1980 DIRECTORY OF FARM-FRESH PRODUCTS

Compiled by:

BESS M. HUM
Marketing Specialist
Minnesota Department of Agriculture
Marketing Services Division

With appreciation to Specialty
Crop Growers for assistance in
compiling this information

Dear Friend:

This directory was designed to assist consumers in locating farms involved in selling farm-fresh products:

- Pick-your-own vegetable farms
- Pick-your-own apples
- Roadside markets
- On-farm sales
- Greenhouses
- Farmers' Markets

Omission or inclusion of farms does not constitute a recommendation. Only those requesting to be listed are included.

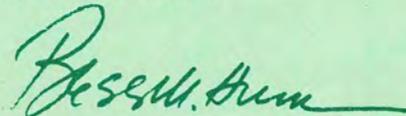

IT IS ADVISABLE TO CONTACT THE GROWER BEFORE GOING TO HIS/HER FARM. The harvest period of specific products and its availability varies due to weather conditions. Often times the farms request calling for appointments.

Take a "break" to smell the fresh country air, to view the farm landscape and to partake of the delicious flavor of fresh, nutritional vegetables and fruits produced in our great state.

Enjoy! Enjoy! Enjoy!

Sincerely,

MINNESOTA DEPARTMENT OF
AGRICULTURE

Bess M. Hum, Marketing Specialist
Marketing Services Division
