Dear Representative Mahoney,

This letter is submitted in place of the statutorily mandated report for EMERGE for SFY19. As a result of an administrative action involving DEED and EMERGE, EMERGE did not receive its 2019 appropriation until June 28, 2019. Therefore, EMERGE is only now implementing the programs with these funds. A report on activities and outcomes funded by the SFY19 appropriation will be submitted by January 15, 2021.

Please do not hesitate to contact me if you have any questions or concerns about this report.

Regards,

Steve Grove
