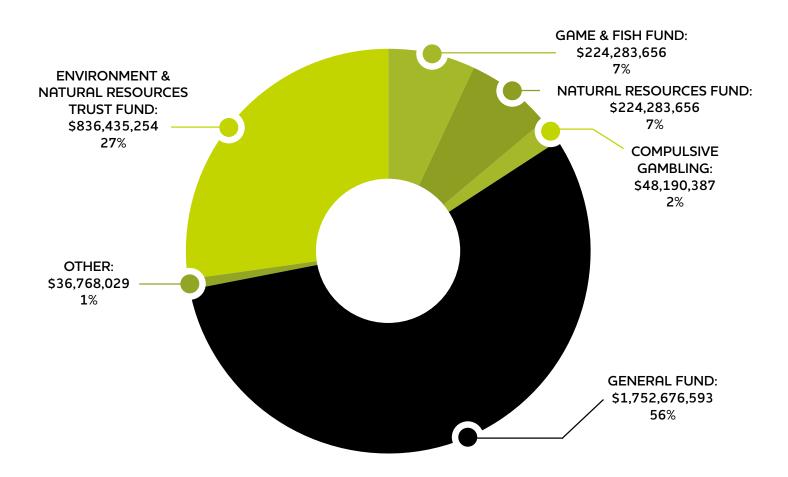

The Minnesota State Lottery had operating revenues of \$636.8 million in fiscal year 2019 and contributed \$153.2 million to the state. Both revenues and contributions to the state were records as the Minnesota State Lottery exceeded fiscal year 2018 levels, which was the previous record year. A record year in scratch sales was also recognized by recording \$435.3 million.

#### **SUMMARY OF CONTRIBUTIONS TO STATE**

The Lottery contributed \$153.2 million to the State in fiscal year 2019. This was a \$8.1 million or 5.6% increase from 2018. The following table provides detail on the total amounts transferred to the State as well as the source of the transfers provided to the State.

### **OPERATING EXPENSES**

Operating expenses decreased in fiscal year 2019 by \$9.5 million or 29.3%. This was due to the year-end pension expense adjustment being less than last year due to changes in actuarial assumptions.

Over the past two years survey results show the Lottery has added 220 thousand new scratch players on average.

### **LOTTO GAMES**

Lotto games sales for fiscal year 2019 increased \$16.2 million to \$201.5 million. This was primarily due to the large Mega Millions jackpot in October 2018.

#### **NET POSITION**

Minnesota State Lottery's net position at the end of fiscal year 2019 was \$(12.7) million compared to \$(19.1) million in fiscal year 2018. The negative net position is attributable to the offset of the net pension liability in all three years and recognition of post-employment benefits over the last two years.

#### **CASH AND CASH EQUIVALENTS AND RECEIVABLES**

Cash and cash equivalents and receivables increased by \$765 thousand from fiscal year 2018 to 2019. This is a direct result of higher sales compared to the previous fiscal year.

#### **CAPITAL ASSETS AND OTHER ASSETS**

Net capital assets decreased by \$137 thousand in fiscal year 2019 versus fiscal year 2018.

Purchases of capital assets totaled approximately \$440 thousand with the significant purchases of computer equipment of \$266 thousand, office equipment of \$153 thousand and warehouse equipment of \$21 thousand offset by accumulated depreciation.

#### **DUE TO STATE AND STATE AGENCIES**

Payment due to the State at the end of fiscal year 2019 was \$682 thousand higher than the previous fiscal year. This was due to a \$1.4 million increase in Unclaimed Prizes offset by a decrease in Net Proceeds of \$757 thousand at the end of the fiscal year.

#### **PRIZE LIABILITY**

Prize Liability basically remained flat from year to the previous year.

### ACCOUNTS PAYABLE AND CURRENT ACCRUED EXPENSES

Accounts payable and current accrued expenses decreased by \$605 thousand during fiscal year 2019. This was primarily due to timing of expenses incurred near year end.
