Subject: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by Minnesota Statutes, Section 14.05, Subdivision 5.

Dear Governor Walz, Senators, Representatives, Director Weber and Revisor Inman:

Minnesota Statutes, section 14.05, subdivision 5, directs the MN Board of Veterinary Medicine to report to you each year whether any of its rules are "obsolete, unnecessary, or duplicative of other state or federal statutes or rules". The Board of Veterinary Medicine has not made any statutory revisions in 2021. The Board has reviewed its rules and found that there are no obsolete, unnecessary, or duplicative rules over the course of the last year.

If you have any questions regarding this report, please call or contact me at julia.wilson@state.mn.us.

Sincerely,

Julia H. Wilson, DVM
Executive Director
