Subject: FY2022 Interagency Agreement and Transfer Reporting Requirement

Date: October 14, 2022

As executive director of the Board of Nursing, I am submitting this report in compliance with Minnesota Statutes §15.0395 INTERAGENCY AGREEMENTS AND INTRA-AGENCY TRANSFERS. This statute provides that:

- (a) By October 15, 2018, and annually thereafter, the head of each agency must provide reports to the chairs and ranking minority members of the legislative committees with jurisdiction over the department or agency's budget on:*
- (1) interagency agreements or service-level agreements and any renewals or extensions of existing interagency or service-level agreements with another agency if the cumulative value of those agreements is more than \$100,000 in the previous fiscal year.*
 - (2) Transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous year.*

The total amount paid for interagency and service level agreements in FY2022 is \$509,360.

Attached is a report of amount paid for interagency agreements. There are no transfers of appropriations to report in relation to this requirement.
