<b>Milk</b>	1,682,084	\$ 554,794	\$ 45,206	\$ 600,000	92%

## Key Notes:

- The Farm to Food Shelf grant is administered by Second Harvest Heartland on behalf of the six Feeding America food banks who serve MN. Each food bank is responsible for distributing the food to the counties they serve.
- There is an estimated \$220,000 of available produce from SHH's MN growers during Q2-Q4 in which funds from this grant could have been used to source.
- For produce grant fund reimbursements, Second Harvest Heartland has claimed less than the maximum proportion of admin expenses from the grant funds. This allowed extra funding to go towards procuring more produce.
- Although there are still milk grant funds left, Second Harvest Heartland has spent it's entire portion of the funds and is now subsidizing free milk for constituents.

## Key Notes:

- The MN food banks were able to use these funds to distribute 25 different produce varieties from 26 farmers that range in size from large-scale growers, to emerging grower's at farmer's markets.
- Approximately 105,500 gallons of milk have been distributed to the community with the grant funds spent during Q1.
