## Executive Summary

- The COVID-19 Flexible Response Account was created to pay expenditures eligible under federal guidance for the state fiscal recovery federal fund. The fund was established on July 1, 2021 with a beginning balance of \$425 million.
- Money in the fund is appropriated to the Commissioner of Management and Budget to be disbursed or transferred to state agencies, as necessary.
- The Commissioner of Management and Budget may authorize expenditures of \$2.5 million or less. An expenditure request in excess of \$2.5 million must be submitted to the Legislative COVID-19 Response Commission for review and recommendation before it can be authorized.
- Funds in the COVID-19 Flexible Response Account may be allocated until June 30, 2022, pursuant to [Laws 2021 1st Special Session, Chapter 12](#). Allocated funds are available until June 30, 2023. Any money in the fund that remains unallocated on July 1, 2022 cancels back to the state fiscal recovery federal fund.
- As of Mar. 31, 2022, \$3.5 million remains unauthorized in the fund. Legislative COVID-19 Response Commission authorizations total \$392.7 million. Additionally, \$28.8 million has been authorized as an expenditure of \$2.5 million or less.

## Background

On June 30, 2021, the Legislature passed legislation creating the COVID-19 Flexible Response Account and appropriating \$425 million to the Commissioner of Management and Budget to be disbursed or transferred to state agencies, as necessary. The legislation also reestablished the Legislative COVID-19 Response Commission to review expenditures.

Members of the commission are the Senate majority and minority leaders, president, chair and ranking minority member of the Senate Finance Committee, House majority and minority leaders, speaker, and chair and ranking minority member of the House Ways and Means Committee.

Expenditure requests in excess of \$2.5 million must be submitted to the Legislative COVID-19 Response Commission for review and recommendation before they can be authorized. The commission has three days after submission to review a request and provide a positive recommendation, a negative recommendation, or no recommendation. If a majority of commission members from the Senate and a majority of commission members from the House of Representatives provide a negative recommendation on a proposed expenditure, the commissioner is prohibited from expending the money. If a majority of the commission members from the Senate or a majority of the commission members from the House of Representatives do not make a negative recommendation, or if the commission makes no recommendation, the commissioner may expend the money. The Commissioner of Management and Budget may authorize expenditures of \$2.5 million or less.

The Commissioner of Management and Budget must provide expenditure reports from the COVID-19 Flexible Response Account to the Legislative COVID-19 Response Commission on the last day of each month. The report must include the total amount of each expenditure, the purpose of each expenditure, and any additional information the Commissioner of Management and Budget determines is necessary to properly document each expenditure. This report includes accounting data through Mar. 31, 2022. Expenditures and commitments in SWIFT may lag the actual costs incurred due to delays in invoicing and payment processes with vendors.

Funds in the COVID-19 Flexible Response Account may be allocated until June 30, 2022, pursuant to [Laws 2021 1<sup>st</sup> Special Session, Chapter 12](#). Allocated funds are available until June 30, 2023. Any money in the fund that remains unallocated on July 1, 2022 cancels back to the state fiscal recovery federal fund.
