Assessment

Classification

Short-term Rental Property Classification

Fifth Special Session 2020, Chapter 3, Article 8, Section 2

Amends Minnesota Statutes 2020, section 273.13, subdivision 25.

This section expands the definition of the 4b(1) classification to include short-term rental property rented for more than 14 days in the preceding year. Short-term rental properties under this provision are defined as non-homestead residential real estate that both:

- Rents for periods of less than 30 consecutive days
- Contains fewer than four units

Homestead properties are not considered short-term rental properties. The 4b(1) classification has a class rate of 1.25%.

History: Prior to this change, properties determined to have a primary use as a short-term rental were classified as commercial.

Effective Date: Effective beginning with assessment year 2021, taxes payable in 2022, and thereafter.

Special Programs

Market Value Exclusion on the Homestead of a Veteran with a Disability – Allowing a Surviving Spouse to Move

Fifth Special Session 2020, Chapter 3, Article 8, Section 3

Amends Minnesota Statutes 2018, section 273.13, subdivision 34.

This section expands the market value exclusion for the homestead of a surviving spouse of a qualifying veteran by allowing the spouse to transfer their benefit to a different property if they move. The property must have an estimated market value less than or equal to the value of the original property at the time of sale of the original property. A surviving spouse is limited to one transfer under this new provision.

To qualify for the continuation of the exclusion on a new property, the surviving spouse must:

- Make a new application
- Hold legal or beneficial title and permanently reside there
- Not have already received the exclusion on more than one property
- Not have remarried

History: Previously, once a surviving spouse sells, transfers or otherwise disposes of the property they owned with the qualifying veteran, they no longer were eligible for the exclusion.

Effective Date: Effective for applications in 2020, taxes payable in 2021, and thereafter.

Collection

County Auditor Waiver to Allow Removal of Structure Before Taxes Paid Fifth Special Session 2020, Chapter 3, Article 8, Section 1

Amends Minnesota Statutes 2018, section 272.38, subdivision 1.

This section provides that if the county auditor determines that the removal of a structure is in the public interest, including the health, safety, and well-being of the surrounding area, and that removal will not impair the collection of property taxes, the county auditor may waive the requirements of the section that no structure be removed from a tract of land before all taxes are paid.

Effective Date: Effective the day following final enactment (October 22, 2020).

Background: Under current law, property owners choosing to appeal their assessment must file a petition by April 30 each year.

Effective Date: Effective the day following final enactment (March 29, 2020).
