2020 LEGISLATIVE REPORT MINNESOTA BOARD OF PARDONS

Background

The Minnesota Board of Pardons (Board) is required to file a written report with the legislature by February 15 of each year, reporting the number of pardon/commutation and pardon extraordinary applications received and those granted by the Board. Minn. Stat. § 638.075.

The Board is made up of Minnesota’s Governor, Chief Justice of the Supreme Court, and Attorney General. Under Article V, Section 7 of the Minnesota Constitution and Minn. Stat. Chapter 638, the Board may grant the following types of relief to persons who have been convicted of crimes:

- **Pardon** – an act of forgiveness that exempts the convicted person from the punishment imposed by law.
- **Commutation** – the substitution of a lesser or different type of punishment for that imposed in the original sentence.
- **Pardon Extraordinary** – a statutorily-created relief granted to applicants who have served their sentences. When a pardon extraordinary is granted, the court is directed to issue an order setting aside the conviction and the applicant is no longer required to report the conviction, except in specified circumstances. The original conviction and the pardon extraordinary are recorded on the applicant’s criminal record.

Pardons/commutations may be granted to persons who are currently serving active Minnesota sentences. Pardons extraordinary may be granted to persons who committed Minnesota crimes, have fully served their sentences, and have waited the applicable waiting periods after discharge from their sentences before applying for relief.
