

DATE: January 18, 2022

TO: Jim Schowalter, Commissioner Minnesota Management and Budget

FROM: Brian Yolitz, Associate Vice Chancellor for Facilities - *BDY*

SUBJECT: Minnesota State Higher Education Asset Preservation and Replacement (HEAPR) Report

Attached is the Minnesota State HEAPR Report reflecting projects paid for with money from appropriations during calendar year 2021, as called for in Minnesota Statutes, Section 135A.046, Subdivision 3.

Also attached is a list of the HEAPR projects in Minnesota State's request for \$150 million for asset preservation funding in the 2022 legislative session.

We thank you for your team for your continued support of the colleges and universities of Minnesota State, their program and students and the facilities that support them.

Please contact me at 651-201-1777 or [brian.yolitz@minnstate.edu](mailto:brian.yolitz@minnstate.edu) if you or your staff have any questions.
