RE: Interagency Agreements and Intra-Agency Transfers

In accordance with Minnesota Statutes section 15.0395:

“(a) By October 15, 2018, and annually thereafter, the head of each agency must provide reports to the chairs and ranking minority members of the legislative committees with jurisdiction over the department or agency’s budget on:

(1) interagency agreements or service-level agreements and any renewals or extensions of existing interagency or service-level agreements with another agency if the cumulative value of those agreements is more than \$100,000 in the previous fiscal year; and

(2) transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year.

The report must include the statutory citation authorizing the agreement, transfer or dollar amount, purpose, and effective date of the agreement, the duration of the agreement, and a copy of the agreement.”

I am attaching the required documents. Minnesota Statutes section 16E.21 authorizes the agreements and fund transfers.
