Introduction

Minnesota's probation system is a combination of state and county agencies spread throughout the state's 87 counties. In 29 counties, the Minnesota Department of Corrections (DOC) provides all probation services. In 24 counties, probation services are provided by a combination of county probation offices (CPO) and the DOC. In these counties, the DOC provides supervision for adult felons and the county provides supervision for juveniles and adult non-felony cases. The remaining 34 counties participate in the Minnesota Community Corrections Act (CCA) where county staff provides all probation services.

The primary purpose of the Minnesota Probation Survey is to collect probation data from all counties annually for use by the DOC, the Minnesota Legislature, other state agencies, county probation offices, and other entities for management, policy-making, and federal reporting purposes. Please note: This survey does **not** count all individuals that state or county probation agencies provide service to; the survey specifically is designed to count only those individuals under "probation" supervision.

Methodology

Survey Design

The probation survey originally was designed to collect data requested by the Bureau of the Census and the Bureau of Justice Statistics regarding Minnesota probationers. In the past, two important tenets were considered in the survey design: the definition of "probationer" and capturing an individual probationer only once.

The definition of "probationer" essentially has stayed the same and refers to both adults and juveniles: "All probationers, regardless of conviction status, who have been placed under the supervision of a probation agency as part of a court order at any time including those ordered to pay restitution, complete community service, or monitoring."

Survey Administration

As part of Minnesota's criminal justice information integration efforts, the Statewide Supervision System (S³) was designed to provide criminal justice professionals with electronic information through a secure website. This information includes data on juveniles and adults who are or have been on probation, detention, imprisoned, or jailed.

The DOC pulled and compiled probation data directly from S³ for all 87 counties and made county reports available for review and approval by each county prior to publication in this report.

Coronavirus (COVID-19) Pandemic

When comparing the probation population over time, it is important to note that there was a substantial drop in the probation population in 2020 due to the coronavirus (COVID-19) pandemic. The Minnesota Judicial Branch changed their process for handling cases to reduce the spread of COVID-19, resulting in fewer individuals being placed on probation in 2020. At the same time, probation agencies continued to discharge persons under supervision as normal.

Instructions for Completing the Probation Survey

Thank you for your participation in this annual survey, which is conducted to provide supervision information to legislators, policymakers, the Minnesota Department of Corrections, Minnesota counties, and other government agencies. This survey is being mailed to:

Community Corrections directors, to collect all CCA county probation information

Department of Corrections District supervisors, to collect data on all probationers supervised by DOC felony agents and DOC contract agents, and

Chief probation officers in non-CCA counties, to collect data on all probationers supervised by non-CCA county agents.

One survey is enclosed for each county in which your office provides probation services. Please answer the questions for all probationers under your supervision.

Who should be counted as a “probationer”?

All probationers, regardless of conviction status, who were under the supervision of your agency as part of a court order at any time between December 31, 2019 and December 31, 2020.

Probationers for whom there is a court order for supervision and/or services such as restitution, community service, or monitoring.

Persons placed on probation under Minnesota Statutes 152.18 (“deferred adjudication” for certain drug offenders) and 609.135 (stay of imposition or execution) if you are providing probation supervision or services.

Persons who are sent to your county from another county or state for supervision.

Who is excluded as a “probationer”?

Persons on investigative status only, such as PSIs, pre-pleas, bail evaluations, etc.

Persons on “bench probation,” “court probation,” or “summary probation,” who have not been placed under the supervision of a probation agency.

Pre-trial diversion and pre-trial supervision cases.

Juveniles receiving services under a CHIPS petition.

Persons released from state correctional facilities, who are on supervised release, parole, intensive community supervision, etc.

Exclude from year-end counts (questions 1, 4, etc.) those whom you send to another county or state for supervision.

For questions 1-7, report each **probationer** only once, not the number of offenses or open files. If an individual is on probation for offenses of differing severity, count him/her in the category of highest severity. If a probationer is under both juvenile and adult supervision, count the individual only once, placing the individual as an adult or juvenile according to the more serious offense. If you are unable to eliminate double counting of individuals under both adult and juvenile supervision, asterisk the juvenile total on line 4 of page 1 and in the "Comments" section on page 2, estimate the number of juveniles also counted as adults.

Question 8: **Report statistics on the most serious offense for which each individual was under supervision.** This is a change from previous years in which the number of cases under supervision for each listed offense was reported.
