Consolidated Fund Statement

Budgetary Basis

Background

This document displays budgetary fund statements for the 2022-23 biennium as well as historical years and planning years. The statement summarizes budget data by state fund for the budget period. In government, funds are created to improve accountability for sources of money that are to be used for specific purposes in accordance with laws and regulations or special restrictions. The Consolidated Fund Statement is produced with every February and November Forecast, as well as the end of the legislative session.

Budgetary Basis Defined

Revenue, expenditure, transfer and fund balance information in these statements may differ from those in the state's GAAP based Comprehensive Annual Financial Report (CAFR). This occurs primarily because of differences in the recognition of accruals, reimbursements, deferred revenue, intrafund transactions and the budgetary basis of accounting for encumbrances. In the Comprehensive Annual Financial Report, expenditures are recognized when goods or services are received regardless of the year encumbered. In these budgetary fund statements, encumbrances are recognized as expenditures in the year encumbered.

Report Structure

The report includes three high level reports which present the aggregate net financial activities in all funds included in the statement, as follows:

- ❖ Revenues and Expenditures by Fund
- ❖ Revenues by Type and Expenditures by Bill Area
- ❖ Revenues by Sub-Type and Expenditures by Bill Area/Agency

The remainder of the report includes the individual fund statements for the 46 funds most relevant to operating budget decision-making in the following major categories:

General Fund	Accounts for all financial resources except those required to be accounted for in another fund.
Special Revenue Funds	Accounts for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) that are legally restricted to expenditure for specific purposes.
Permanent Trust Funds	Constitutionally established funds receive revenue from investments and the sale of state land and timber for distribution to local school districts.
Select Debt Service Funds	Accounts for the accumulation of resources for, and the payment of, most general obligation long-term debt principal and interest.

What funds are excluded?

The fund statements do not include all funds presented in the Comprehensive Annual Financial Report.

The main fund types that are not included are:

- ❖ Capital project funds
- ❖ Internal service funds
- ❖ Enterprise funds,
- ❖ Debt service funds related to internal service funds
- ❖ Agency funds
- ❖ Pension funds
- ❖ Investment funds
- ❖ Component unit funds.

Financial statements for these types of funds can be found in the Comprehensive Annual Financial Report.

Transfers to the funds included in the statement from these excluded funds are included in the consolidated statements, in aggregate, as sources. Transfers from the funds included in the statement to these excluded funds are included in the consolidated statements, in aggregate, as uses.
