

Financial Aid Awarded to Minnesota Institutions

Fiscal Year 2016

Introduction

This report presents information on financial resources provided to undergraduates at Minnesota postsecondary institutions. The financial resources reported are grants¹, loans and student earnings from work-study jobs that help students pay tuition, fees, room and board and other costs of attending postsecondary education. This report presents information for Fiscal Year 2017, which corresponds to academic year 2016-2017. Corresponding information for odd-numbered years from 1987 through 2016 is available from the Minnesota Office of Higher Education.

Postsecondary institutions included

The data in this report cover student financial aid received by undergraduates attending all Minnesota postsecondary institutions eligible to participate in the Minnesota State Grant program in Fiscal Year 2017. Data were collected on aid received by undergraduates who attended these institutions in Fiscal Year 2017, which was from July 1, 2016 through June 30, 2017.

Sources of data

Data were obtained from several sources:

- Minnesota Office of Higher Education records were used for the following:
 - Minnesota State Grant Program
 - Minnesota American Indian Scholarship Program
 - Minnesota GI Bill
 - Minnesota Postsecondary Child Care Grant Program
 - Minnesota Safety Officer Survivor Grant Program
 - Minnesota SELF Loan Program
 - Minnesota Work-Study Program
 - Fall 2016 Undergraduate Headcount

¹ Grants are scholarships, grants, tuition discounts, tuition waivers and gift aid that does not have to be repaid.

- For institutions in the University of Minnesota and Minnesota State Colleges and Universities systems, data were obtained from the central office institutional research staff.
- For private institutions, institution financial aid directors provided data on the amount of grants, loans and earnings from federal work study jobs received by undergraduates who attended in Fiscal Year 2017.

Privacy protection

For categories of financial aid in which there were fewer than 10 recipients, the amount received is suppressed to protect private data on students.

Data verification

Data were verified as follows:

- For public institutions Minnesota Office of Higher Education staff sent the institutional research staff at the central offices of the University of Minnesota and Minnesota State Colleges and Universities a link to the preliminary version of the report for their campuses for verification.
- For private institutions, Office staff sent each financial aid director at the private institutions a link to the preliminary version of the report for that campus for verification.

Minnesota State Grant program data

The amounts reported for the State Grant Program were reported earlier in Minnesota State Grant Program 2017, End-of-Year Statistics. As institutions close their State Grant accounts, the Minnesota Office of Higher Education may make adjustments that do not appear in either this report or in the End-of-Year Statistics.

Definitions of financial aid programs
