+ In 1987 Scott Morken of Winona was the first finisher with a time of 15:58.1. However, Morken had not qualified as an individual (he did not finish in the top five in the Section 1AA Meet), but rather as a member of a team. According to League rules at that time he was ineligible to win an individual title or medal.

 # State Record for 5,000 Meters & Class AA Course Record

State Boys' Team Participants — Single Class — 1943-1974

Note: From 1943 to 1954 any public school team in Minnesota was allowed to run in the state meet. The first qualifying region meets were held in 1955. Typically two teams qualified from each region, but there have been as many as four and as few as one from each region.

History of the State Girls' Dance Team Competition

In the mid-1970's, interested dance team advisors in the Minneapolis/ St. Paul metro area met to organize the first State Danceline Competition which was held at Anoka High School. In the early years of the danceline competition, the winner of the state tournament was in charge of and hosted the next year's event. This concept created an incredible amount of work and an awesome responsibility for both the school and the dance team. Advisors served as judges, but there were no regulations to guide the number and type of competitions. During the late 1970's dance teams began to hire judges for the State tournament, but there was no formal training for judges other than their experience as former danceline members. In 1980, the state tournament was moved to St. Olaf College, and the state champion from the prior year was still responsible for the organization and administration of the tournament.

On August 23, 1980, a group of eleven advisors from throughout the state met at Minnetonka High School to discuss dance team issues and to find better ways to organize regular season and the state tournament competition. This meeting led to the formation of the Minnesota Association of Dancelines (MAD), the name chosen for the organization. A nine-member Board of Directors was elected, and the group began planning "State '81". During the initial year of competition there were 55 schools. A second Board of Directors was elected at a general membership meeting in October of 1981, and they accepted the responsibility for "State '82". The MAD members worked together to develop the Constitution, and in 1982 the Board of Directors filed the necessary papers for incorporation.

The first Judges' and Coaches' Clinic was held in the fall of 1983, and the State tournament was moved to St. Cloud State University. In 1984, the State tournament moved to the Minneapolis Auditorium and functioned comfortably there until the move to the St. Paul Civic Center in 1989. In 1995, the University of Minnesota became the state tournament site. This change coincided with a change in the name of the coaches organization, the Minnesota Association of Dance Teams (MADT).

In the fall and winter of 1995, member schools of the Minnesota State High School League began a discussion with MADT and, on March 20, 1996, the League's Representative Assembly voted to include girls dance team as a League-sponsored athletic activity.

The 2019 tournament at the Target Center in Minneapolis marks the 45th year of dance team competition and the 23rd under the auspices of the League. Paid attendance was 17,287.

Boys' Hockey State Tournament History

Seventy-fifth state tournament played in 2019

Although the first state hockey tournament was not conducted until 1945, high school hockey was played in approximately 25 schools in the 1930s. Most of the schools were in the northern part of the state and in the Twin Cities area. Inter-school games were very limited in number, and coaching was done in most schools by male faculty members who had hockey experience or by individuals in the community who had a special interest and training in the sport.

The state hockey tournament was conceived by the late Gene Aldrich, St. Paul athletic director who thought it was time for an event of its kind because St. Paul was drawing many fans for its games. With the enthusiastic approval of the Minnesota State High School League Board of Directors and backing for expenses from the late Elmer Englebert, Aldrich went ahead with planning the details for the first tournament. The event produced sufficient revenue to pay expenses and leave a modest balance.

In 1945 the Minnesota State High School League, in cooperation with interested citizens in St. Paul, offered the schools an opportunity to participate in the first State High School Hockey Tournament. It marked the very first state-sponsored high school hockey tournament in the United States. There were 26 high schools registered for the sport at the time and Eveleth's Golden Bears went home with the first of its five state championships. The first field — including Thief River Falls, White Bear Lake, St. Cloud, Staples, Rochester, St. Paul Washington, and Granite Falls — played before a total of 8,434 spectators.

The first-round games during the initial tournament produced many lopsided scores, but the championship affair between Eveleth and Thief River Falls (Eveleth won 4-3) was a fine exhibition of skills and abilities which today are expected of Minnesota high school hockey players. The first tournament proved the merits of this activity for high school competition, and the next year the Minnesota State High School League took full control of the tournament series and assumed complete responsibility for its finances.

By 1947, attendance had more than doubled. It reached the 30,000 plateau in 1956, topped 40,000 in 1961, and leveled off at the three-day auditorium capacity of 46,000 its last three years in the St. Paul Auditorium. For 23 years the tournament was conducted in the Auditorium before leaving in 1969 for the more spacious Met Center in Bloomington. At the bigger Met Center, attendance nearly doubled.

In 1976 the Minnesota State High School Hockey Tournament returned to the city where it had been groomed 31 years earlier. The tournament site became the St. Paul Civic Center Arena, a sports venue with a 15,706 seating capacity for hockey and which was adjacent to the Auditorium where the tournament was nursed through its infancy. The event returned to St. Paul as the biggest high school hockey tournament in the nation. In 1985 an all-time attendance mark of 103,096 was established at the St. Paul Civic Center Arena.

From this meager beginning, high school hockey has grown in programs throughout the state by leaps and bounds. There were 146 high school teams which participated during 1993-94. The rapid development of indoor facilities, improved coaching in schools, and development of youth programs have all been contributing factors.

In 1992 the first two-tier Minnesota State High School Tournament was conducted. Following the recommendations of the state's high school hockey coaches association, the Minnesota State High School League Board of Directors established a two-year experiment of conducting the hockey tournament in two tiers.

Instead of dividing the participating schools based on enrollment, as is the case with all other activities, the coaches suggested the division be based on performance and ability. Thus, following the regular season, coaches in each section ranked all the teams based on their season performance. The top-eight teams were placed in Tier I to play off to send a representative to the state tournament. The remaining teams then played off to determine the Tier II representative to the tournament.

The expansion of the tournament required an additional day of playing time, so the Tier II teams played their quarterfinal games at the St. Paul Civic Center on Wednesday. The Tier I teams played their quarterfinals on Thursday. On Friday and Saturday, the Tier II tournament concluded its schedule at Target Center in Minneapolis. It was the first time hockey had been played at the arena which is home to the NBA's Minnesota Timberwolves. The Tier I tournament was concluded at the Civic Center.

In 1994, the tournament was reformatted once again. The League's Board of Directors chose to classify participating schools by enrollment, as it is for every other activity, instead of by performance. The change was reviewed and extended after a two-year experiment. More than 23,000 fans paid to watch the Class A schools, while nearly 83,000 fans paid to watch the Class AA schools.

In 1999 and 2000 the championship round games for both classes were played at Target Center.

In 2001 the tournament returned to St. Paul and the new Xcel Energy Center, which is the home of the Minnesota Wild NHL hockey team. The new arena has a seating capacity of 18,539. In 2008, a new attendance record was set when 129,643 fans attended the four-day tournament.

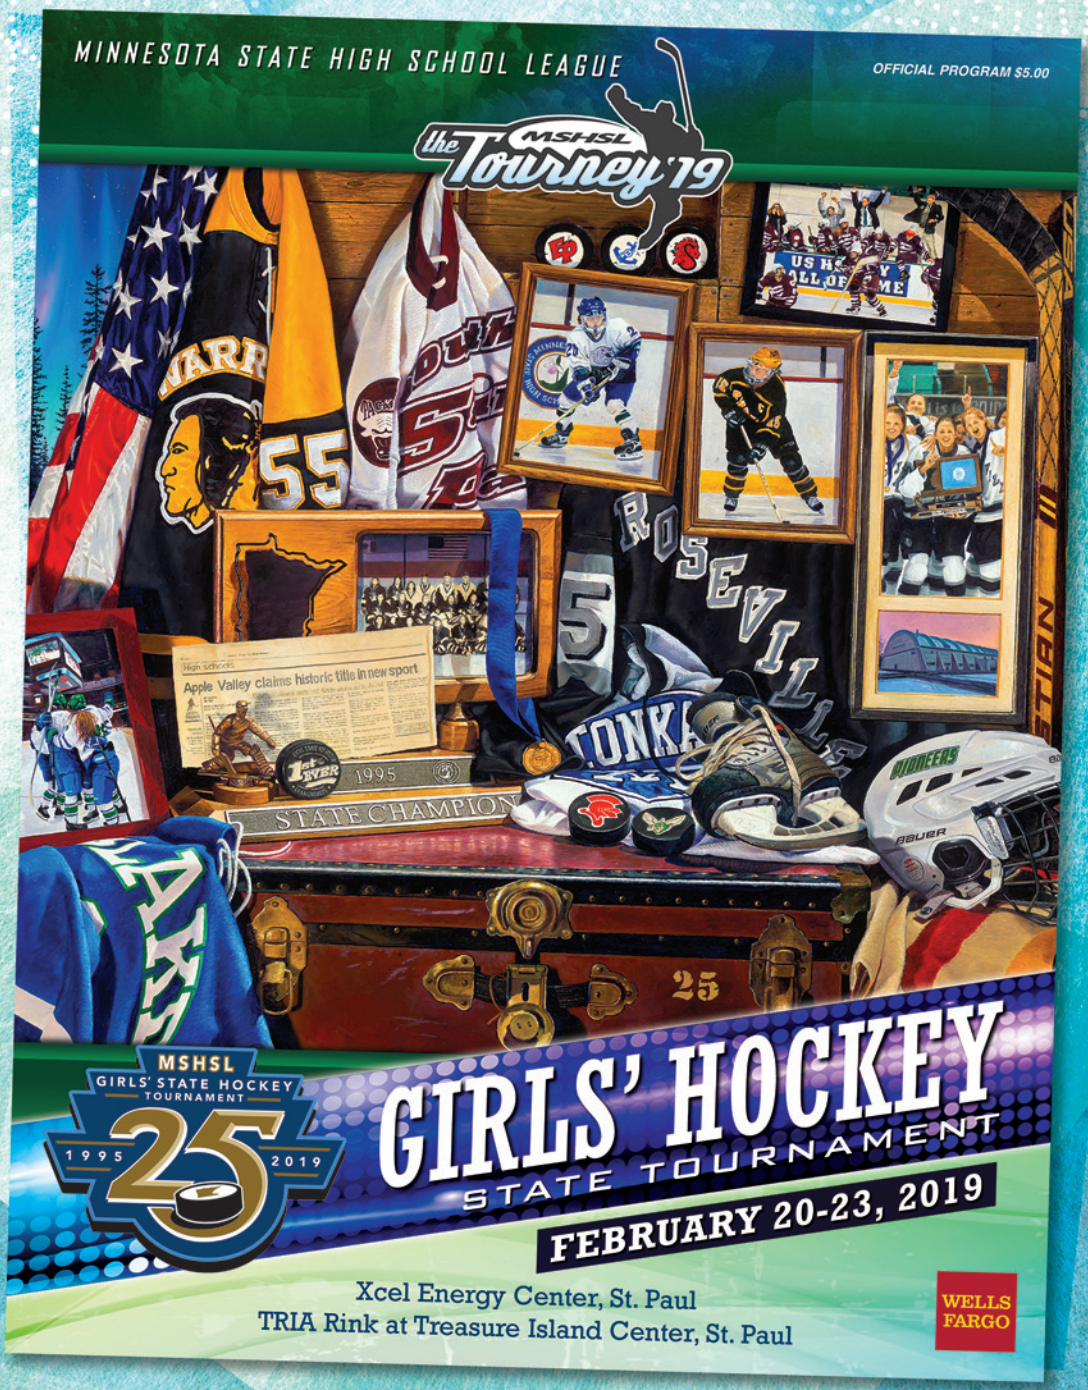
YEARBOOK & RECORD BOOK

MINNESOTA STATE HIGH SCHOOL LEAGUE



2018-2019

The League sponsors section music contests for both Class A and Class AA schools. Participating schools have the opportunity to take part in both large group and solo/ensemble contests conducted by individual sections. There are 70 music events in which students may participate as a member of their high school choir and/or band and orchestra.

Approximately 80 percent of League member schools are represented by at least one entry at the section contests. Listed below are those large group performers who earned a Superior rating in 2019. They are grouped in three categories with the section of music determining the category in which the group performed. Category refers to difficulty and the lower the category number indicates more difficult music.

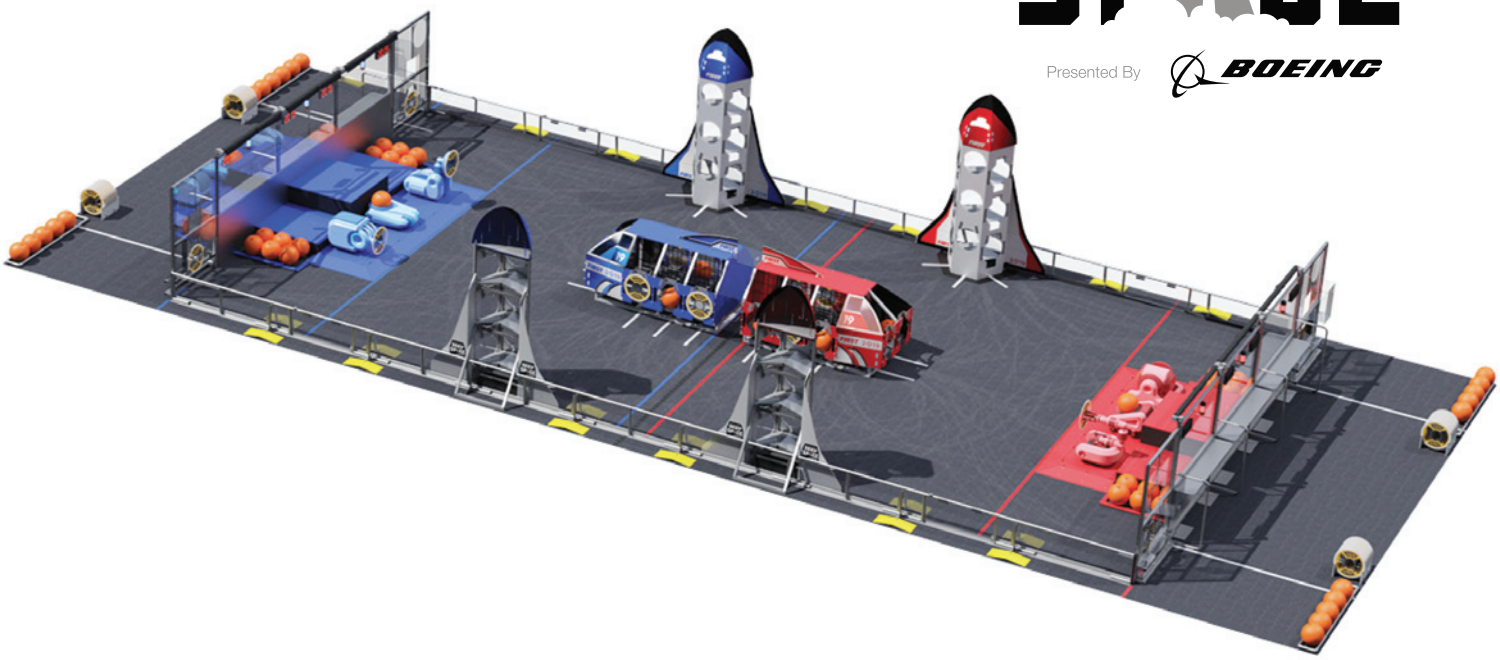
About the 2019 Competition

DESTINATION:
DEEP SPACE
Presented By BOEING



In DESTINATION: DEEP SPACE, Presented by The Boeing Company, we join two competing alliances collecting samples on planet Primus. Unpredictable terrain and weather patterns make remote robot operation essential to their mission on the planet. With only 2:30 until liftoff, the alliances must gather as many cargo pods as possible and prepare their spaceships before the next sandstorm arrives.

2:30:
A sandstorm limits driver visibility so robots independently follow pre-programmed instructions or are operated by human drivers
via video from their habitat. Alliances score
points by:

1. Deploying robots from habitat
2. Preparing rockets and cargo ship with hatch panels
3. Loading cargo pods into their rockets and cargo ship

2:15:
The sandstorm clears and human operators take control of their robots. Alliances continue to score points by:

1. Preparing rockets and cargo ship with hatch panels
2. Loading more cargo pods
3. Returning the robot safely to the alliance's habitat

0:00:
Rocket liftoff

The alliance with the highest score at the end of the match wins.

State Speech Tournament Medal Records — 1969-2019

Apple Valley in Class AA and Walker-Hackensack-Akeley in Class A lead their respective classes in number of medals earned at State Speech Tournaments from 1969 to 2019. The year 1969 marked the first year in which a preliminary round and final round resulted in awarding medals to the top three place winners in each division. The first two-class competition was held in 1976. In 1979 the number of medals awarded in each of the 11 categories of competition increased from three to six. In 1989 the number of categories increased to 12. In 1990 medals were awarded to each of the finalists through eighth place. In 1993, the Dramatic Duo category was added making the number of categories 13. In 2002 the format changed to qualify three entries from each section in each category and having three preliminary rounds at the State Tournament before the finals. Since 1969 students from 421 member schools have won medals at the State Speech Tournament.

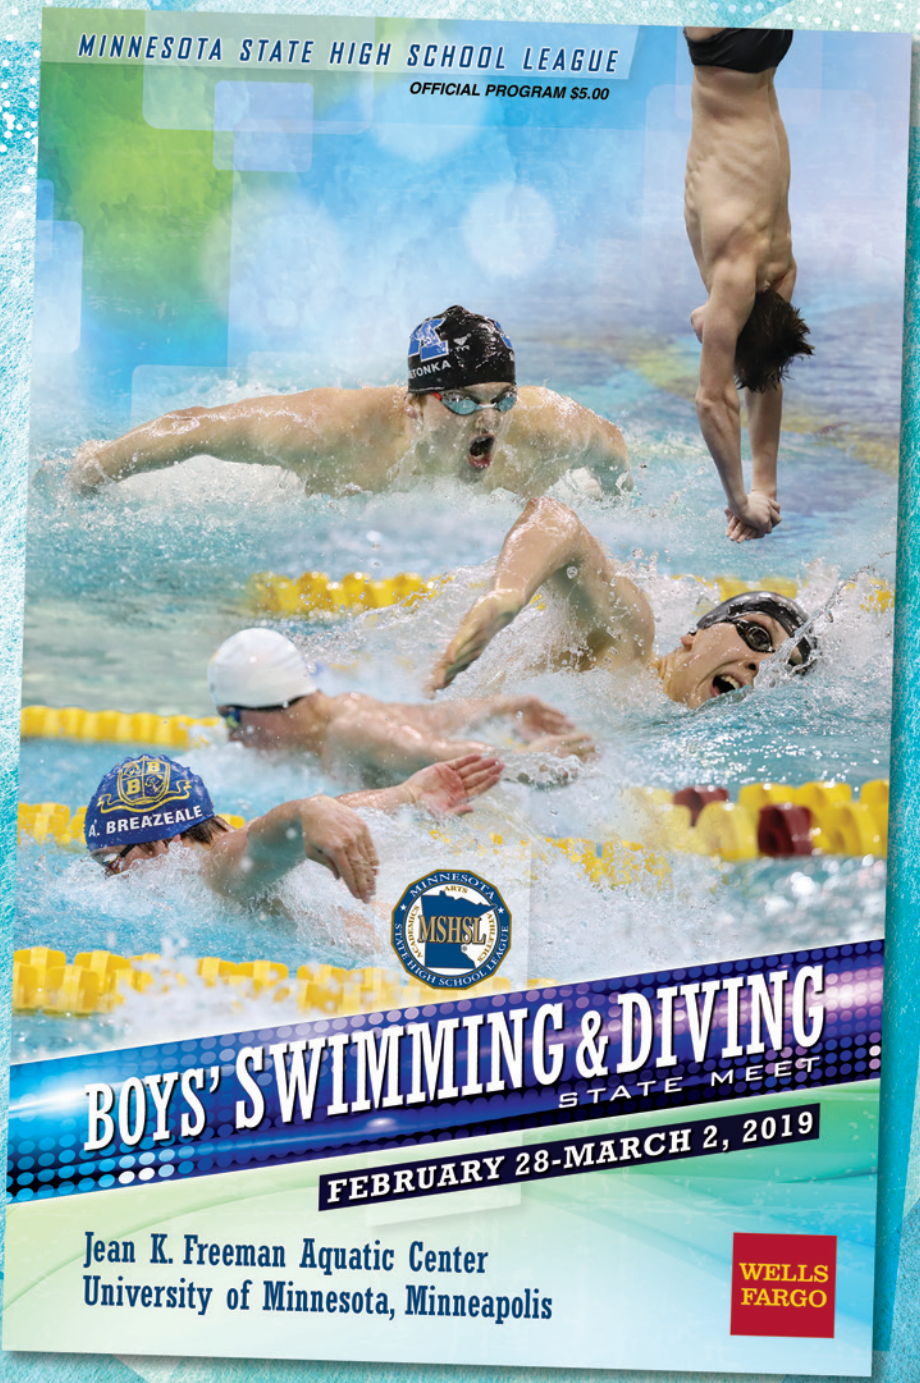
YEARBOOK & RECORD BOOK

MINNESOTA STATE HIGH SCHOOL LEAGUE



2018-2019

More than 200 member schools participate in visual arts

Section festivals for Class A and Class AA schools are sponsored by the MSHSL. Each participating school may enter up to 18 total artworks in a combination of the 12 categories: 2D Mixed Media/Collage, Ceramics, Computer-Based Artwork, Crafts, Digital Photography, Drawing, Film-Based Photography, Graphic Design, Painting, Print Making, Sculpture, and Video Art.

The 2018-2019 school year was the 18th year of the program. More than 200 schools participated, with nearly 1,000 pieces of art entered at the festivals.

Student's artwork is judged based on established criteria, and the piece may earn either an Excellent or a Superior rating. Listed below are the students who earned a Superior rating. Also listed are those who received the *Spotlight on the Arts* award. Each judge was able to select one artwork to receive this award, which is part of the *Spotlight on the Arts* program sponsored by Wells Fargo.

Paintings on display at the 7A Visual Arts Festival.
