The Office of the State Auditor is a Constitutional Office which serves as a watchdog for Minnesota taxpayers and helps to assure integrity, accountability, and cost-effectiveness in government throughout the state.

Through financial, compliance, and special audits, the Office of the State Auditor helps to assure that local governments hold themselves to the highest standards of integrity. The Office works actively with local government officials to find more efficient and cost effective ways to spend tax dollars.

The Office performs approximately 320 audits per year. The State Auditor has oversight responsibilities for 4,300 units of local governments throughout the state. The local units of government include:

- 1803 townships
- 855 cities
- 429 educational districts
- 87 counties
- 703 police and fire relief association funds
- 145 housing and redevelopment authorities
- 22 port authorities
- 91 soil and water conservation districts
- 150 (approximate) special districts

Through its reports and research, the Office helps local governments to find new ways to provide essential services more economically and efficiently in order that they may respond to growing needs with limited financial resources.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employee's Retirement Association Board, Minnesota Housing Finance Agency, Rural Finance Administration Board, and Board of Government Innovation and Cooperation.

Our report of Federally Assisted Programs of Subrecipients of the State of Minnesota for the year ended June 30, 1994, is submitted herewith.

General

The State of Minnesota, as a recipient of federal funds, is responsible for assuring that its subrecipients of federal funds have audits in accordance with the Single Audit Act of 1984 and the Office of Management and Budget's (OMB) Circulars A-128 or A-133.

This report on "Federally Assisted Programs of Subrecipients of the State of Minnesota" for the fiscal year ended June 30, 1994, is prepared to demonstrate the State of Minnesota's compliance with the requirement for audit of federal funds granted to its subrecipients.

General (Continued)

This report represents a compilation of financial and compliance information pertaining to federal grants. The data has been obtained from audited financial statements of subrecipients that were submitted to this office. Subrecipients covered in the report include cities, counties, housing and redevelopment authorities, Indian Tribes, libraries, nonprofit agencies, regional development commissions, school districts, and other local units of government in Minnesota.

Memorandum of Understanding

In April 1983, a Memorandum of Understanding (Memorandum) was signed that documented the arrangement for conducting a single audit of federal funds awarded directly to the State of Minnesota and expended either by the State or an authorized subrecipient. This Memorandum remains in effect for the current-year single audit report of the State of Minnesota.

The Memorandum outlines the broad issues agreed to, as well as the specific responsibilities of each party. The parties participating in the Memorandum and their duties are:

- The Minnesota Department of Finance serves as the lead state agency, representing all Minnesota state agencies receiving federal funds, and coordinates single audit requirements;
- The Minnesota Office of the Legislative Auditor performs the statewide single audit and prepares the audit report at the state agency level;
- The U.S. Department of Agriculture, Office of the Inspector General serves as the lead cognizant audit agency, representing all federal agencies awarding funds to the State of Minnesota, and serves as liaison with the other parties participating in the Memorandum and federal agencies.
- The Minnesota Office of the State Auditor monitors subrecipient audits by reviewing audit reports for timeliness and compliance with federal reporting standards. Subrecipient audit reports are considered acceptable when they include the reporting elements required by *Government Auditing Standards*, issued by the Comptroller General of the United States; by the American Institute of Certified Public Accountants; by the Single Audit Act of 1984; and by OMB Circulars A-128 or A-133. The Office prepares this summary report, which includes federal grant revenues received by subrecipients, along with their auditor's questioned costs and noncompliance findings. This summary report is provided to the other parties of the Memorandum.

Review of Subrecipient Audit Reports

For the fiscal year ended June 30, 1994, it was determined that 1,068 entities received federal funds from the State of Minnesota and were required to submit audited financial statements. Not all of the subrecipients submitted audited financial statements in time to be included in this report. The status of the audits, by type, are:

	Reports			
	Total	Received	Failed To Report	Not Received In Time For Publication
Cities	118	98	20	-
Counties	87	86	1	-
Housing and Redevelopment Authorities	9	1	8	-
Indian Tribes	12	5	-	7

Other Governmental Agencies	37	21	13	3
Regional Development Commissions	10	6	-	4
Schools and Related Agencies	496	464	32	-
Total	1,068	781	74	213
Percent	100%	73%	7%	20%

Significant Items

To be included in this report, financial statements must have been received by January 31, 1995. The Single Audit Act requires governments to file their single audit reports within 13 months of year-end; therefore, governmental entities with fiscal years ending December 31, 1993, should have filed their financial statements in time for this report. In addition, the state requires school districts to file their financial statements by December 31. Seventy-four entities failed to report in compliance with these requirements. There were an additional 213 reports which were not received in time for this publication reflecting the fact that governmental entities (other than schools) with fiscal years ending between January 1 and June 30, 1994, nonprofit agencies, and tribal governments may have reporting deadlines extending beyond the publication date of this report.

Contents of This Report

This report contains six exhibits. The exhibits contain information that was included in audited financial statements of subrecipients having fiscal year-ends between July 1, 1993 and June 30, 1994. The resolution of questioned costs, noncompliance, and crosscutting findings is the responsibility of the administering agency.

The exhibits are:

- Exhibit 1 **Questioned Costs**
A summary of questioned costs by administrative agency. Summarized for each questioned cost is the subrecipient entity, Catalog of Federal Domestic Assistance (CFDA) number, reason for and the amount of the questioned costs.

- Exhibit 2 **Summary of Federal Grant Revenue by CFDA Number**
A summary of federal grant revenue by CFDA number and by the administering agency type--direct federal or pass through state or other agency.

- Exhibit 3 **Summary of Federal Grant Revenue by Entity**
A summary of federal grant revenue by subrecipient entity and the administrative agency type--direct federal or pass through state or other agency. Also shown are those entities which were to file a single audit report and did not. The exhibit identifies if the entity's audit report is acceptable; that is, if the audit report contains all reporting elements required by applicable auditing standards.

- Exhibit 4 **Summary of Federal Grant Revenue by Administering Agency**
A summary of federal grant revenue by the administrative agency broken down by the subrecipient entities and CFDA numbers. Also indicated are federal or nonfederal crosscutting findings or grant noncompliance (refer to Exhibits 5 and 6 for detailed crosscutting findings). The exhibit identifies if the entity's audit report is acceptable.

- Exhibit 5 **Summary of Nonfederal Crosscutting Findings by Agency Type**
A summary of nonfederal crosscutting findings by entity. A nonfederal crosscutting finding is non-monetary and does not pertain to any federal programs.

- Exhibit 6 **Summary of Federal Crosscutting Findings by Agency Type**
A summary of federal crosscutting findings by entity. A federal crosscutting finding is non-monetary and does not pertain to a specific federal program.

Contents of This Report (Continued)

For any detail regarding information in these exhibits, the audit report should be reviewed or the subrecipient should be contacted.

Report Distribution

This report will be distributed to:

- U.S. Department of Agriculture, the cognizant agency for the State of Minnesota,
- Grantor agencies of the federal government,
- State of Minnesota agencies which subgranted federal funds on a pass-through basis,
- Selected local agencies which subgranted federal funds on a pass-through basis, and
- Other interested organizations.

EXHIBIT 5

NONFEDERAL CROSSCUTTING FINDINGS

The following exhibit is a summary of nonfederal crosscutting findings by subrecipient entities by type. A nonfederal crosscutting finding is a non-monetary finding that does not pertain to any federal programs. The finding is reported within the independent auditor's report on the internal control structure in accordance with government auditing standards or in the compliance report on the general purpose or basic financial statements performed in accordance with government auditing standards. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Cash Management/Revenues (receivables, investments, etc.)
- Expenditures (purchasing, payroll, etc.)
- Fixed Assets
- General Administration, Adequacy/Propriety of Procedures
- Security for Bank Deposits
- Segregation of Duties
- State and Local Compliance (claims and disbursements, contracting and bidding, public indebtedness, conflicts of interest, other)

The resolution of crosscutting findings is the responsibility of the administering agency.

EXHIBIT 6

FEDERAL CROSSCUTTING FINDINGS

The following exhibit is a summary of federal crosscutting findings by subrecipient entities by type. A federal crosscutting finding is a non-monetary finding that is not specifically identified by a CFDA number and may affect more than one federal program. The finding is reported within the independent auditor's report on the internal control structure used in administering federal financial assistance programs or in the report on compliance with requirements applicable to federal financial assistance programs. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Cash Management/Revenues (receivables, investments, etc.)
- Expenditures (purchasing, payroll, indirect costs, etc.)
- Fixed Assets
- General Administration, Adequacy/Propriety of Procedures
- Security for Bank Deposits
- Segregation of Duties

The resolution of crosscutting findings is the responsibility of the administering agency.
