Management and Compliance Report

Year Ended December 31, 2021

Description of the Office of the State Auditor

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 100 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice – conducts financial and legal compliance audits of local governments;

Government Information – collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations – provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension – monitors investment, financial, and actuarial reporting for Minnesota’s local public pension funds; and

Tax Increment Financing – promotes compliance and accountability in local governments’ use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report

The Honorable Jacob Frey, Mayor,
and Members of the City Council
City of Minneapolis, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Minneapolis, Minnesota, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated July 19, 2022. Our report includes a reference to other auditors who audited the financial statements of the Meet Minneapolis component unit as described in our report on the City's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors. The financial statements of Meet Minneapolis were not audited in accordance with *Government Auditing Standards*. We issue a separate Management and Compliance Report for the Minneapolis Park and Recreation Board component unit. This report does not include the results of our audit testing of the Minneapolis Park and Recreation Board component unit's internal control over financial reporting or on compliance and other matters. The Management and Compliance Report for the Minneapolis Park and Recreation Board component unit includes the reports required for an audit in accordance with *Government Auditing Standards*. The results of our audit testing of the Municipal Building Commission component unit's internal control over financial reporting and on compliance and other matters is reported on separately within this Management and Compliance Report.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Minneapolis' internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial

statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a deficiency in internal control over financial reporting, described in the accompanying Schedule of Findings and Questioned Costs as item 2021-001, that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Minneapolis' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

In connection with our audit, nothing came to our attention that caused us to believe that the City of Minneapolis failed to comply with the provisions of the contracting – bid laws, depositories of public funds and public investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing sections of the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

City of Minneapolis' Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the City of Minneapolis' response to the internal control finding identified in our audit and described in the accompanying Corrective Action Plan. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting, compliance, and the provisions of the *Minnesota Legal Compliance Audit Guide for Cities* and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND
REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
REQUIRED BY THE UNIFORM GUIDANCE**

Independent Auditor's Report

The Honorable Jacob Frey, Mayor,
and Members of the City Council
City of Minneapolis, Minnesota

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the City of Minneapolis' compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended December 31, 2021. The City of Minneapolis' major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the City of Minneapolis complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City of Minneapolis and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our

opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City of Minneapolis' compliance with the compliance requirements referred to above.

Other Matter – Federal Expenditures Not Included in the Compliance Audit

The City of Minneapolis' basic financial statements include the operations of the Minneapolis Park and Recreation Board component unit, which expended \$62,057 in federal awards which are not included in the City of Minneapolis' Schedule of Expenditures of Federal Awards during the year ended December 31, 2021. Our compliance audit, described in the "Opinion on Each Major Federal Program," does not include the operations of the Minneapolis Park and Recreation Board component unit because the component unit is legally separate from the primary government, and because it expended less than \$750,000 of federal awards for the year ended December 31, 2021, it was not subject to Uniform Guidance audit requirements.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City of Minneapolis' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City of Minneapolis' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City of Minneapolis' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit;
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City of Minneapolis' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances; and

- obtain an understanding of the City of Minneapolis' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City of Minneapolis' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance, and which is described in the accompanying Schedule of Findings and Questioned Costs as item 2021-002. Our opinion on each major federal program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on the City of Minneapolis' response to the noncompliance finding identified in our audit described in the accompanying Schedule of Findings and Questioned Costs. The City of Minneapolis' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying Schedule of Findings and Questioned Costs as item 2021-002 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the City of Minneapolis' response to the internal control over compliance finding identified in our audit described in the accompanying Schedule of Findings and Questioned Costs. The City of Minneapolis' response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the City of Minneapolis as of and for the year ended December 31, 2021, and have issued our report thereon dated July 19, 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards (SEFA) is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the SEFA is fairly stated, in all material respects, in relation to the financial statements as a whole.

The threshold for distinguishing between Types A and B programs was \$1,872,810.

City of Minneapolis qualified as a low-risk auditee? **No**

**II. FINDINGS RELATED TO FINANCIAL STATEMENTS AUDITED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

2021-001 Audit Adjustment

Prior Year Finding Number: N/A

Repeat Finding Since: N/A

Type of Finding: Internal Control Over Financial Reporting

Severity of Deficiency: Material Weakness

Criteria: A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements of the financial statements on a timely basis. Auditing standards define a material weakness as a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Condition: A material audit adjustment was identified that resulted in significant changes to the City's financial statements.

Context: The inability to detect material misstatements in the financial statements increases the likelihood that the financial statements would not be fairly presented. The adjustment was found in the audit; however, independent external auditors cannot be considered part of the City's internal control.

Effect: The following audit adjustment related to pensions was reviewed and approved by the appropriate City of Minneapolis staff and is reflected in the financial statements:

- in the governmental activities, deferred outflows of resources – pensions decreased \$125,096,540, deferred inflows of resources – pensions increased \$75,703,604, and pension expense increased \$200,800,144, which includes the aggregate remaining fund information adjustment;

**CITY OF MINNEAPOLIS
MINNEAPOLIS, MINNESOTA**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2021**

- in the Solid Waste and Recycling Enterprise Fund, deferred outflows of resources – pensions decreased \$6,192,343, deferred inflows of resources – pensions increased \$4,805,166, and pension expense increased \$10,997,509;
- in the Water Treatment and Distribution Services Enterprise Fund, deferred outflows of resources – pensions decreased \$11,000,706, deferred inflows of resources – pensions increased \$8,536,386, and pension expense increased \$19,537,092; and
- in the aggregate remaining fund information, which includes internal service funds, deferred outflows of resources – pensions decreased \$18,608,405, deferred inflows of resources – pensions increased \$14,439,848, and pension expense increased \$33,048,253.

Cause: The City relied on calculations made by an actuary to calculate an alternative method for pension liabilities, deferred inflows of resources, deferred outflows of resources, and pension expense. The actuary incorrectly included a deferred inflow of resources as a deferred outflow of resources. The actuary also used the prior year proportionate share percentage to calculate the deferred inflow net pension liability change in proportion amount instead of the current year percentage.

Recommendation: We recommend staff implement additional procedures over financial reporting that include a comprehensive review of balances, disclosures, and supporting documentation by a qualified individual to ensure the information is complete and accurate so the City’s financial statements are fairly presented in accordance with generally accepted accounting principles.

View of Responsible Official: Concur

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARD PROGRAMS

2021-002 Procurement, Suspension, and Debarment

Prior Year Finding Number: N/A

Repeat Finding Since: N/A

Type of Finding: Internal Control Over Compliance and Compliance

Severity of Deficiency: Significant Deficiency and Other Matter

**CITY OF MINNEAPOLIS
MINNEAPOLIS, MINNESOTA**

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2021

Federal Agency: U.S. Department of Housing and Urban Development

Program: 14.231 Emergency Solutions Grant Program and
14.231 COVID-19 – Emergency Solutions Grant Program

Award Number and Year: E-20-MW-27-0003, 2020; E-20-MC-27-0003, 2020;
E-21-MC-27-0003, 2021

Pass-Through Agency: N/A

Criteria: Title 2 U.S. *Code of Federal Regulations* § 200.303 states that the auditee must establish and maintain effective internal control over the federal award that provides reasonable assurance that the auditee is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal awards. In addition, non-federal entities must follow federal guidance regarding verifying debarment, suspension, and exclusions, as provided in Title 2 U.S. *Code of Federal Regulations* §§ 180.300, 200.213, and 200.318(h), when entering into covered transactions.

Condition: In a sample of two contracts tested over the covered transaction amount, the City did not have documentation to meet the verification requirements as to whether the vendor was suspended, debarred, or otherwise excluded.

Questioned Costs: None.

Context: Two contracts from a total population of 14 were tested for suspension and debarment.

The sample size was based on guidance from chapter 11 of the AICPA Audit Guide, *Government Auditing Standards and Single Audits*.

Effect: The City is not in compliance with federal grant requirements.

Cause: The City was not aware that they should check the local government for suspension and debarment, and the other contract not being verified for suspension and debarment of the vendor was an oversight.

Recommendation: We recommend the City review their policies and procedures related to the verification of vendors being suspended, debarred, or otherwise excluded and maintain documentation to support suspension and debarment procedures are performed in compliance with federal requirements.

View of Responsible Official: Concur

**REPRESENTATION OF THE CITY OF MINNEAPOLIS
MINNEAPOLIS, MINNESOTA**

**CORRECTIVE ACTION PLAN
FOR THE YEAR ENDED DECEMBER 31, 2021**

Finding Number: 2021-001

Finding Title: Audit Adjustment

Name of Contact Person Responsible for Corrective Action:

Lyle Hodges, Controller

Corrective Action Planned:

We will establish a process for additional review of all pension schedules used to create the required entries and backup. Additional methodologies for preparing the required schedules will be researched.

Anticipated Completion Date:

December 31, 2022

Finding Number: 2021-002

Finding Title: Procurement, Suspension, and Debarment

Program: Emergency Solutions Grant Program (AL # 14.231)

Name of Contact Person Responsible for Corrective Action:

Tiffany Glasper, Senior Project Coordinator & ESG Program Manager

Corrective Action Planned:

We will immediately begin reviewing and checking all vendors for suspension and/or debarment, including any governmental agencies. We have beefed up the language in our overall program guidance and particularly on the standard Closing Checklist for Emergency Solutions Grant projects.

Anticipated Completion Date:

December 31, 2022

**REPRESENTATION OF THE CITY OF MINNEAPOLIS
MINNEAPOLIS, MINNESOTA**

**SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED DECEMBER 31, 2021**

Finding Number: 2020-001
Finding Title: Audit Adjustment
Year of Finding Origination: 2019

Summary of Condition: A material audit adjustment was identified that resulted in significant changes to the City's financial statements.

Summary of Corrective Action Previously Reported: Starting with training prior to year-end, we'll emphasize the importance of capitalizing any projects that are completed and removed from construction in progress (CIP). During our yearend closeout process, we will continue to reconcile the current year reductions in CIP with the additions to fixed assets. In addition, we'll ensure the reconciliation and tie-out of all amounts for capital assets are prepared and completed prior to turning our worksheets over for audit.

Status: Fully Corrected. Corrective action was taken.
Was corrective action taken significantly different than the action previously reported?
Yes _____ No X

Finding Number: 2020-002
Finding Title: Subrecipient Monitoring
Program: Coronavirus Relief Fund (CFDA No. 21.019)
Year of Finding Origination: 2020

Summary of Condition: The City did not document risk assessment procedures over its subrecipients.

Summary of Corrective Action Previously Reported: It is the City's standard practice to evaluate contracts for the presence of subrecipient relationships. That practice will continue with a more diligent effort to identify any and all such relationships going forward. In addition, the team tasked with subrecipient monitoring will be fully staffed during 2021, allowing us to more fully perform reviews and pre-award assessments.

Status: Fully Corrected. Corrective action was taken.
Was corrective action taken significantly different than the action previously reported?
Yes _____ No X

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2021**

1. Summary of Significant Accounting Policies

A. Reporting Entity

The Schedule of Expenditures of Federal Awards presents the activities of federal award programs expended by the City of Minneapolis. It does not include \$62,057 in federal awards expended by the Minneapolis Park and Recreation Board component unit, which expended less than \$750,000 of federal awards for the year ended December 31, 2021; therefore, was not subject to the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The City's reporting entity is defined in Note 1 to the financial statements.

B. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the City of Minneapolis under programs of the federal government for the year ended December 31, 2021. The information in this schedule is presented in accordance with the requirements of the Uniform Guidance. Because the schedule presents only a selected portion of the operations of the City of Minneapolis, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City of Minneapolis.

Expenditures reported on the schedule are reported on the basis of accounting used by the individual funds of the City of Minneapolis. Governmental funds use the modified accrual basis of accounting. Proprietary funds use the accrual basis of accounting. Such expenditures are recognized following the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2. De Minimis Cost Rate

The City of Minneapolis has elected not to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

**MUNICIPAL BUILDING COMMISSION
MANAGEMENT AND COMPLIANCE REPORT**

YEAR ENDED DECEMBER 31, 2021

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report

Municipal Building Commission Board
Municipal Building Commission
Minneapolis, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the City of Minneapolis, Minnesota, which include as Other Supplemental Information, the financial statements of the Municipal Building Commission, a discretely presented component unit, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated July 19, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Municipal Building Commission's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Building Commission's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Building Commission's internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Municipal Building Commission's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

In connection with our audit, nothing came to our attention that caused us to believe that the Municipal Building Commission failed to comply with the provisions of the contracting – bid laws, depositories of public funds and public investments, conflicts of interest, claims and disbursements, and miscellaneous provisions sections of the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Building Commission's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting, compliance, and the provisions of the *Minnesota Legal Compliance Audit Guide for Cities* and the results of that testing, and not to provide an opinion on the effectiveness of the Building Commission's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Building Commission's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.
