Dear Committee Chairs:

Minnesota Statute 270C.711 requests the Department of Revenue to provide an annual report on the status of the Acquisition and Resale of Seized Property Program. Under this program, the department will seize a debtor's assets after thorough consideration of the particular situation to ensure the seizure is appropriate and in the State's best interest.

During the timeframe of this report, we received credits totaling \$11.71 from utility companies after the sales of the real property referenced in the March 16, 2020 report when the purchaser transferred the ownership of the utility accounts.

Sincerely,

Justin Nieman
Assistant Commissioner
